## **ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF PYRITE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED**

### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013("the Act")**

We have audited the internal financial controls over financial reporting of Pyrite Builders & Constructions Private Limited. ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### ***Management's Responsibility for Internal Financial Controls***

The Company's management is responsible for establishing and maintaining internal financial controls based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### ***Auditor's Responsibility***

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operate effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting include obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### ***Meaning of Internal Financial Controls Over Financial Reporting***

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

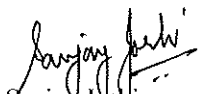

***Inherent Limitations of Internal Financial Controls Over Financial Reporting***

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

***Opinion***

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

# PYRITE BUILDERS & CONSTRUCTIONS PVT. LTD.

U70102DL2007PTC158415

Summary of significant accounting policies and other explanatory information for the year ended 31<sup>st</sup> March 2018

## 1. Corporate information

Pyrite Builders & Constructions Private Limited. is a company incorporated under the provision of Companies Act, 1956 read with relevant provisions of companies Act 2013 on 25<sup>th</sup> January 2007 The company is primarily engaged in the business of construction, development and sale of real estate properties in India.

## 2. Summary of significant accounting polices

### a) Basis of preparation of financial statement

These financial statements have been prepared under historical cost convention unless otherwise specified, on the accrual basis, in accordance with Indian Accounting Standards (Ind AS) and to comply with all material aspects with the Ind AS as per section 133 of the Companies Act , 2013 read with rules made thereunder and the relevant guidance notes issued by the Institute of Chartered Accountants of India (ICAI).

The financial statements for the year ended March 31, 2018 were authorized and approved for issue by the Board of Directors on 10.05.2018.

### b) Use of estimates

The preparation of financial statements in conformity with IND AS requires management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

### c) Financial Assets and Liabilities

#### Financial Assets

Initial measurement is done at fair value (transaction cost is adjusted), which generally matches the transaction value of the receivable or loan . After initial measurement such financial assets are subsequently measured at amortised cost using the effective interest rate method. Cash and cash equivalents consists primarily of bank balances. For carrying amount please refer note no-6.

#### Financial Liabilities

Financial liabilities which are non-derivatives are initially measured at fair value (transaction cost is adjusted) which normally Corresponds to the amount received. Subsequent measurement is carried out at amortised cost using the effective interest rate method. These consist of trade payables, deposit received against development agreement and earnest money received from related party. For carrying amount Please refer note no – 8, 9.

### d) Financial Risks and Capital

In the course of its business of real estate development, the company is exposed to a number of financial risks: credit risk, liquidity risk and market risk.

Credit risk refers to a risk that the counterparty will default on its contractual obligations resulting in financial loss to the company. Credit risk arises on liquid assets, non-current financial assets, derivative assets, trade and other receivables. The company does not have any of the above assets and hence it is not exposed to any credit risk. In respect of cash and cash equivalents, the said amount is in current account with Scheduled Bank where chances of default are minimum. The maximum exposure to credit risk is equal to the carrying amount of the company's financial Assets.

# PYRITE BUILDERS & CONSTRUCTIONS PVT. LTD.

U70102DL2007PTC158415

## Summary of significant accounting policies and other explanatory information for the year ended 31<sup>st</sup> March 2018

Liquidity risk is the risk that the company may encounter difficulties in meeting its obligation associated with financial liabilities that are settled with delivering cash or other financial assets. The company does not foresee any liquidity problems as it has adequate inventories to back its financial liabilities.

Market risk refers to risk from movement in market prices that affects its assets and liabilities. The company is exposed to only changes in market price of inventory against which it has a development agreement in place on cost plus basis and as such there is no exposure to market risk.

### e) Capital Risk Management

The company's capital management is driven by the impact on shareholders of the level of capital employed. It is the policy of the company to maintain a sound capital base to support the development of business. The company does not have any borrowings and the entire operations are funded through equity.

### f) Revenue recognition

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably

### g) Inventories

Inventory is valued at lower of cost or net realizable value as per IND AS 2.

### h) Taxes

Provision for tax for the year comprises current income tax and deferred tax. Current income tax is determined in respect of taxable income with deferred tax being determined as the tax effect of timing differences representing the difference between taxable income and accounting income that originate in one year, and are capable of reversal in one or more subsequent year. Such deferred tax is quantified using rates and laws enacted or substantively enacted as at the end of the financial year.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

### i) Earning per share

Earnings per share is calculated by dividing net profit/(loss) for the year/previous year attributable to equity shareholders by weighted average no. of equity shares outstanding during the year/ previous year as per IND AS 33 on "Earning per share".
