

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF BENEDICT ESTATES DEVELOPERS PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of M/s BENEDICT ESTATES DEVELOPERS PRIVATE LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the Financial Statements

Management is responsible for the matters stated in section 134 (5) of the Companies Act "the Act" with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017 and its Profit and its cash flows for the year ended on that date.

ANNEXURE B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of BENEDICT ESTATES DEVELOPERS PRIVATE LIMITED ("the Company") as of 31st March, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India as prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend

on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

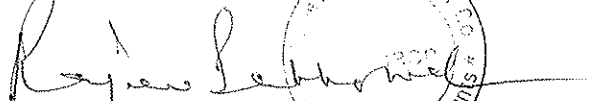

operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

Benedict Estates Developers Private Limited is a company incorporated under the provision of the Companies Act, 1956 read with relevant of Companies Act 2013, on 28th March 2006. The company is primarily engaged in Real Estate Development.

2 Summary of significant Accounting Policies

a) Basis of preparation of financial statement - First Time adoption of Ind AS

These are the company's first financial statements prepared in accordance with Ind AS. The accounting policies have been applied in preparing the financial statements for the year ended March 31, 2017, the comparative information presented in these financial statement for the year ended March 31, 2016 and in the preparation of an opening Ind AS balance sheet at April 01, 2015 (The company's date of transition).

The financial statements have been prepared under historical cost convention, on accrual basis, in accordance with the IND AS in India, and to comply in all material aspects with the accounting standards as per section 133 of Companies Act, 2013 read with rules made there under and the relevant guidance notes issued by the Institute of Chartered Accountants of India (ICAI)

The financial statements for the year ended March 31, 2017 were authorized and approved for issue by the Board of Directors on May 9, 2017 .

b) Use of estimates

The preparation of financial statements in conformity with IND AS requires management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

An entity's estimates in accordance with Ind AS at the date of transition to Ins AS shall be consistent with estimates made for the same date in accordance with previous GAAP. Ind AS estimates as at April 01, 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP.

c) Financial Assets and Liabilities

Financial Assets

Initial measurement is done at fair value (transaction cost is adjusted), which generally matches the transaction value of the receivable or loan. After initial measurement such financial assets are subsequently measured at amortised cost using the effective interest rate method.

These consist of cash and cash equivalents. For carrying amount please refer note no-5.

Financial Liabilities

Financial liabilities which are non derivatives are initially measured at fair value (transaction cost is adjusted) which normally corresponds to the amount received. Subsequent measurement is carried out at amortised cost using the effective interest rate method.

These consist of trade payables and deposit received against development agreement. For carrying amount Please refer note nos - 8 and 9.

Notes to Financial Statements for the year ended March 31, 2017

d) Financial Risks and Capital

In the course of its business of real estate development, the company is exposed to a number of financial risks: credit risk, liquidity risk and market risk.

Credit risk refers to a risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk arises on liquid assets and loans. In respect of cash and cash equivalents, the said amount is in current account with Scheduled Bank where chances of default are minimum. The maximum exposure to credit risk is equal to the carrying amount of the company's financial Assets.

Liquidity risk is the risk that the company may encounter difficulties in meeting its obligation associated with financial liabilities that are settled with delivering cash or other financial assets. The company does not foresee any liquidity problems as it has adequate inventories to back its financial liabilities.

Market risk refers to risk from movement in market prices that affects its assets and liabilities. The company is exposed to only changes in market price of inventory against which it has a development agreement in place on cost plus basis and as such there is no exposure to market risk.

e) Capital Risk Management

The company's capital management is driven by the impact on shareholders of the level of capital employed. It is the policy of the company to maintain a sound capital base to support the development of business. The company does not have any borrowings and the entire operations are funded through equity.

f) Revenue recognition

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

g) Inventories

Inventory is valued at lower of cost or net realizable value as per IND AS 2.

h) Taxes

Provision for tax comprises current income tax, MAT, deferred tax. Current income tax is determined in respect of taxable income, with deferred tax being determined as the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one period, and are capable of reversal in one or more subsequent period(s). Such deferred tax quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

i) Earnings per Share

Earnings per share is calculated by dividing net (loss) for the year/previous year attributable to equity share holders by weighted average no. of equity shares outstanding during the year/ year as per IND AS 33 on "Earning per share".
