

**INDEPENDENT AUDITOR'S REPORT**

To the Members of **Rochelle Builders & Constructions Private Limited**

**Report on the Audit of the Ind AS Financial Statements**

**Opinion**

We have audited the accompanying Ind AS financial statements of **Rochelle Builders & Constructions Private Limited** ("the Company"), which comprise the Balance sheet as at March 31, 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, its loss including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

**Basis for Opinion**

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

**Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Responsibilities of Management for the Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended]. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Ind AS Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;
  - (g) In our opinion and to the best of our information and according to the explanations given to us, the company has not paid or provided any managerial remuneration as defined by the provisions of the Section 197 of the Companies Act, 2013.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would have material impact on its financial position. However, detail of pending litigation is disclosed in note no. 7 of the financial statements.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
  - a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not paid or declared any dividend during the year, accordingly the provision of section 123 of the Act are not applicable to the company
- vi. The Company has used a third party operated accounting software for maintaining its books of account, based on examination of service organisation controls report (SOC report), we noted that the audit trail feature of the said software was enabled and operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, based on the examination of such report, we did not come across any instance of audit trail feature being tampered with. Additionally, based on examination of SOC report, the audit trail in respect of such software has been recorded and preserved in full compliance with the requirements of section 128(5) of the Companies Act, 2013, in respect of the financial year ended March 31, 2025. Further, in respect of the financial years ended March 31, 2024, in the absence of SOC report for the period from April 1, 2023 to December 31, 2023, we are unable to assess whether the audit trail has been preserved as per the statutory requirements for record retention.

**"Annexure A" to the Auditor's Report of even date to the members of Rochelle Builders & Constructions Private Limited, on the Ind AS financial statements for the year ended on March 31, 2025.**

Based on the audit procedures performed for the purpose of expressing an opinion on the true and fair view of the Ind AS financial statements of the company and considering the information and explanations given to us and books of accounts and other records provided to us during the normal course of audit, we hereby report that:-

- i) In respect of Company's Property, Plant and Equipment and Intangible Assets:
  - a) Since the Company does not have any Property, Plant and Equipment and Intangible Assets, hence reporting under clause 3(i) (a) (A) and (B) of the order is not applicable to the company.
  - b) Since the Company does not have any Property, Plant and Equipment, reporting under clause 3 (i) (b) of the order is not applicable to the company.
  - c) Since there is no immovable property in the company, hence reporting under clause 3 (i) (c) of the order is not applicable to the company.
  - d) Since the Company does not have any Property, Plant and Equipment (including rights of Use Assets) or both, reporting under clause 3 (i) (d) of the order is not applicable to the Company.
  - e) According to information & explanations and representations given to us by the management, no proceedings has been initiated or are pending against the company for holding any benami property under Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- ii)
  - (a) In our opinion and according to the information & explanation given to us, the inventory has been physical verified by the management at the reasonable interval during the year. In our opinion the procedures of physical verification of Inventories followed by management are reasonable and adequate in relation to the size of the Company and nature of its business. No discrepancies of 10% or more in aggregate for each class of inventory has been noticed.
  - (b) According to the information & explanation given to us, the Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- iii) According to the information & explanation given to us, the Company during the year has not made investments, provided any security or guarantee or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms and limited liability partnerships or other parties covered. Accordingly, the reporting under clause 3 (iii) (a) to (f) of the order are not applicable to the Company.
- iv) In our opinion and according to the information and explanations given to us, the company has not granted any loans nor made any investments as defined in the section 185 and section 186 of the Companies Act, 2013. Accordingly, reporting under clause 3(iv) of the order is not applicable to the company.
- v) According to the information & explanation given to us, Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi) Maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

vii) In respect of statutory dues,

a) According to the records of the company, the company is generally regular in depositing undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of income tax, goods and service tax, wealth tax, service tax, sales tax, customs duty, excise duty, value added tax and cess were outstanding, as at March 31, 2025 for a period of more than six months from the date they became payable.

b) According to the records and the information and the explanation given to us, the company does not have any disputed dues as on March 31, 2025 in respect of goods and services tax, provident fund, employee's state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues.

viii) According to the information & explanation given to us, there were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, the requirement to report on clause 3(viii) of the order is not applicable to the company.

ix)

a) According to the information & explanation given to us, the Company has not taken any loans or other borrowings from any Bank or Financial institution or any government authority. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

b) According to the information & explanation given to us, the Company has not been declared willful defaulter by any bank or financial institution or any government authority.

c) According to the information & explanation given to us, the Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

d) According to the information & explanation given to us, the company has not raised funds during the year. Hence, reporting under clause 3 (ix)(d) of the order is not applicable.

e) The company does not have any associate, joint venture or subsidiary company. Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.

f) The company does not have any associate, joint venture or subsidiary company. Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.

x)

a) According to the information & explanation given to us, the company has not raised money by way of initial public offer or further public offer (including debt instruments). Accordingly, the provision of clause 3(x)(a) of the order is not applicable.

b) Company has not made any preferential allotment or private placement of share or convertible debentures. Accordingly, the provision of clause 3(x)(b) of the order is not applicable.

xi)

(a) To the best of our knowledge and According to the information & explanation given to us, no fraud by the Company or any fraud on the Company has been noticed or reported during the year.

- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditors/secretarial auditor or by us in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rule, 2014 with the Central Government.
- (c) According to the information & explanation given to us, no whistle blower complaints has been received during the year by company.
- xii) In our opinion and according to the information & explanation given to us, the company is not a Nidhi company. Hence the provision of clause 3(xii) (a) to (c) of the order is not applicable to the company.
- xiii) According to the information & explanations given to us, all transactions defined under Section 188 of the Act are in compliance with Section 188 and details of these transactions are properly disclosed in the Financial Statements. Further, Section 177 of the Act is not applicable to the Company and accordingly the requirement to report under Clause 3(xiii) of the order insofar it relates to Section 177 of the Act is not applicable to the Company.
- xiv) According to the information & explanations given to us, the company does not have an internal audit systems and is not required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013. Therefore, the requirement to report under clauses 3(xiv)(a) and 3(xiv)(b) of the Order is not applicable to the Company.
- xv) In our opinion the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors as referred under provisions of section 192 of the Companies Act, 2013.
- xvi)
  - a) In our opinion and according to the information & explanation given to us, the company is not required to be registered under section 45-IA of the Reserves Bank of India Act, 1934. Accordingly, the provision of clause 3(xvi) (a) of the order is not applicable to the company.
  - b) The Company is not engaged in any Non-Banking Financials or Housing Finance activities. Accordingly, the requirement to report on clause 3(xvi)(b) is not applicable to the Company.
  - c) The Company is not a Core Investment Company as defined in regulations made by Reserve Bank of India. Accordingly, the requirement to report in clause 3(xvi)(c) is not applicable to the Company.
  - d) The Group has only one Core Investment Company as part of the Group. Hence the requirement to report on clause 3(xvi)(d) of the order is not applicable to the company
- xvii) The Company has incurred cash losses during the current financial year and in the immediately preceding financial year of Rs.3.67 lakhs and Rs.4.45 lakhs respectively.
- xviii) There has been no resignation of the statutory auditors of the Company during the year.
- xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities

falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- xx) According to the information & explanations given to us, company is not required to make any expenditure under corporate social responsibility under provision of section 135 of the Act. Accordingly, the provision of clause 3(xx) (a) & (b) of the order is not applicable to the company.
- xxi) This clause of the order is applicable to consolidated financial statements. The audit report under reference is on the standalone financial statements of the company. Consequently, clause (xxi) of paragraph of the order is not applicable to the company.

## **“Annexure – B” to the Auditors’ Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the Ind AS financial statements of the Company as of and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of **Rochelle Builders & Constructions Private Limited**

#### **Management’s Responsibility for Internal Financial Controls**

The Respective Board of Directors of the company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or

timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**C. OTHER EQUITY**

Particulars	Reserves & Surplus	Equity Component of compulsorily convertible debentures	(₹ in Lakhs)
			Total equity
Balance at the beginning of the reporting year 01.04.2024	(165.07)	677.00	511.93
Total Comprehensive Income for the year	(3.67)	-	(3.67)
Balance at the end of the reporting year 31.03.2025	(168.74)	677.00	508.26
Balance at the beginning of the reporting year 01.04.2023	(160.27)	677.00	516.73
Total Comprehensive Income for the year	(4.80)	-	(4.80)
Balance at the end of the reporting year ended 31.03.2024	(165.07)	677.00	511.93

**Nature and purpose of reserve**

**(i) Other comprehensive income (OCI) reserve**

The company has elected to recognise changes in fair value of certain investments in equity securities in the comprehensive income. These changes are accumulated within the FVOCI equity investments reserve within equity. The company will transfer amount from this reserve to retain earnings when the relevant equity securities will be derecognised.

**(ii) Equity Component of Compound Financial Instrument**

The Company had issued 67,70,000 - 0.01% Unsecured Compulsorily Convertible Debentures (CCDs) of face value Rs. 10 each at par aggregating to Rs. 677 lakhs to its existing shareholders on rights basis. Each CCDs is compulsorily convertible, at the option of CCD Holders, into one number of Equity Shares in one or more tranches within a period of ten years from the date of allotment (i.e. 29-Jun-20) of the CCDs but not later than the expiry of ten years. This being Compound financial instruments and accordingly represents equity component of CCDs on split of Compound financial Instruments.

**(iii) Retained Earnings**

Represents surplus in statement of Profit and Loss

The accompanying notes form an integral part of the financial statements.

Based on our report of even date attached.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

### 1. Corporate information

Rochelle Builders & Constructions Private Limited ('the Company') is a private limited company domiciled in India and was incorporated on 10th March 2006 under the provisions of the Companies Act applicable in India. The registered office of the Company is situated at Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram 122002, Haryana. The Company is engaged in the business of real estate development.

### 2. Summary of material accounting policies

#### a) Basis of preparation of financial statement

The financial statements have been prepared on going concern basis in accordance with the accounting principles generally accepted in India. Further, the financial statements have been prepared on historical cost basis. These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by the Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of schedule III to the Companies Act, 2013 (Ind AS Compliant Schedule III), as applicable to the standalone financial statements and other relevant provisions of the Act. The Company has uniformly applied the accounting policies for the periods presented. The changes in accounting policies are explained in Note 2 (q).

The financial statements are presented in Rupees and all values are rounded to the nearest lakh, except when otherwise indicated.

The financial statements for the year ended 31 March 2025 were authorized and approved for issue by the Board of Directors on 24.04.2025.

#### b) Use of estimates

The preparation of financial statements in conformity with IND AS requires management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities on the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's knowledge of current events and actions, actual results could differ from those estimates and revisions, if any, are recognised in the current and future periods.

#### c) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

✓

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

### d) Business Combinations under Common Control

Business combinations involving entities or business under common control have been accounted for using the pooling of interest method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognise any new assets or liabilities.

### e) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

#### Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term as follows:

Asset category	Lease term
Land	28-36 years
Buildings	3-16 years
Assets taken on lease for golf operations	6 years

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies on impairment of non-financial assets.

### Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

### Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

### Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Fit-out rental income is recognised in the statement of profit and loss on accrual basis.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

### f) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### 1) Financial Assets

##### *Initial recognition and measurement*

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI) and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a material financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, net of transaction costs. Trade receivables that do not contain a material financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section 2.2 (j) Revenue Recognition.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets or both.

##### *Subsequent measurement*

i. **Financial assets carried at amortised cost** – a financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

✓

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## **Summary to the material accounting policies for the year ended 31 March 2025**

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

### **ii. Investments in equity instruments of subsidiaries, joint ventures and associates –**

Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 *Separate Financial Statements*.

### **iii. Investments in other equity instruments –**

Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL). Amounts presented in other comprehensive income are not subsequently transferred to profit or loss. However, the Company transfers the cumulative gain or loss within equity. Dividends on such investments are recognised in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment.

### **iv. Investments in mutual funds –**

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

Fair value changes on instruments measured at FVTPL is recognised in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVTOCI. Fair value changes on instruments measured at FVTOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss.

### ***De-recognition of financial assets***

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's standalone balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

### *Impairment of financial assets*

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

#### *(i) Trade receivables*

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

#### *(ii) Other financial assets*

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased materially since initial recognition. If the credit risk has not increased materially since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of material increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased materially since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

## 2) Non-derivative financial liabilities

### *Initial recognition and measurement*

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, security deposits, loans and borrowings and other financial liabilities including bank overdrafts and financial guarantee contracts.

*V*

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

### ***Subsequent measurement***

Subsequent to initial recognition, the measurement of financial liabilities depends on their classification, as described below:

#### ***Loans and borrowings***

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

#### ***Financial guarantee contracts***

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortization.

#### ***De-recognition of financial liabilities***

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### **3) Reclassification of financial instruments**

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external or internal changes which are material to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is material to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

V

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

### 4) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### g) Fair value measurement

The Company measures financial instruments such as derivative instruments etc at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is material to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is material to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is material to the fair value measurement is unobservable

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is material to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of material assets, such as properties and unquoted financial assets, and material liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the management. Valuers are selected based on market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

## Summary to the material accounting policies for the year ended 31 March 2025

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, material estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Investment in unquoted equity shares
- Investment properties
- Financial instruments (including those carried at amortised cost)

### **h) Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the impairment loss, including impairment on inventories is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

ded companies or other available fair value indicators.

The Company bases its impairment calculation on detailed budgets and forecast calculation. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long - term growth rate is calculated and applied to project future cash flows after the fifth year.

If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

### **Compulsorily convertible debentures**

Compulsory convertible debentures issued by the company are accounted as Equity investment carried at Cost based on the terms of the contract. These instruments are convertible into fixed number of equity shares within the term stipulated in contract at the option of holder. Amount is fixed at upfront and conversion will be into fixed number of shares.

## Summary to the material accounting policies for the year ended 31 March 2025

### i) Convertible instruments

Convertible instruments are separated into liability and equity components based on the terms of the contract. On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible instruments based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

### j) Revenue recognition

Revenue is recognized on accrual basis to the extent that it is probable that the economic benefits will flow to the Company and the revenue and cost applicable if any can be measured reliably.

### k) Inventories

Inventory is valued at lower of cost or net realizable value as per IND AS 2. Cost includes land acquisition cost including stamp duty on conveyance deed/ exchange deed etc., borrowing cost if incentivisation criteria are met, estimated internal development costs and external development charges and other directly attributable costs. Inventory is physically verified at least once in a year.

### l) Borrowing

Borrowing costs directly attributable to the acquisition and/or construction/production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### m) Taxes

#### *Current income tax*

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside statement of profit and loss is recognized outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

In the situations where one or more units/undertaking in the Company are entitled to a tax holiday under the Income-tax Act, 1961, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned entity's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Company restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

### **Deferred tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

### **Sales tax/ value added taxes/ GST paid on acquisition of assets or on incurring expenses**

Expenses and assets are recognised net of the amount of sales tax/ value added taxes/Goods and services tax paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

### **n) Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### **o) Cash and cash equivalents**

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of unrestricted cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

### **p) Provisions, contingent liabilities and contingent assets**

Provisions are recognized when the Company has a present (legal or constructive) obligation as a result of past events, for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions required to settle are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the

## **Summary to the material accounting policies for the year ended 31 March 2025**

obligation. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed unless the likelihood of an outflow of resources is remote and there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources.

### **q) Changes in accounting policies and disclosures**

#### **New and amended standards**

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2024, but do not have a material impact on the financial statements of the Company.

*Ind AS 116: Leases* – The MCA notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amended Ind AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback. The amendment specifies the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains. The amendment is effective for annual reporting periods beginning on or after 1 April 2024 and must be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of Ind AS 116.

#### **New and amended standards, not yet effective**

There are no standards that are notified and not yet effective as on the date.

#### **Significant management judgement in applying accounting policies and estimation uncertainty**

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the related disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

#### **Significant management judgements**

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the standalone financial statements.

*Recognition of deferred tax assets* – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

*Evaluation of indicators for impairment of assets* – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

*Classification of leases* – The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

*Determining the lease term of contracts with renewal and termination options* (Company as lessee)- The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised. The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g. construction of significant leasehold improvements or significant customisation to the leased asset).

*Impairment of financial assets* – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

*Provisions* – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

*Revenue from contracts with customers*- The Company has applied judgements that significantly affect the determination of the amount and timing of revenue from contracts with customers.

### Significant estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

*Net realizable value of inventory* –The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost. The Company also involves specialist to perform valuations of inventories, wherever required.

*Useful lives of depreciable/amortisable assets* – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets.

# ROCHELLE BUILDERS & CONSTRUCTIONS PRIVATE LIMITED.

CIN – U45201HR2006PTC094002

Reg. office : Mezzanine Floor DLF Gateway Tower, R Block, DLF City Phase-III, Gurugram, Haryana, India, 122002

## Summary to the material accounting policies for the year ended 31 March 2025

Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

*Valuation of investment property* – Investment property is stated at cost. However, as per Ind AS 40 ‘Investment Property’ there is a requirement to disclose fair value as at the balance sheet date. The Company engaged independent valuation specialists to determine the fair value of its investment property as at reporting date. The determination of the fair value of investment properties requires the use of estimates such as future cash flows from the assets (such as lettings, future revenue streams, capital values of fixtures and fittings, any environmental matters and the overall repair and condition of the property) and discount rates applicable to those assets. In addition, development risks (such as construction and letting risk) are also taken into consideration when determining the fair value of the properties under construction. These estimates are based on local market conditions existing at the balance sheet date.

*Fair value measurement disclosures* – Management applies valuation techniques (including but not limited to the use of illiquidity discount on investments) to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

*Valuation of investment in subsidiaries, joint ventures and associates* – Investments in subsidiaries, joint ventures and associates are carried at cost. At each balance sheet date, the management assesses the indicators of impairment of such investments. This requires assessment of several external and internal factor including capitalisation rate, key assumption used in discounted cash flow models (such as revenue growth, unit price and discount rates) or sales comparison method which may affect the carrying value of investments in subsidiaries, joint ventures and associates.

@ Capital employed has been considered as 'Total equity'

\$ Working capital = Total current assets less Total current liabilities

**19 Financial risk management**

**i) Fair values hierarchy**

Financial assets and financial liabilities are measured at fair value in the financial statements and are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

**Level 1:** quoted prices (unadjusted) in active markets for financial instruments.

**Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

**Level 3:** unobservable inputs for the asset or liability.

**ii) Financial instruments measured at fair value-recurring fair value measurements- Nil**

**iii) Financial instruments measured at amortised cost**

Particulars	Level	31 March 2025		31 March 2024		(Rs. in Lakhs)
		Amortised cost	Fair Value	Amortised cost	Fair Value	
<b>Financial assets</b>						
Security Deposit	Level 3	0.45	0.45	0.45	0.45	
Cash and cash equivalents	Level 3	4.52	4.52	1.34	1.34	
<b>Total</b>		<b>4.97</b>	<b>4.97</b>	<b>1.79</b>	<b>1.79</b>	
<b>Financial liabilities</b>						
Borrowings (Current) (including Interest accrued)	Level 3	31.39	31.39	23.58	23.58	
Trade payables	Level 3	0.41	0.41	1.40	1.40	
Other financial liabilities	Level 3	1,912.29	1,912.29	1,912.29	1,912.29	
<b>Total</b>		<b>1,944.09</b>	<b>1,944.09</b>	<b>1,937.27</b>	<b>1,937.27</b>

**v) Risk Management**

The Company's activities expose it to liquidity risk and credit risk. The Company's board of directors have the overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

**(A) Credit risk**

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

**a) Credit risk management**

**i) Credit risk rating**

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans and trade receivables - considered good	12 month expected credit loss
High credit risk	Unsecured trade receivables - considered doubtful	Life time expected credit loss or fully provided for

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments. Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy, advance not recoverable or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

**Assets under credit risk -**

Credit rating	Particulars	(Rs. in Lakhs)	
		31 March 2025	31 March 2024
A: Low credit risk	Cash and cash equivalents, loans, Trade Receivable and other financial assets	4.97	1.79

*ii) Concentration of financial assets*

The Company is primarily engaged in the business of colonization and real estate.

**b) Credit risk exposure**

**Provision for expected credit losses**

The Company provides for 12 month expected credit losses for following financial assets -

**As at 31 March 2025**

Particulars	Estimated gross	Expected credit	(Rs. in Lakhs)
			Carrying amount net of impairment provision
Cash and cash equivalents	4.52	-	4.52

**As at 31 March 2024**

Particulars	Estimated gross	Expected credit	(Rs. in Lakhs)
			Carrying amount net of impairment provision
Cash and cash equivalents	1.34	-	1.34

**(B) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

**Maturities of financial liabilities**

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities.

31 March 2025	Less than 1 year	1-5 year	More than 5 years	(Rs. in Lakhs)
				Total
Non-derivatives				
Borrowings (Current) (including Interest accrued)	31.39	-	-	31.39
Trade payables	0.41	-	-	0.41
Other financial liabilities	1,912.29	-	-	1,912.29
<b>Total</b>	<b>1,944.09</b>	<b>-</b>	<b>-</b>	<b>1,944.09</b>

31 March 2024	Less than 1 year	1-5 year	More than 5 years	(Rs. in Lakhs)
				Total
Non-derivatives				
Borrowings (Current) (including Interest accrued)	23.58	-	-	23.58
Trade payables	1.40	-	-	1.40
Other financial liabilities	1,912.29	-	-	1,912.29
<b>Total</b>	<b>1,937.27</b>	<b>-</b>	<b>-</b>	<b>1,937.27</b>

**(C) Market risk**

**a) Interest rate risk**

**i) Liabilities**

The Company's security deposits and loans are carried at fixed rate. Therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

**ii) Assets**

The company's fixed deposits are carried at fixed rate. Therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.
