To The Members of Lempo Buildwell Private Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Lempo Buildwell Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Company Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provision of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at 31st March, 2018, and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF LEMPO BUILDWELL PRIVATE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of Lempo Buildwell Private Limited. ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operate effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

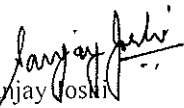

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory information for the year ended 31st March 2018

1. Corporate Information

Lempo Buildwell Private Limited is a company incorporated under the provision Companies Act, 1956 read with relevant provision of Companies Act, 2013 on 03rd April 2007. The company is primarily engaged in Real Estate Development.

2. Summary of significant Accounting Policies

a) Basis of preparation of financial statement

These financial statements have been prepared under historical cost convention unless otherwise specified, on the accrual basis, in accordance with Indian Accounting Standards (Ind AS) and to comply with all material aspects with the Ind AS as per section 133 of the Companies Act, 2013 read with rules made thereunder and the relevant guidance notes issued by the Institute of Chartered Accountants of India (ICAI).

The financial statements for the year ended March 31, 2018 were authorized and approved for issue by the Board of Directors on 09/05/2018

b) Use of estimates

The preparation of financial statements in conformity with IND AS requires management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

c) Financial Assets and Liabilities

Financial Assets

Initial measurement is done at fair value(transaction Cost is adjusted), which generally matches the transaction value of the receivable or loan. After initial measurement such financial assets are subsequently measured at amortised cost using the effective interest rate method. Cash and cash equivalents consists primarily of bank balances. For carrying amount please refer note no- 6.

Financial Liabilities

Financial liabilities which are non derivatives are initially measured at fair value(transaction Cost is adjusted) which normally Corresponds to the amount received. Subsequent measurement is carried out at amortised cost using the effective interest rate method. These consist of trade payables and deposit received against development agreement. For carrying amount Please refer note nos -8 and 9.

d) Financial Risks and Capital

In the course of its business of real estate development, the company is exposed to a number of financial risks: credit risk, liquidity risk and market risk.

Credit risk refers to a risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk arises on liquid assets and non-current financial assets. The company does not have any of the above assets and hence it is not exposed to any credit risk. In respect of cash and cash equivalents, the said amount is in current account with Scheduled Bank where chances of default are minimum. The maximum exposure to credit risk is equal to the carrying amount of the company's financial Assets.

Liquidity risk is the risk that the company may encounter difficulties in meeting its obligation associated with financial liabilities that are settled with delivering cash or other financial assets. The company does not foresee any liquidity problems as it has adequate inventories to back its financial liabilities.

Market risk refers to risk from movement in market prices that affects its assets and liabilities. The company is exposed to only changes in market price of inventory against which it has a development agreement in place on cost plus basis and as such there is no exposure to market risk.

e) **Capital Risk Management**

The company's capital management is driven by the impact on shareholders of the level of capital employed. It is the policy of the company to maintain a sound capital base to support the development of business. The company does not have any borrowings and the entire operations are funded through equity.

f) **Revenue recognition**

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

g) **Inventories**

Inventory is valued at lower of cost or net realizable value as per IND AS 2.

h) **Tax Policy**

Provision for tax for the year comprises current income tax and deferred tax. Current income tax is determined in respect of taxable income with deferred tax being determined as the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one year, and are capable of reversal in one or more subsequent year. Such deferred tax is quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

i) **Earning per share**

Earnings per share is calculated by dividing net profit/(loss) for the year/ previous year attributable to equity share holders by weighted average no. of equity shares outstanding during the year/ previous year as per IND AS 33 on "Earning per share".
