CHAIRMAN'S MESSAGE

Dear Shareholders,

I begin by extending my deepest gratitude to our Armed Forces, the unsung heroes who tirelessly ensure our nation's peace and safety. Their unwavering courage and dedication provide the foundation for our progress and we honour their sacrifices.

The year 2025 began optimistically, with forecasts of stable global growth. Under the leadership of Hon'ble Prime Minister Shri Narendra Modi ji, India stands out as an outlier amid uncertainty, serving as a beacon of economic growth globally. The country's long-term prospects are bolstered by its growing demographic and economic fundamentals, coupled with ongoing structural reforms.

In financial year 2024-25, both our Residential and Rental businesses experienced robust growth, driven by exceptional performance and timely execution. Our new residential projects, The Dahlias and Privana, received an enthusiastic response. There was a significant uptick in new sales bookings and we achieved record sales collections. We have a strong launch pipeline to meet the aspirational needs of the market; we remain on track to deliver on our outlined goals.

The Rental business comprising of Offices, Retail and Hospitality continues to grow steadily. We continue to invest in capex for our new build-outs in Gurugram, Chennai, Delhi and Goa. I am pleased to share that new buildings in Phase I of Downtown Gurugram and Chennai are completed. Additionally, three retail properties are set to open to the public in the near future.

As we pursue growth, we continue to remain guided by our core values of good corporate governance, transparency, compliances, safety, quality and customer satisfaction. Your Company is steadfast in its commitment to inclusive growth, by cultivating trust, empathy and a culture of continuous learning. We have strengthened all teams and built the resilience needed for sustained growth. Our aim is to create long-term, sustainable value for all stakeholders.

Through DLF Foundation, we remain dedicated to transforming the communities in which we operate. Our CSR initiatives focus on education, sustainability, healthcare and animal welfare, create meaningful impact through job creation, skill development and environmental stewardship, aligning with India's vision for inclusive growth.

I extend my heartfelt gratitude to my fellow board members for their support and invaluable guidance. I am most grateful to our customers, tenants, residents and employees for their unwavering trust and dedication, which has established DLF Group as a trusted brand and a symbol of excellence in the real estate sector.

Our vision is to create a future where all our stakeholders can progress with us as we collectively work towards the goal of 'Viksit Bharat' by 2047.

With best wishes,
Sincerely,

Rajiv Singh
Chairman

Financial Performance Review and Analysis

The Company delivered a strong financial performance during the period. Consolidated revenue (including other income) grew to ₹ 8,996 crore, delivering a 29% growth, as compared to the previous year. The increase in the revenue is attributable to the completion of a few large projects and higher other income on account of higher interest income earned from the cash balances in designated RERA accounts. Total operating expenses (excluding finance costs, depreciation and amortisation expenses) were ₹ 5,885 crore. Consolidated EBITDA continued to improve and increased to ₹ 3,111 crore, reflecting a strong growth of 17%, as compared to the previous year.

Total comprehensive income (including one-time impact of exceptional items) witnessed a robust Y-o-Y growth of 60% and stood at ₹ 4,356 crore during the year.

DLF Cyber City Developers Limited

DLF Cyber City Developers Limited (DCCDL) reported a consolidated total income of ₹ 6,448 crore, reflecting 9% growth over the previous period, primarily led by the rental growth in the office and retail portfolio. DCCDL's consolidated EBITDA stood at ₹ 4,949 crore in FY 2024-25 in comparison to ₹ 4,478 crore in FY 2023-24, reflecting an 11% growth over the previous period. Total comprehensive income (including one-time impact of exceptional items on account of sale of Kolkata IT Park) stood at ₹ 2,461 crore, reflecting 46% growth over the last year.

Review of Business

Development Business

The development business continued to exhibit a strong performance. Quality products offering best-in-class communities by DLF, saw encouraging demand leading to record performance in new sales bookings during the fiscal. The total new sales bookings for the fiscal stood at ₹ 21,223 crore.

DLF's latest super luxury offering - The Dahlias in DLF 5, Gurugram, saw an encouraging response from its customers, garnering new sales bookings of ₹ 13,744 crore.

Following the success of DLF Privana's inaugural phase - DLF Privana South, DLF's next phase of this offering - DLF Privana West in Sector 76/ 77, Gurugram, received a remarkable response from its customers, achieving a complete sellout, garnering a total sales value of ₹ 5,600 crore within just few days of launch.

Rental Business

The rental business continues to demonstrate steady growth and continues to operate at a high occupancy level of 94%.

The retail business continued its growth trajectory by delivering 10% growth as compared to the previous year. All the retail malls continue to operate at high occupancy levels and deliver healthy growth. Outlook towards this segment remains positive and hence expansion plans in this segment remain on track.

The Company also anticipates continued momentum across the retail business and expects to commence the operations of three new retail destinations across the micro-markets in Gurugram, Delhi and Goa in FY 2025-26.

The Company has identified a pipeline of new products, totaling ~2.60 million square meters (msm) [~28 million square feet (msf)] across the office and retail complexes that it intends to build over the medium term, delivering healthy growth across the annuity business. The Company expects its rental revenue to surpass ₹ 10,000 crore by the end of the medium term.

Environment and Sustainability

DLF endeavours to excel in three pillars of sustainability, namely Environmental, Social and Governance, collectively referred to as ESG parameters.

The Company has integrated sustainability into its core business operations, across its residential and commercial portfolio, ensuring a safe and sustainable ecosystem for all its stakeholders. Our entire existing Offices and Retail portfolio holds LEED Platinum Certification, reflecting our commitment to sustainability. We continuously strive to develop new products on similar sustainable principles.

DLF's rental portfolio has been granted Green Star and 4 Star Rating, in both Development and Standing Investment category in the latest ESG Scores announced by the Global Real Estate Sustainability Benchmark (GRESB). Further, U.S. Green Building Council (USGBC) recognizes DLF's rental business as global partner in leading the transformation and regeneration of the built environment across India and throughout the world.

Pursuant to the provisions of Regulation 34 of the SEBI Listing Regulations, your Company has prepared its Business Responsibility and Sustainability Report (BRSR), as part of its Annual Report, incorporating the 9 (nine) reportable principles of 'National Guidelines on Responsible Business Conduct'. Your Company engaged PricewaterhouseCoopers Services LLP for preparation of the BRSR for FY 2024-25.

Further, pursuant to the SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11 November 2024 read with SEBI Circular dated 28 March 2025, your Company had appointed SGS India Private Limited, an independent assurance provider to provide reasonable assurance for BRSR Core indicators consisting of Key Performance Indicators under the ESG attributes. The Company's Business Responsibility and Sustainability Policy is available at <https://www.dlf.in/pdf/DLF-Business-Responsibility-Policy.pdf> and the BRSR for FY 2024-25 including the reasonable assurance report is annexed at **Annexure-G** of this Report.

Care for the environment is a core focus area as the Company continues to contribute to shaping a better future, which is safe, inclusive and sustainable. Furthermore, the Company has designed business processes that incorporate social well-being in everything that it does. It is adopting innovative means to promote resource efficiency, emission reduction, water conservation, waste minimisation and biodiversity protection. It also positively engages with the communities surrounding its operations, helping to enrich their lives through CSR programmes and employment opportunities.

The Company is deeply committed to the health, well-being and prosperity of its customers, partners, employees and all other stakeholders. It is continuously innovating to create safer workplaces and intelligent

energy-efficient infrastructure. This is necessary to promote smarter cities and sustainable communities across India as also, achieve long-term value for all its stakeholders.

While the Company focuses on expanding its footprint and increasing its revenue, it also continues to assess and monitor the risks and opportunities. This includes assessing the emerging trends and addressing environmental and social issues as it moves forward. Therefore, the approach to sustainability includes monitoring growth in alignment with its targets and commitments towards ESG.

The Company's efforts towards the environment and society are backed by robust governance that supports its values of integrity, accountability and transparency. DLF takes pride in the fact that it has striven to exceed legal compliance requirements and ensured that policies and procedures supporting responsible business practices are implemented in their true spirit.

The Company has maintained rigorous safety standards, vetted by world-class independent organisations like British Safety Council, U.K. The testimony to this is that DLF is the only Group globally, which has been conferred with 21 'Sword of Honour' Awards by them, a pinnacle of safety standards across the world. Awards and Accolades

Your Company continues to lead the real estate sector and has received several awards. The details of the major awards and accolades received during the year are at **Annexure-F**.

Particulars of Loans, Guarantees, Securities and Investments

Particulars of loans, guarantees, securities and investments have been disclosed in the notes to the Standalone Financial Statements.

Transactions with Related Parties

The Company has robust processes and procedures for identification and monitoring related party(ies) and related party transactions.

The Company's policy on Related Party Transactions is in accordance with the requirements of the Act

and SEBI Listing Regulations, which regulates the transactions between the Company and its related party(ies). The said policy is available on the Company's website at <https://www.dlf.in/pdf/dlf-limited-related-party-transactions-policy.pdf>. The policy intends to ensure that proper reporting, approval and disclosure processes are in place for all related party transactions.

During the financial year, all the related party transactions were entered on an arm's length basis and in the ordinary course of business. No Material Related Party Transactions were entered during the financial year by the Company. Accordingly, the disclosure of related party transactions, as required under Section 134(3)(h) of the Act in Form AOC-2 is not applicable to the Company for FY 2024-25 and hence, does not form part of this Report.

Nomination and Remuneration Policy

The Nomination and Remuneration Policy of the Company was devised in accordance with Section 178 of the Act read with SEBI Listing Regulations.

The Nomination and Remuneration Policy includes matters related to the Director's appointment and remuneration including the criteria for determining qualifications, positive attributes, independence of a Director and other related matters. The Nomination and Remuneration Policy is aimed at inculcating a performance-driven culture. Through its comprehensive compensation program, the Company endeavours to attract, retain, develop and motivate a high-performance workforce. The said Policy is available on the Company's website at <https://www.dlf.in/pdf/NominationandRemunerationPolicy.pdf>.

The Company pays remuneration to its Executive Directors by way of salary, benefits, perquisites and allowances (fixed component) and commission (variable component). Annual increments are approved by the Board of Directors, based on the recommendation of the Nomination and Remuneration Committee (NRC).

Based on the recommendation of the NRC, the Board of Directors decides the commission payable to the Executive Directors and Non-executive Directors, out of the profits of the Company for the financial year within the ceiling as prescribed under the Act.

Succession Planning

The Board members and the Senior Management Personnel are vital for creating a robust future for the Company. The Company's succession planning framework is well structured and lays down guiding principles for forward-thinking and a future-ready Board. The NRC plays an important role in ensuring that the Company has a strong and diversified Board. To ensure orderly succession planning, the NRC also considers tenure of Directors and the Senior

Management Personnel, skill matrix, diversity and statutory requirements etc.

Annual Evaluation of the Board, its Committees and Individual Directors

The NRC has formulated criteria for evaluation of the Board, its Committees' functioning and individual Directors including Independent Directors and also specified that such evaluation will be undertaken by the NRC and the Board, pursuant to the Act and Rules made thereunder read with the SEBI Listing Regulations.

DLF believes that it is the collective effectiveness of the Board that impacts Company's performance, as a whole. The Board's performance is assessed against the roles and responsibilities as provided in the Act and SEBI Listing Regulations. The parameters for the Board's performance evaluation have been derived from the Board's core role of trusteeship to protect shareholders' interest and enhance their value as well as to fulfil expectations of other stakeholders through strategic supervision of the Company.

Evaluation of functioning of Board Committees is based on the discussions amongst Committee members and shared by the respective Committee Chairperson with the Board.

Individual Directors are evaluated in the context of the role played by each Director as a member of the Board at its meetings, in assisting the Board in realising its role in strategic supervision of the functioning of the Company in pursuit of its purpose and goals. While the Board evaluated its performance as per the parameters laid down by the NRC, the evaluation of Individual Directors was carried out as per the laid down parameters, anonymously in order to ensure objectivity. The Independent Directors of the Board also reviewed the performance of the Non-independent Directors and the Board, pursuant to Schedule IV of the Act and Regulation 25 of the SEBI Listing Regulations.

Internal Financial Controls

The Company has a robust and well-embedded system of internal financial controls. This ensures that all assets are safeguarded and protected against loss from any unauthorised use or disposition and all transactions are authorised, recorded and reported correctly. An extensive risk-based programme of internal audit and management reviews provides assurance on the effectiveness of internal financial controls, which are continuously monitored through management reviews, self-assessment, functional experts and also by the Statutory/ Internal Auditors during the course of their audits.

The internal audit was entrusted to PricewaterhouseCoopers Services LLP. The main thrust of internal audit was to test and review controls, carry out appraisal of risks and business processes and also benchmarking controls with the best industry practices.

The internal control system ensures compliance with all applicable laws and regulations and facilitates optimum utilisation of available resources and protects the interests of all stakeholders. The Company has clearly defined Policies, Standard Operating Procedures (SOPs), Financial and Operational Delegation of Authority and organisational structure for its business functions to ensure smooth conduct of its business. The Enterprise Resource Planning (ERP) system supports standardisation of the processes and automation. The Compliance initiatives taken by the Company have been reported in the Corporate Governance Report, which forms part of the Annual Report.

The internal audit plan is also aligned to the business objectives of the Company, which is reviewed and approved by the Audit Committee. Further, the Audit Committee monitors the adequacy and effectiveness of your Company's internal control framework. Significant audit observations are followed-up and the actions taken are reported to the Audit Committee.

The internal control system is commensurate with the nature, size and complexities of operations of your Company.

Insider Trading Code

The 'DLF Code of Conduct to Regulate, Monitor and Report trading by Designated Persons and their Immediate Relatives' ('DLF Code') is in compliance with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended ('SEBI PIT Regulations'). DLF Code is available on the Company's website at <https://www.dlf.in/corporate-governance-policies/DLF-Code-of-Conduct-PIT.pdf>.

The Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information including a policy for determination of legitimate purposes is also in line with the SEBI PIT Regulations. Further, the Company has put in place an adequate and effective system of internal controls including maintenance of a Structured Digital Database and SOPs to ensure compliance with the requirements of the SEBI PIT Regulations to prevent insider trading.

Risk Management

The Board of Directors of the Company has formed a Risk Management Committee to frame, implement and monitor the Risk Management Plan for the Company. The Committee is responsible for monitoring and reviewing the Risk Management Plan and ensuring its effectiveness. The major business and process risks are identified from time to time by the business and functional heads. The Audit Committee has additional oversight in the area of financial risks and controls. The major risks identified by the business and functional heads are systematically addressed through mitigating actions on a continuing basis.

Risk management forms an integral part of the management policies and is an ongoing process, integrated deeply into everyday operations.

The development and implementation of the Risk Management Policy has been covered in the Management Discussion and Analysis Report, which forms part of the Annual Report.

Significant and Material Orders passed by Regulators or Courts or Tribunals

During the financial year, no significant and material order was passed by the regulators/ courts/ tribunals which would impact the going concern status of the Company and its future operations. However, some significant orders passed previously, form part of Note 50 to the Standalone Financial Statements.

Details pertaining to proceeding pending under the Insolvency and Bankruptcy Code, 2016 ('IBC') during the year along with the status as at the end of the financial year are as under:

A petition under Section 9 of the IBC was filed by IL&FS Engineering and Construction Company Limited ('IL&FS') praying that the Corporate Debtor is liable to pay ~₹ 46.34 crore in connection with a road project contract at Sector 56, Gurugram. The Company has filed its reply, inter-alia stating that the said amount is not payable and hence, the petition is liable to be dismissed. The Company without prejudice to its rights, submitted its claims of ₹ 381.49 crore against IL&FS as on 15 October 2018 ('cut-off date') to Claims Management Advisor ('CMA') i.e. Grant Thornton Bharat LLP, out of the total claims of ~₹ 607.04 crore.

With respect to claims after 15 October 2018, the Company has also filed an application under Section 11 of the Arbitration and Conciliation Act, 1996 before the Hon'ble Delhi High Court, praying to appoint a sole arbitrator to adjudicate the disputes between the parties. The same was dismissed by the Hon'ble Delhi High Court vide order dated 21 December 2022 and observed that CMA, shall consider the claims already submitted by the petitioner, in accordance with law.

The Company has filed Special Leave Petition before the Hon'ble Supreme Court of India, challenging the order dated 21 December 2022. The Hon'ble Supreme Court of India vide order dated 8 December 2023 issued Notice to IL&FS. The matter is to be listed in due course.

Vigil Mechanism/ Whistle Blower Policy

The Company has established the necessary vigil mechanism for Directors and employees in compliance with Section 177(9) of the Act read with Regulation 22 of the SEBI Listing Regulations, to report their genuine concerns or grievances regarding any unethical behaviour at the workplace. The Company's Whistle Blower Policy is available on the website of the Company at <https://www.dlf.in/pdf/DLFWBP.pdf>.

Board’s Report

During the year, one of the subsidiary companies received a complaint under the Whistle Blower Mechanism, which was duly investigated and appropriate action(s) were taken and the complaint stands closed.

Policy for Prevention, Prohibition and Redressal of Sexual Harassment of Women at Workplace

The Company continues to follow a robust anti-sexual harassment policy on ‘Prevention, Prohibition and Redressal of Sexual Harassment of Women at Workplace’ (‘POSH’) in accordance with The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 and Rules made thereunder. The Company has set-up an Internal Complaints Committee for redressal of complaints relating to sexual harassment.

The Committee includes senior officials from the Company, an independent member from an NGO and a legal representative as external members. The Committee constituted in compliance with POSH, ensures a free and fair enquiry process with clear timelines for resolution.

The Company regularly conducts POSH awareness programmes, using diverse training methodologies including e-learning, in-person and virtual sessions. It also celebrates key occasions dedicated to women and organizes empowerment workshops through ‘Empower Her’ series.

All employees including those of subsidiaries (permanent, contractual and trainees) are covered under this policy. The policy is gender neutral.

During the financial year, neither any complaint was reported, nor any complaint was pending for disposal.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

DLF aims to develop an ecosystem that promotes growth and sustainability. The approach to CSR is deeply rooted in its commitment to create empowered communities. Recognising that businesses thrive when communities prosper, the Company continues to drive meaningful impact through strategic and inclusive interventions.

DLF strives to create positive social impact through education, healthcare, environmental sustainability, sports promotion and social welfare interventions. Our social and environmental initiatives are primarily executed through DLF Foundation, DLF Q.E.C. Educational Charitable Trust and DLF Q.E.C. Medical Charitable Trust, among others. By collaborating with the Government agencies, civil society organisations, development sector experts and local communities, the Company ensures that its initiatives are impactful and aligned with the national priorities and the UN Sustainable Development Goals.

DLF continues to evolve its CSR strategies in response to environmental and societal challenges. The CSR policy is available on our website at <https://www.dlf.in/pdf/Corporate-Social-Responsibility-Policy.pdf>. The CSR Annual Action Plan for FY 2024-25 is available at <https://www.dlf.in/pdf/CSR-Annual-Action-Plan.pdf>. The Annual Report on CSR activities, as per the format prescribed under the Companies (Corporate Social Responsibility Policy) Rules, 2014, as amended, forms part of the Annual Report.

ENVIRONMENT SUSTAINABILITY INITIATIVES

At DLF, environmental sustainability is a priority. Eco-friendly projects along with greening and plantation play a crucial role in developing green cities, improving air quality and enhancing climate resilience. Aligned with this commitment, the following programmes and projects were undertaken during the year.

a) Development of an eco-friendly Crematorium

Cremation facilities in India often lack comprehensive design, planning and engineering. In Gurugram, the need for a thoughtfully designed and sustainable crematorium has become evident considering the city's evolving urban landscape. To address this, DLF Foundation, in partnership with Haryana Shehri Vikas Pradhikaran (HSVP), is developing a well-designed eco-friendly crematorium, namely Shanti Sthaan on a 6.26-acre site in Sector 72A, Gurugram. Intended to set a new benchmark for cremation facilities in the country, the master plan of the crematorium has been thoughtfully designed to incorporate all services and facilities as per religious traditions. The crematorium is equipped with an eco-friendly mix of CNG and Mokshda pyres along with dedicated gathering

pavilion for each pyre, providing respect and privacy during last rites.

The architectural and engineering design integrates sustainable technologies within a serene environment. The crematorium, planned to minimise environmental impact, employs advanced systems for minimised smoke and eco-conscious waste processing. This ethos is further expressed through the selection of natural, earthy building materials and the incorporation of extensive landscaped green spaces.

The construction of Phase 1 is nearing completion. Phase 1 of the project includes the development of four CNG and two wood-based Mokshda pyres along with a dedicated children's burial ground. All common infrastructure and services for Phase 1 have been completed, including the development of pyres, navgraha vatika, waiting halls, parking, administrative block, preparatory pavilion as well as designated facility for ash collection and bathing. To enhance user convenience, the crematorium has been equipped with drinking water stations, wayfinding signages and other necessary amenities.

The CNG pyres use low-pollutant fuel, while the elevated wood-fired pyres require 50% less firewood than traditional open-air pyres. Both pyre types feature emission control systems that drastically reduce particulate matter and harmful gases. Effluents are also treated in a custom-designed treatment plant and the rainwater is harvested to recharge the water table, making Shanti Sthaan a benchmark project in environmentally sustainable civic amenity in India.

Shanti Sthaan's architecture intentionally prioritises landscape over edifice. The master plan is organised sectorally to maximise land efficiency, serviceability and scalability and successfully allocates ample space for plantations of robust native flora and ground cover, ensuring year-round greenery and low dust levels.

Just as it is committed to the diversity of Dharmic traditions, Shanti Sthaan's design is committed to universal accessibility. The entire facility is wheelchair accessible and all common areas and signages are designed to cater to the needs of individuals with disabilities and people of all ages.

Once completed, the crematorium will be handed over to the Government of Haryana in FY 2025-26 and will then be opened to the public.

b) Adoption of Public Green Belts

As part of its Greening and Environment Programme, DLF Foundation continues to drive much-needed large-scale

greening and plantation by adopting and maintaining public green belts in partnership with the Government. During the year, the Foundation adopted green belts in Gurugram, Delhi and Hyderabad, reinforcing its commitment to sustainable urban landscapes.

In Gurugram, several green belts alongside major public roads in Sectors 67/68, 73/74, 75/75A, 76/77, 84, 91/92, 93/94 and AIT Chowk to Medawas Village have been adopted by DLF Foundation from the Gurugram Metropolitan Development Authority (GMDA). In Hyderabad, DLF Foundation, in partnership with Greater Hyderabad Municipal Corporation, continues to maintain the already developed green belts from IIT Junction to Raddison Hotel Junction and till Jayabheri Enclave. In Delhi, the adoption of a public greenbelt has commenced on the Nelson Mandela Marg, in partnership with the Municipal Corporation of Delhi (MCD) and Public Works Department.

The work included extensive earthwork, plantation, watering, fencing, security, signage and maintenance. During the year, a total area of ~5.73 lakh square metres was developed and maintained across various public green belts, featuring more than 16.25 lakh trees and shrubs, fostering a greener future.

c) Adoption of Public Parks

DLF Foundation continues to enhance urban biodiversity and community well-being by maintaining and developing public parks. The Foundation maintained and upgraded two parks adopted from the MCD in Greater Kailash - I. Spanning ~8 acres, these parks have been transformed into model parks through enhanced greening, landscaping and amenities like open gyms, gazebos, seating areas and children's play zones. These parks feature wayfinding signages, seasonal plantation, manicured hedges, aromatic herbs and trees and expansive landscaped greens. Sustainable features, including energy-efficient lighting, rainwater harvesting systems and integrated waste management solutions have been incorporated to minimise the environmental footprint.

These public parks have been improving the community's overall well-being by providing a recreational and aesthetically pleasing environment that fosters community engagement and well-being. During the year, a total green area of ~32,375 square metres was maintained across two public parks with ~8,480 trees and shrubs, contributing to a greener future and ecological balance.

EDUCATION INITIATIVES

During the year, DLF Q.E.C. Educational Charitable Trust remained dedicated to promote education and nurturing young minds through its multiple initiatives. With a focus on inclusivity and excellence, the Trust continued to empower students from underserved communities by providing access to quality education.

a) DLF CARES In-School & Higher Education Scholarship Programme

The Programme continues to expand, providing financial support to scholars in 650 schools across 20 states in India. It focuses on enabling children from economically weaker sections to access quality education. The In-school Programme, which begins from Class I, in both partner and non-partner schools nationwide, now ensures that scholars successfully transition into tertiary education including undergraduate, vocational and professional courses thereby enhancing their employment opportunities.

The educational framework is structurally empirical:

- Financial support throughout schooling and Higher education for all scholars;
- Career guidance, counselling and emotional well-being support to assist scholars in navigating academic and personal challenges;
- Remedial education and mentoring through personalised interventions, including online remediation facilitated by expert partner agencies;
- Intensive teacher training across the schools to strengthen the learning that scholars receive.

In FY 2024-25, 300 existing scholars have been moved and supported in higher education. During the same period, DLF CARES supported over 3,000 students across 20 states in India, making it a holistic programme for nurturing academic excellence and creating livelihoods.

b) Empowering Rural Communities through Education

During the year, DLF Q.E.C. Educational Charitable Trust supported ten Ekal Vidyalayas in the Badaun District of Uttar Pradesh to empower rural and tribal communities through education. These schools have played a vital role in promoting literacy, healthcare awareness and economic self-reliance in remote villages across India. Adopting a holistic approach, the initiative integrated primary education, digital literacy, healthcare awareness, vocational training and value-based education.

Through this Project, 303 children benefited from ten Ekal Vidyalayas, reinforcing the commitment to bridging the education gap and fostering community-led development in underserved regions.

c) Empowering Girls Through Education

DLF Q.E.C. Educational Charitable Trust, in collaboration with the Pardada Pardadi Educational Society (PPES), is driving meaningful change in the education of underprivileged girls in Bulandshahr, Uttar Pradesh. The Pardada Pardadi School for underprivileged girls provides education to girls hailing from the rural areas in and around Anoopshahr. The school has been ranked as the top school in

The initiative helps to create an equitable educational environment by enabling access to essential learning resources, ensuring that financial constraints do not hinder academic progress. Essential educational stationery has been provided to over 400 girl students from low-income families in Pardada Pardadi Schools, ensuring that they have the necessary resources to pursue their studies without financial constraints. Throughout the year, girl beneficiaries participated in Cyber Safety sessions, Career Awareness workshops and various sports championships, gaining essential life skills for their holistic development.

d) Intellectual Disability Education Support

DLF Q.E.C. Educational Charitable Trust partnered with Muskaan PAEPID to enhance diversity and inclusion within the workplace. Under this project, three young people with intellectual disabilities received on-the-job training over a six-month period in hospitality, food & beverages, housekeeping and soft skills. Training was also provided at The Lodhi Hotel to offer beneficiaries hands-on experience in a real work environment. With guidance from mentors and team members, they developed the confidence and skills needed to navigate the workplace effectively.

e) Education and Skill Development

DLF Foundation supported women from vulnerable communities in Uttarakhand by equipping them with skills and resources to generate sustainable income. Through this project, underprivileged women were supported with training and equipment such as a paper plate-making machine, knitting and sewing machines and resources for oyster farming.

HEALTHCARE INTERVENTIONS

Healthcare has been a key area of focus for DLF Foundation and DLF Q.E.C. Medical Charitable Trust. The healthcare interventions are designed to address gaps in accessibility, affordability and awareness and prioritise long-term well-being through preventive care projects.

a) 24x7 Emergency Ambulances

Ensuring immediate access to emergency healthcare services continues to be a vital part of our commitment to communities in need. In FY 2024-25, three ambulances equipped with Basic Life Support (BLS) systems were deployed to provide timely medical assistance and emergency care to those in need. These ambulances were strategically stationed in multiple locations in Gurugram and Panchkula, operating 24x7 to ensure swift accessibility, particularly for underserved communities facing medical emergencies. ~428 individuals received critical pre-hospital emergency care through this initiative.

b) Family Health Centre

In collaboration with the Adharshila Trust, the Family Health Centre at Gwal Pahari, Gurugram was supported to provide quality healthcare to underserved communities. The Centre provided free healthcare services, including diagnostic screenings, OPD consultations and essential medications to villagers and slum residents who lack access to affordable medical care.

To support its community outreach initiatives, the Health Centre organised several programmes in surrounding areas. These included cancer screening camps for early detection, eye care camps focused on vision issues and informative sessions on maternal and child health, nutrition and hygiene. In FY 2024-25, the project benefitted ~6,725 individuals from low-income backgrounds.

c) Medical Assistance to People in Need

Medical assistance can help save the lives of those in need by providing quality medical care at hospitals and medical institutions. Many critically ill patients are not able to afford the essential medical care. DLF Q.E.C. Medical Charitable Trust provides financial support to NGOs, healthcare institutions and patients in urgent need of treatment. This project promotes equitable access to medical treatment across public and private healthcare facilities. By supporting those in need, the initiative enhances the well-being of economically disadvantaged sections and contributes to a healthier and more equitable society.

During the year, 24 needy patients received medical assistance for their treatment and hospitalisation, including open heart surgery, brain tumour, brain stroke, cancer treatment, chronic kidney disease etc. In addition, 338 patients were screened for Tuberculosis (TB), of which 78 patients were identified and provided anti-TB treatment. Further, one X-ray machine was provided to Lions International Charitable Trust under this project.

d) Promoting Holistic Wellness through Naturopathy and Alternative Medicine

DLF Foundation is committed for providing accessible, natural and preventive healthcare solutions to underserved communities through Naturopathy and Acupressure Therapy, which address health concerns, promote overall wellness and prevent diseases.

During the financial year, ~5,077 beneficiaries received personalised treatments and consultations in Delhi and Gurugram. In addition to treatment, the project emphasised preventive care and patient awareness, equipping individuals with the knowledge and tools to maintain a healthy lifestyle.

ANIMAL WELFARE

As part of our commitment to animal welfare, the Company has supported the CGS Charitable Trust for

animal healthcare projects, fostering a compassionate and inclusive society that values their well-being.

a) Redevelopment & Construction of Pasha Wing at CGS Facility Gurugram

To address the increasing population of stray animals in Gurugram, CGS is reconstructing the charitable Pasha Wing, which will be a ~7,300 sq. ft. dedicated medical care facility to treat injured and abandoned stray dogs and cats. This project includes establishing specialised treatment rooms, an Operation theatre and OPD spaces for the veterinary care of strays. During the year, the Pasha Wing architectural design was developed and finalised and the construction will commence in FY 2025-26.

b) Advanced physiotherapy and hydrotherapy for Stray Dogs & Cats

DLF Foundation supported the development of an advanced physiotherapy and hydrotherapy unit at the CGS facility in Gurugram to aid injured, disabled and post-operative animals regain mobility, strength and overall well-being. The development of this unit, spanning ~2,219 sq. ft. has been completed and it provides physical therapy, hydrotherapy, manual therapy, assistive devices, patient monitoring and training, under the guidance of expert veterinary professionals, to ensure the highest standard of care for dogs and cats.

In FY 2024-25, a dedicated feline centre has also been established to provide a stress-free environment for cats. It features a waiting area and separate Out-Patient Department (OPD) consultation rooms for cats.

c) Shelter and Medical Care to Stray Animals

Dedicated to rescue and welfare, the Company supported CGS Charitable Trust and All Creatures Great and Small (ACGS), an NGO in providing comprehensive medical and shelter care for stray animals at their animal sanctuary in Faridabad, Haryana.

During the financial year, 21,318 animals were supported through free 18,990 IPDs, 860 OPDs, 587 animal surgeries, 418 X-rays and 40 USGs (Ultrasounds) and 423 animals were rescued and added to the ACGS Shelter.

d) Stray Cattle Welfare in Rural Area

DLF Foundation, in collaboration with Atulya Foundation, developed a cattle shelter in Jugsana Kalan Village, Bulandshahr, Uttar Pradesh. The ~11,000 sq. ft. facility provides shelter and medical care for injured and abandoned stray cattle. The development included the construction of 5 dedicated sheds for stray cattle. Additionally, the shelter features a veterinary clinic, solar panels and basic amenities.

SOCIAL SUSTAINABILITY INITIATIVES

DLF Foundation and Other Trusts actively collaborated on multiple social welfare projects throughout the year

to uplift the needy, underserved and underprivileged communities.

a) DLF Engage Volunteering Programme

DLF Engage Programme is a volunteering platform aiming to bring together passionate and committed individuals to collaborate towards creating a better quality of life for all stakeholders in the areas of education, healthcare, environment among others. Continuing its vision, this Programme offered numerous activities and skill-based volunteering opportunities.

Under DLF Engage Programme, Volunteers actively participated in various initiatives, such as tree plantation drives, educational wall art, seed ball making, food distribution, school mentoring and more. The School Mentorship Project was launched in July 2024 as a skill-based initiative, providing community members with the opportunity to mentor underprivileged children.

The programme operates through DLF Engage Portal, an accessible online platform that connects individuals with diverse volunteering opportunities. This platform enables volunteers to identify and participate in activities and causes that align with their skills and interests. In FY 2024-25, 2,042 Volunteers dedicated 6,456 hours across activity and skill-based opportunities in partnership with 25 NGOs.

b) Saving Lives Through Safer Roads

As part of the commitment for enhancing pedestrian safety and improving urban public mobility, DLF Foundation, in partnership with GMDA, is developing public pedestrian safe walkways and crossings across high-traffic, high-speed roads to prevent accidents and save lives.

c) Public Foot Over Bridges

Public Foot Over Bridges (FOBs) are crucial for pedestrian and public safety. To ensure pedestrian health and safety, DLF Foundation is constructing public FOBs to ensure the safety of the public including senior citizens and differently-abled. These FOBs mitigate the risk of road accidents and enhance traffic flow in congested areas.

The newly constructed FOB connecting Chakarpur Village with Sikanderpur/ Ashoka Crescent Marg on the Raghvendra Marg was completed in 2024 and has recorded 3.46 lakh of public footfalls in FY 2024-25.

d) Suvidha Kendra

Accessing Government welfare schemes can be challenging for vulnerable communities due to lack of awareness and non-registration on account of inability to access digital portals. Recognising this gap, DLF Foundation, in partnership with Haqdarshak (a social impact organisation), has established a Suvidha Kendra in Gurugram to facilitate access to social welfare schemes for the underserved. During the year, multiple camps were

organised through this Programme at various locations in Gurugram for the registration of marginalised.

The Suvidha Kendra serves as a support hub, providing personalised guidance to individuals from low-income families for identifying, applying and registering under eligible schemes. Trained facilitators assist beneficiaries with documentation, digital applications and follow-ups, ensuring that critical Government benefits reach those who need them most. The project strengthened social inclusion and fostered economic resilience by empowering marginalised communities with information and resources. The Programme has benefited ~1,903 beneficiaries in FY 2024-25.

RURAL DEVELOPMENT

Addressing the infrastructure and healthcare disparities in Jugsana Kalan Village, Bulandshahr, Uttar Pradesh, support was provided to Atulya Foundation for the following rural development projects at the village:

a) Common Facility Development Centre

DLF Foundation supported the development of Common Facility Centre, in partnership with Atulya Foundation, for providing essential services, including healthcare, emergency response and a range of socio-economic activities, to the local community.

In FY 2024-25, the construction of ~8,000 sq. ft. facility was completed, featuring a dedicated medical centre, skill development centre, computer lab, village library and village secretariat.

The medical centre includes an operation theatre, an emergency ward, Out-patient departments (OPDs), reception, office, waiting areas and common spaces. Additionally, medical equipment such as ECG machines, X-ray machines, Doppler machines, an oxygen gas pipeline and an advanced life support ambulance, among many others, have been procured to establish this comprehensive medical facility.

b) Community Centre Development

The construction of ~6,000 sq. ft. Community Centre was supported to serve as a hub for social, educational

and cultural empowerment in the village. The Centre, which incorporates solar power, basic amenities and green areas, is designed to be energy-efficient and environmentally sustainable.

SPORTS PROMOTION**Golf Excellence Programme**

The Golf Excellence Programme is a sports promotion initiative by DLF Foundation dedicated to nurture the young talented golfers and preparing them for competitive success on, both national and international platforms. Throughout the year, the programme provided ~343 training sessions, covering on-course play, course management, biomechanics, fitness, nutrition and equipment, as well as access to practice and play facilities, including coverage of travel expenses for tournament participation.

The programme supported 11 young golfers in FY 2024-25. These trained golfers have won various national and international tournaments, including the WGAI-Hero Order of Merit, Singapore Junior Championship, US Kids Thailand Championship, Singapore Ladies Masters, Optimas Jaga International Series, Trinity Golf Premier League, Asian Development Tour, Nepal Amateur Championship, Taiwan Junior Open, Tamil Nadu Junior Championship and many others.

1. Regulatory Compliance

Risk:

The dynamic nature of environmental and social regulations presents an ongoing area of focus for the Company. As regulatory frameworks continue to evolve, maintaining compliance requires proactive monitoring and adaptive strategies. Non-compliance could result in operational disruptions, legal action, damage to brand reputation and loss of stakeholder trust. Further, non-compliance with evolving regulations may hinder future project approvals and limit business opportunities, potentially affecting the Company's growth prospects and market position.

Mitigation Measures:

DLF has institutionalized a culture of compliance that prevails at all levels of the organization. This commitment is reinforced by a zero-tolerance policy towards non-compliance and is supported by a comprehensive set of ESG-aligned policies and procedures. The Company maintains a proactive stance in monitoring regulatory developments and continuously strengthens its internal systems to ensure alignment with prevailing legal frameworks and industry best practices.

Key initiatives include:

- A clearly defined governance structure that ensures all requisite statutory and regulatory approvals are obtained prior to the commencement of any project or business activity.
- A structured disciplinary framework, bolstered by regular training and awareness programmes on the Company's Code of Conduct, aimed at fostering ethical conduct and minimizing compliance-related risks.
- Systematic monitoring of compliance across all business verticals, including periodic internal reviews and annual third-party audits, to identify, assess and rectify any deviations from established norms.
- A robust and institutionalized compliance management framework that provides senior leadership and the Board of Directors with comprehensive oversight and assurance regarding the effectiveness of compliance controls.
- The deployment of a digital Compliance Management Tool that enhances transparency, strengthens internal controls, facilitates real-time monitoring and reporting through automation.

2. Impacts of Climate Change

Risk:

The increasing severity and frequency of climate-related events such as natural disasters, rising

average temperatures and sea-level rise pose a material risk to the Company's real estate portfolio. This can result in adverse impacts in future in the form of costs to repair and replace damaged assets in case of any natural disasters and subsequent property downtime.

A notable consequence of deteriorating environmental conditions is the escalation of pollution levels, which has prompted regulatory authorities to impose temporary halts on construction activities at affected sites. Such Government-mandated stoppages directly contribute to project delays, impacting delivery timelines and increasing associated costs.

In addition to these physical threats, the Company also faces transition risks associated with the global shift toward a low-carbon economy. These include the need to adopt emerging technologies, implement sustainable energy solutions and secure adequate capital to support climate adaptation and mitigation efforts.

To proactively address these challenges, DLF's rental business portfolio has undertaken a comprehensive Climate Change Risk Assessment (CCRA). This assessment, grounded in scenario-based analysis, evaluates both physical and transition-related risks. The scenarios recommended by the Taskforce on Climate-related Financial Disclosure have been used for physical and transition risk assessment across different time horizons.

Key Physical Risks Identified:

- **Acute Risks:** Sudden and severe events such as inland floods and coastal floods, storm surges, wind hazard and tropical cyclones.
- **Chronic Risks:** Long-term environmental pressures including drought, heatwaves, rising temperatures and sea-level rise.

Key Transition Risks Identified:

- **Policy and Legal:** Increasing regulatory requirements, including enhanced emissions disclosure requirements on existing products and services.
- **Technological:** Capital-intensive transitions to low-emission technologies.
- **Market:** Evolving consumer preferences that favor environmentally responsible development.

Mitigation Measures:

In response to these identified risks, DLF has developed and implemented a comprehensive climate resilience strategy. This includes detailed mapping of physical vulnerabilities across both existing assets and planned developments. Based on these assessments, the Company has integrated a range of adaptation and mitigation measures designed to protect at-risk properties and ensure business continuity.

Key initiatives include:

- Engineering buildings to exceed seismic safety standards applicable to their respective zones, thereby enhancing structural resilience against earthquakes. Additionally, rainwater harvesting systems have been installed to reduce flood risk and promote water conservation.
- Designing the majority of new developments in alignment with internationally recognized green building and sustainability standards. DLF's rental portfolio has achieved multiple certifications and accolades that reflect its commitment to resource-efficient and resilient construction. These include:
 - i. **Leadership in Energy and Environmental Design (LEED) Platinum Certification** from the U.S. Green Building Council (USGBC) for several assets.
 - ii. **LEED for Cities and Communities** in recognition of its strategic implementation of responsible, sustainable and targeted initiatives across natural systems, energy, water, waste, transportation and other key domains.
 - iii. **LEED Zero Water** Certification for all assets in the rental portfolio, demonstrating water neutrality.
 - iv. **LEED Zero Waste** and **LEED Zero Energy** Certifications for certain assets, showcasing excellence in waste management and energy efficiency.
 - v. **WELL Health-Safety Rating (HSR)** as well as **Sword of Honour** from the **British Safety Council**, which recognizes excellence in safety management, environmental responsibility and emergency preparedness.
 - vi. **Bureau of Energy Efficiency (BEE) 5-Star Rating** awarded to certain assets, recognizing outstanding energy performance.

Alignment with these standards has enabled DLF to strengthen its climate resilience strategy and reinforce its leadership in sustainable real estate development.

- Implementing a suite of physical and operational measures across the rental portfolio to address climate-related risks. These include adoption of flood resilience measures, stormwater management systems, water-efficient technologies, third-party insurance coverage and the establishment of Standard Operating Procedures (SOPs) for emergency response. By combining structural reinforcements with procedural safeguards, DLF aims to minimize climate-

related disruptions and enhance the long-term sustainability of its operations.

3. Health and Safety

Risk:

As the Company is in large-scale construction and property management, DLF identifies Occupational Health and Safety (OHS) as a key operational risk. The nature of construction activities inherently involves exposure to safety-related hazards, making the well-being of employees, contractors and nearby communities a top priority. Inadequate safety measures or non-compliance with regulatory standards can increase the risk of occupational injuries and ill-health, directly impacting workforce productivity and potentially leading to operational delays and reputational concerns.

Furthermore, DLF is committed to ensuring that all its leased properties provide a secure and safe environment for its customers, including occupants and tenants.

Mitigation Measures:

Health and Safety, including Fire Safety, are integral to DLF's operational ethos. The Company has established strategic partnerships with leading health and safety consultants and service providers to ensure adherence to global standards through regular audits, assessments and continuous improvement initiatives.

Key initiatives include:

- The establishment of a comprehensive Health and Safety Management System aligned with ISO 45001 standards. This system is supported by rigorous safety protocols and DLF has earned a Five Star Rating from the British Safety Council, reflecting its commitment to excellence in occupational safety. Additionally, DLF has received the WELL Health-Safety Rating from the International WELL Building Institute, further affirming its commitment to creating safe, healthy and resilient environment for occupants.
- Regular identification and assessment of potential hazards and risks, followed by the formulation and execution of mitigation strategies to proactively manage safety concerns.
- Implementation of extensive training programmes and awareness campaigns focused on safety, health and well-being. These initiatives are designed for all stakeholders, including employees, contractors and tenants across DLF's leased properties.
- A clearly defined corporate objective of achieving 'zero harm,' with a strong emphasis

on eliminating fatalities and serious incidents across all facets of operations from asset development to ongoing portfolio maintenance.

- Implementation of targeted action plans aimed at continuously enhancing the effectiveness and responsiveness of the Company's OHS management system.

4. Water and Wastewater Management

Risk:

Water availability is critical to all stages of real estate development from construction to ongoing operations. Water unavailability poses significant risks to project timelines, operational continuity and the health and well-being of workers on-site.

With India's growing population and increasingly erratic monsoon patterns, water scarcity has become a critical concern. National groundwater assessments have classified numerous Indian cities as 'critical' or 'over-exploited' in terms of groundwater availability. This presents a risk to DLF's real estate operations, particularly in regions already identified as water stressed. The risk is further compounded by factors such as drought i.e. reduced water supply due to below normal rainfall and high evapotranspiration rates, seasonal variability and high competition for common water resources among multiple stakeholders for industrial and domestic use.

In this context, efficient water management, encompassing conservation, reuse and replenishment, are essential not only for ensuring business continuity but also for optimizing operational costs and supporting the development of resilient and sustainable communities.

Mitigation Measures:

DLF has adopted a holistic and forward-looking approach to water stewardship, anchored in the 4R strategy **Reduce, Reuse, Recycle and Replenish** to enhance water-use efficiency across its portfolio.

Key initiatives include:

- All DLF properties are equipped with water recycling systems aimed at minimizing freshwater withdrawal. Rainwater harvesting infrastructure has been established to support groundwater recharge, thereby contributing to long-term water availability.
- Both residential and commercial developments are planned with Zero Liquid Discharge (ZLD) principles in mind. On-site wastewater treatment plants have been installed across managed properties. Treated water is repurposed for non-potable applications such as landscape irrigation, toilet flushing and cooling systems for

Heating, Ventilation and Air Conditioning (HVAC) and Diesel Generators (DG) sets. Dual plumbing systems further facilitate the use of recycled water for flushing.

- The Company has integrated high-efficiency plumbing fixtures, sensor-based low-flow taps, leak detection systems and drip irrigation technologies to further reduce water consumption and prevent wastage.
- DLF's rental portfolio has achieved the prestigious LEED Zero Water Certification from the USGBC for all its properties, including five of its malls. This certification affirms the Company's ability to maintain a net-zero potable water balance across its operations.
- In alignment with insights from the CCRA, DLF has implemented additional measures such as pressure-reducing valves, automated tank-filling systems and aerators to mitigate the risks associated with water scarcity and ensure long-term water security.

5. Energy Efficiency

Opportunity:

India's green infrastructure sector has witnessed significant momentum, driven by supportive Government policies, fiscal incentives and focused sustainability programmes. This national progress mirrors global trends that emphasize the importance of energy-efficient urban development and environmentally responsible construction. As demand for certified green buildings, particularly those aligned with LEED standards, continues to grow among multinational corporations and environmentally-conscious tenants, DLF recognizes a strategic opportunity to lead in this evolving space. Advancing energy efficiency allows DLF to stay ahead of climate-related policy changes thereby enhancing its resilience to climate risks, as well as reinforces the Company's competitive edge and long-term value proposition.

Measures:

DLF has embedded energy efficiency and low-carbon development principles into the design, construction and operation of its rental portfolio. The Company's approach is guided by internationally recognized benchmarks and certification frameworks, ensuring that its portfolio meets the highest standards of environmental performance.

Key initiatives include:

- DLF has achieved LEED Platinum Certification from the USGBC for its rental portfolio which includes operational as well as under-construction projects. ~39.99 msf of its rental portfolio is certified under the Building Operations and Maintenance (O+M)

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

category. In addition, ~11.90 msf is certified under Building Design and Construction (BD+C) category (including few properties which have also achieved certification under O+M category post completion), reflecting a strong commitment to sustainable asset development and management.

- The Company has implemented a comprehensive suite of energy efficiency and decarbonization measures to reduce its carbon footprint and mitigate transition risks. These include demand-side energy management, optimization of building design for energy conservation and a shift toward renewable energy sources. All buildings are designed in accordance with American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE) 90.1-2010 standards, as required under green building certification programmes such as USGBC LEED.
- DLF has adopted advanced technologies to enhance energy performance across its portfolio. These include LED lighting systems, motion sensors for lighting control, high-efficiency HVAC systems, automatic tube cleaning systems in chillers and thermal insulation for building envelopes. These measures collectively contribute to significant energy savings and operational efficiency.
- DLF has adopted renewable energy generation including solar and wind energy. Rooftop solar

installations with a cumulative capacity of 4 MW have been deployed across rental properties. Notably, DLF Cyber City in Hyderabad operates on 100% renewable electricity, while Chennai IT Park and Mall of India, Noida, have achieved 85% and 50% renewable energy integration, respectively. Wind energy and open-access solar power are also utilized to meet energy demands at selected commercial sites.

- DLF's leadership in sustainable real estate has been acknowledged by the USGBC, which recognizes the Company as a global partner in advancing the transformation of the built environment. Additionally, the Company's rental portfolio has received Green Star Ratings in both the Development and Standing Investment categories in the latest ESG assessment conducted by the Global Real Estate Sustainability Benchmark (GRESB). Further, two leading credit rating agencies CRISIL (Subsidiary of S&P) and ICRA (Subsidiary of Moodys) have awarded DCCDL with credit rating of AAA with a Stable outlook- reinforcing its commitment to environmental stewardship and responsible asset management.
- DLF Cyber City in Hyderabad has earned the LEED Zero Energy Certification, while several assets have received BEE 5-Star Ratings reinforcing DLF's position as a leader in energy-efficient and high-performance building operations.

7. Statement by Director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements.	DLF prioritizes environmental stewardship, social responsibility and good governance by working closely with its key stakeholders. The Company’s commitment to sustainability is evident in its adoption of LEED Green Building standards. The rental portfolio of the Company had achieved LEED Platinum Certification which includes operational as well as under-construction projects. ~39.99 msf of its rental portfolio is certified under the Building Operations and Maintenance (O+M) category. In addition, ~11.90 msf is certified under Building Design and Construction (BD+C) category (including few properties which have also achieved certification under O+M category post completion). DLF’s portfolio has achieved further sustainability milestones, earning accolades for minimizing waste and water usage with the USGBC’s LEED Zero Waste and LEED Zero Water Certifications. Moreover, the USGBC recognizes DLF’s portfolio of leased properties as the largest in the world to have achieved the LEED Zero Water Certification. Beyond environmental sustainability, DLF prioritizes occupant well-being and safety, as demonstrated by the International WELL Building Institute’s WELL Health-Safety Rating and the prestigious Sword of Honour Award from the British Safety Council. Additionally, DLF Cyber City in Gurugram has the distinction of being the world’s first developer-owned community to be awarded with the LEED Cities and Communities Certification, followed by DLF Cyber City, Chennai. Looking ahead, DLF’s pursuit of excellence is driven by its commitment to create value for stakeholders while integrating environmental, social and governance considerations into its operations.

Table 3 - Annexure to 5 and 6 - Progress on Targets

Material Topic	Targets	FY 2025 Progress	Target Status
Environmental Stewardship	By 2030, reduce energy intensity in DLF's rental assets (energy consumption per sq.ft. of rental portfolio) by 15% using FY 2019-20 as the baseline.	0.0127 MWh/ sq.ft. energy intensity in rental assets (energy consumption in MWh per sq.ft. of rental portfolio).	In-Progress
	By 2030, increase renewable energy intensity in rental assets by 60% using FY 2019-20 as baseline.	During FY 2024-25, renewable Energy Intensity (energy consumption from renewable sources in MWh per sq.ft.) in rental assets has increased by 30% per sq.ft., from the baseline.	In-Progress
	By 2030, reduce water intensity in DLF's rental assets (freshwater consumption per sq.ft. of rental portfolio) by 15%, using FY 2019-20 as baseline.	During FY 2024-25, water intensity (freshwater consumption in KL per sq.ft. of rental portfolio) in rental assets has decreased by 33% per sq.ft., from the baseline.	In-Progress
Social Stewardship	To ensure zero harm each year, i.e. zero fatalities, resulting from operations each year, including operation and maintenance of portfolio and development of assets (construction).	Zero harm status maintained in FY 2024-25 i.e. there were no fatalities resulting from operations, including both operation and maintenance portfolio and development of assets.	Achieved ⁹
Sustainable Business	Ensure compliance with the green building certification guidelines while designing and developing new buildings.	In FY 2024-25, projects ensured to adhere to the guidelines for green building certification. - LEED Zero Water Certification achieved by DLF Cyber City, Gurugram, DLF Cyber City, Chennai, Hyderabad, Kolkata and Chandigarh along with 4 Malls, making DLF the global leader in LEED Zero Water. - Several other assets have been awarded TRUE Platinum Certification, LEED Zero Waste, LEED Zero Energy as well as BEE 5-Star Ratings.	In-Progress
	Ensure compliance with all applicable regulatory requirements, standards and obligations.	Compliance with all applicable legal and regulatory standards was ensured during FY 2024-25.	Achieved ⁹
	By 2030, ensure that at least 90% of total rental portfolio is Green Building certified.	~45.38 msf of rental portfolio is LEED Platinum Certified as on 31 March 2025, which includes ~40 msf of operational portfolio plus ~5 msf of under-construction.	Achieved ⁹

⁹ This is an annual target which was achieved for FY 2024-25.

SECTION C: PRINCIPLE WISE DISCLOSURES

PRINCIPLE 1: Businesses should conduct and govern themselves with integrity and in a manner that is Ethical, Transparent and Accountable.

Essential Indicators

1. Percentage coverage by training and awareness programmes on any of the principles during the financial year:

Segment	Total number of training and awareness programmes held	Topics/ principles covered under the training and its impact	% of persons in respective category covered by the awareness programmes
Board of Directors (BoD)	50	ESG Principles covered as part of below sessions: - DLF Code of Conduct Training - Regulatory Updates - Risk Management - Business Development - Project Updates - Orientation Programmes - Functional Updates	100
Key Managerial Personnel (KMPs)	5	ESG Principles covered as part of below sessions: - Regulatory Updates - Business Development - Orientation Programmes - Prevention of Sexual Harassment at Workplace (POSH) Training - DLF Code of Conduct Training	100
Employees other than BoD and KMPs	19	- Code of Conduct - Health, Safety, Security & Environment (HSSE) - Hazard Identification & Risk Assessment (HIRA) - Work at Height - Electrical Safety - Permit to work 7 Life Saver Safety Module - Excavation; - Lifting & Support Loads; - Mobile Equipment; - Electrical Safety; - Lock Out Tag Out & Try Out (LOTOTO); - Hot Work; and - Confined Space - Awareness on ESG-related Procedures - Prevention of Sexual Harassment at Workplace - Responsibility Accountability Consulted Informed (RACI) - ESG Principles covered as part of below sessions: - Graduate Engineer Trainee (GET) Aspire journey - Soft Skills Trainings - Leadership Trainings - Technical Trainings - Finance & Real Estate/ Project Finance - Crisis Management - Management System Framework (MSF) - Sustainable Safety and Security, Audit and Action Tracking, Compliance to Standards, Hazard Identification, Emergency Management & Training SOP (SACHET)	95
Workers	Not Applicable ⁴		

⁴ All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence, in all the sections, details sought for the 'Workers' category are not applicable to DLF.

2. **Details of fines/ penalties/ punishment/ award/ compounding fees/ settlement amount paid in proceedings (by the entity or by Directors/ KMPs) with regulators/ law enforcement agencies/ judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as disclosed on the entity's website):**

Monetary					
Category	NGRBC Principle	Name of the regulatory/ enforcement agencies/ judicial institutions	Amount (In ₹)	Brief of the Case	Has an appeal been preferred? (Yes/ No)
Penalty/ Fine	Nil	-	Nil	Not Applicable	
Settlement	Nil	-	Nil	Not Applicable	
Compounding fee	Nil	-	Nil	Not Applicable

Punishment	Nil	-	Not Applicable		

3. **Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.**

Case Details	Name of the regulatory/ enforcement agencies/ judicial institutions
Not Applicable	

4. **Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.**

Yes, guidelines on anti-corruption and anti-bribery form a part of the DLF Code of Conduct and the BRSR Policy. The policy documents can be referred at <https://www.dlf.in/pdf/Code-of-Conduct.pdf> and <https://www.dlf.in/pdf/DLF-Business-Responsibility-Policy.pdf>, respectively.

DLF upholds a strong commitment to ethical business practices, guided by a comprehensive Code of Conduct that applies uniformly to all employees, members of the Board and extends to its subsidiaries, associate and joint venture companies. The organization places the highest importance on integrity and compliance in every aspect of its operations.

In alignment with this commitment, DLF mandates that its Directors and employees remain fully informed of and compliant with all relevant anti-bribery and anti-corruption laws across the jurisdictions in which it operates. The policy strictly prohibits the offering, receiving or facilitation, whether directly or indirectly, of any unlawful payments, gifts, donations or incentives

intended to secure business advantages or unethical benefits.

To uphold a culture of ethical compliance, all employees and Directors are required to confirm their understanding of and adherence to the Code of Conduct, with particular emphasis on anti-corruption and anti-bribery principles. They are required to annually affirm their commitment to these standards through a declaration process.

DLF has also instituted a robust Whistle Blower Mechanism, providing a secure and confidential channel for employees, Directors and external stakeholders to report any suspected misconduct, including instances of bribery or corruption. Instances can be directed to the Whistle Blower Committee or in exceptional cases, escalated to the Chairman of the Audit Committee to ensure timely and appropriate action.

5. **Number of Directors/ KMPs/ employees/ workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:**

	FY 2024-25	FY 2023-24
Directors	Nil	Nil
KMPs		
Employees		
Workers	Not applicable ⁴	

⁴ All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence, in all the sections, details sought for the 'Workers' category are not applicable to DLF.

6. **Details of complaints with regard to conflict of interest:**

	FY 2024-25		FY 2023-24	
	Number	Remarks	Number	Remarks
Number of complaints received in relation to issues of Conflict of Interest of the Directors	Nil		Nil	
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	Nil		Nil	

7. **Provide details of any corrective action taken or underway on issues related to fines/ penalties/ action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.**

Not Applicable.

8. **Number of days of accounts payables [(Accounts payable*365)/ Cost of goods/ services procured] in the following format:**

	FY 2024-25	FY 2023-24
Number of days of accounts payables	127.96	163.65

9. **Open-ness of business**

Provide details of concentration of purchases and sales with trading houses, dealers and related parties along with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY 2024-25	FY 2023-24
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	Nil	Nil

	d. Investments (Investments in related parties/ Total Investments made)	94.05%	95.91%

Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

Total number of awareness programmes held	Topics / principles covered under the training	% age of value chain partners covered (by value of business done with such partners) under the awareness programmes ¹⁰
11	- Health, Safety, Environment (HSE) Induction - Work at Height - Awareness on all individual HSE SOPs - Electrical Safety - Crisis Management - Management System Framework (MSF) - HSSE Policies and Code of Conduct - Hazard Identification & Risk Assessment (HIRA) - Permit to Work 7 Life Saver Safety Module - Excavation; - Lifting & Support Loads; - Mobile Equipment; - Electrical Safety; - LOTOTO; - Hot Work; and - Confined Space - Sustainable Safety and Security, Audit and Action Tracking, Compliance to Standards, Hazard Identification, Emergency Management & Training SOP (SACHET Modules)	96

2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/ No). If Yes, provide details of the same

DLF maintains a strong and proactive approach to manage conflicts of interest, which is integral to its broader corporate governance philosophy. The Company's **Code of Conduct** outlines a structured framework for identifying, disclosing and addressing potential conflicts across all tiers of the organization, including the Board of Directors and employees. These guidelines ensure that individuals in decision-making roles act with impartiality and transparency. Directors are specifically required to report any situations that may give rise to a conflict of interest to the Board

or its designated Committees and must recuse themselves from participating in any deliberations or decision-making where any potential conflicts may exist.

In addition, DLF has instituted a comprehensive **Policy on Related Party Transactions** to further safeguard against conflicts in business dealings. This policy establishes clear procedures for the identification, approval and disclosure of transactions involving related parties. It explicitly restricts any Director with a potential conflict from participating in discussions or voting on such transactions. Through these mechanisms, DLF reinforces its commitment to ethical governance, ensuring that all corporate decisions are made objectively and in the interest of its stakeholders.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe.

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	FY 2024-25	FY 2023-24	Details of improvements in environmental and social impacts
R&D	-	-	-

¹⁰ Value chain partners include contractors and vendors engaged in construction of projects and Facility Management partners engaged in management of rental properties.

	FY 2024-25	FY 2023-24	Details of improvements in environmental and social impacts
Capex	1.16%	2.30%	Environmental Impacts - Reduction in energy consumption and Green House Gas (GHG) emissions through installation of energy-efficient equipment in commercial properties, retail properties and hospitality buildings, such as retrofit emission control devices, energy efficient pumps, solar hot water generation systems with enhanced efficiency. - Replacing LPG connections with PNG to reduce carbon emissions in the hospitality properties. - Effective insulation of the refrigerant pipes and ducts in VRV and other Units respectively to reduce energy wastage and maintain optimal operations in the hospitality properties. - Anti-Smog guns operational at construction sites to keep pollution under check. - Paving of roads/ walkways to reduce dust emissions at the commercial properties. - Construction of wheel wash bay to control dust from vehicles exiting the construction site. - Sprinkling recycled water to mitigate dust emissions. - Installation of STP to treat wastewater, thus increasing the use of recycled water. - Installation of Automatic Tube Cleaning System on HVAC to enhance heat exchange efficiency. - Waterproofing & UV coating on the terraces for increased thermal comfort. - Transitioning to the increased use of Electric Vehicles. - Installation of cooling towers to enhance energy-efficient thermal comfort. - Installation of Air Handling Unit to enhance the efficiency of the HVAC system. Health and Safety - DLF's commercial properties had the roadways around sites recarpeted for safety of commuters. - Personal Protective Equipment (PPEs) provided at construction sites to enhance onsite safety of workers. - Enhancement of sanitation facilities for onsite staff at the construction sites. - Enhancing site security through increased boundary fencing and digital surveillance at the hospitality properties. - Tensile canopies installed on pedestrian walkways for enhanced safety and comfort at the rental properties. - Facade safety improved with aluminum sheet replacement at the rental properties. - Expansion joints have been treated to prevent flooding during sprinkler activation at the rental properties. - Improved fire safety measures through installation of onsite LED Fire Exit signages at some clubs. - Metal false ceiling has been installed in the kitchen to enhance health and hygiene standards in kitchen operations at certain hospitality properties. - Spill control kits, air purifiers and confined space entry tripods with accessories have been procured by select clubs to mitigate operational hazards.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/ No)

Yes, DLF's Supplier Code of Conduct and the ESG criteria verified at development sites ensures that sustainability is integrated into its supply chain and sourcing practices.

b. If yes, what percentage of inputs were sourced sustainably?

Presently, DLF has not carried out an evaluation/ assessment on the percentage of inputs that were sourced sustainably.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

DLF is involved in real estate development sector and engages in the construction, operation and maintenance of a wide array of real estate properties, including residential properties, commercial office spaces, retail establishments such as malls and hospitality ventures which include hotels and clubs. Given the long-term nature of these developments, typically extending

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

beyond 50 years, DLF is not involved in the reuse or recycling of these developed properties at the end of their lifecycle. Therefore, the reclamation of products at the end of life, is not relevant to the Company's operations.

DLF has established procedures to ensure the responsible management of waste generated during the operation and maintenance phases of its projects. Non-hazardous solid waste, such as paper, plastic and metal scrap, is recycled by authorized recyclers. Organic waste is processed into manure using Organic Waste Converters (OWC) and e-waste, along with other hazardous waste, is safely disposed of by authorised vendors.

Demonstrating its commitment to sustainable practices, the majority of DLF's buildings have achieved LEED Platinum Certification in either the 'Operations and Maintenance' or the 'Design and Construction' category. This reflects DLF is adhering to LEED Green Building Standards for waste reuse, recycling and disposal. Furthermore,

some of the assets have been awarded the LEED Zero Waste Certification by the USGBC and the TRUE Platinum Certification which is awarded to buildings that achieve a minimum of 90% waste diversion from landfills and incineration, demonstrating a commitment to zero waste practices.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/ No). If yes, whether the waste collection plan is in line with the EPR plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

EPR does not apply to DLF's operations as the Company is engaged in the business of real estate development. However, DLF has established protocols to ensure proper management of waste generated during the construction, operation and maintenance of its buildings. This is achieved through responsible recycling, reuse or treatment of the generated waste in compliance with regulatory standards.

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective/ Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format:

¹¹ The Life Cycle Assessment is being undertaken for one of the commercial properties of the Company, by a third-party consultant. Operations for this commercial property have not yet commenced, therefore the share of revenue contributed by this site is nil.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

2. If there are any significant social or environmental concerns and/ or risks arising from production or disposal of your products/ services, as identified in the Life Cycle Perspective/ Assessments (LCA) or through any other means, briefly describe the same along with action taken to mitigate the same.

Life Cycle Assessment undertaken by DLF revealed a reduction in carbon emission intensity from 750 kg CO₂-eq/m² to 657 kg CO₂-eq/m², achieved through sustainable sourcing of raw materials and energy-efficient production. The Company continues to implement measures to further minimize its environmental impact.

3. Accessibility of workplaces

Are the premises/ offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

DLF is committed to foster an inclusive work environment by ensuring that its facilities are accessible to individuals with disabilities, in alignment with the Rights of Persons with Disabilities Act, 2016. The Company has taken proactive steps to integrate universal design principles into the planning and development of all new offices and premises, prioritizing accessibility, safety and ease of use for Persons with Disabilities. Simultaneously, DLF is proactively working towards fulfilling the essential regulatory standards in its existing offices and premises.

Recognizing the unique challenges faced by Persons with Disabilities, DLF has implemented a range of measures to create a more supportive and accommodating built environment:

- Physical accessibility:** DLF has incorporated strategies into the architectural designs to ensure a barrier-free environment within the DLF premises. Few of the features of DLF's facilities are mentioned below:
 - Parking spots are designed in a convenient manner with well-defined signages for differently abled people and access to the lift lobby;
 - Provision of ramps at entry and exit points, including non-slippery ramps with handrails on both sides;
 - Adequate width is ensured for the main walkways and pathways in the exterior areas, allowing for unobstructed movement;
 - Leveled-floor maintained uniformly throughout, ensuring smooth and barrier-free movement;

- Lifts are equipped with braille and audio assistance to aid visually impaired individuals;
- Separate washroom facilities for differently abled with easy-access doors; and
- Availability of wheelchairs at all atriums and malls.

Communication: DLF ensures that all communication channels are inclusive by providing information in alternative formats such as braille, large print and audio, thereby enabling individuals with visual or auditory impairments to access essential content with ease.

Awareness and Training: The organization conducts regular training programmes to sensitize employees on ensuring inclusive behaviour and equip them with the knowledge to provide appropriate support to colleagues and visitors with disabilities.

Ongoing Evaluation and Enhancement: DLF ensures continuous improvement by periodically reviewing its accessibility practices, assessing compliance with workplace accessibility standards and identifying opportunities for further enhancement.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Yes, DLF strives to cultivate a culture rooted in trust and respect, thereby promoting an inclusive work environment for all employees. The Company is steadfast in its commitment to provide equal employment opportunities, a dedication clearly articulated in both the Company's Human Rights Policy and BRSR Policy, which can be referred at <https://www.dlf.in/pdf/Human-Rights-Policy.pdf> and <https://www.dlf.in/pdf/DLF-Business-Responsibility-Policy.pdf>, respectively.

10. Health and safety management system:**a) Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage of such system?**

Yes. The Company has implemented a comprehensive Occupational Health and Safety Management System certified to ISO 45001, that encompasses all aspects of its business, including project sites, managed assets (operational premises) and the hospitality division.

Aligned with DLF's vision, objectives and policies, this management system adheres to internationally recognized best practices.

b) What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity? Hazard Identification and Risk Assessment

DLF has instituted a robust, organization-wide framework for systematic identification and evaluation of occupational hazards. This process is embedded within its Management System Framework (MSF) and is applied consistently across operations on a routine and non-routine basis. Responsibility for hazard identification is shared across all leadership levels, ensuring accountability within each functional area. DLF follows a structured approach based on the Plan-Do-Check-Act cycle to ensure effective hazard identification and risk management across the organisation.

Risk assessments are conducted to evaluate the likelihood and potential severity of identified safety hazards against DLF's established HSE and Security risk thresholds. A 5x5 Risk Matrix is employed to

categorize and prioritize risks, enabling the implementation of appropriate mitigation strategies based on a hierarchy of controls. This approach ensures that risks, whether related to health, safety, environmental impact or security, are managed effectively and proactively.

Furthermore, DLF conducts weekly safety walkthroughs and scheduled safety inspections. These are carried out by trained personnel, including internal staff, construction contractors and Facility Management (FM) partners. Observations from Occupational Health and Safety (OHS) assessments, along with both leading and lagging safety indicators, are systematically recorded and reviewed. This continuous monitoring supports ongoing compliance and drives improvements in workplace safety.

Health and Safety Audits

DLF's rental properties are subject to rigorous health and safety audits conducted by independent third-party agencies in accordance with ISO 45001:2018 standards. In addition to scheduled evaluations, unannounced audits are also performed to assess real-time safety performance and adherence to protocols.

Risk assessments are conducted annually to assess reported incidents or in line with directives from regulatory bodies, insurer or auditor feedback, safety committee recommendations, changes in operational processes or updates to legal and safety standards. Based on these assessments, corrective actions and preventive measures are implemented across business units to eliminate recurrence and enhance overall safety resilience.

⁴ All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence, in all the sections, details sought for the 'Workers' category are not applicable to DLF.

¹² Certain employees were not eligible for annual performance review, based on their date of joining. All eligible employees as on the date of FY ending, have received performance and career development reviews.

c) Whether you have processes for workers to report the work related hazards and to remove themselves from such risks. (Y/ N)

Yes, DLF has established a comprehensive procedure to manage the reporting, classification and investigation of health and safety incidents. This mechanism allows employees to swiftly report work-related hazards while ensuring a clear framework for recording and examining incidents. Furthermore, it aids in identifying corrective and preventive measures and ensures that lessons learned are effectively shared to prevent similar occurrences. To mitigate these risks, DLF adheres to a standardized hierarchy of controls, striving to reduce hazards to an 'As Low As Reasonably Practicable' (ALARP) level.

In addition to this, DLF actively fosters a culture of safety by encouraging employee engagement in workplace health and safety practices through structured programmes and participatory mechanisms. Key initiatives include:

- **Safety Inspector of the Day (SIOD):**
As part of this initiative, a designated employee is appointed every day at each site to serve as SIOD. The SIOD is responsible for conducting a comprehensive inspection of the premises to identify unsafe conditions or potential hazards. Findings are documented by the SIOD, in a detailed report and submitted to the facility manager for implementation of corrective actions.
- **Safety Suggestion Programme:**
This platform enables employees to contribute proactively to workplace safety by submitting suggestions for improving safety protocols or addressing unsafe practices. The initiative promotes a sense of ownership among employees and continuous improvement in safety standards across the organization.
- **Spot the Hazard Campaign:**
Under this initiative, employees are

encouraged to remain vigilant and report any observed risks or unsafe conditions. This proactive approach enhances employee awareness on hazard identification and thereby strengthens the overall safety management system.

d) Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

DLF is committed to fostering a culture of holistic well-being by offering a wide range of health and wellness services that go beyond occupational safety. In addition to equipping every project site with advanced emergency response systems and 24*7 paramedic support, DLF has implemented several initiatives to support the physical and mental health of its workforce.

- To promote preventive healthcare and wellness awareness, DLF regularly organizes health camps in collaboration with certified medical professionals. These camps provide employees with access to routine check-ups, screenings and consultations. Complementing these efforts, the Human Resources team facilitates periodic wellness workshops and digital training sessions focused on lifestyle management, nutrition, mental health and stress reduction.
- DLF has also partnered with external healthcare providers to offer seamless access to medical consultations through the Ekin app, enabling employees to connect with doctors via teleconsultation or in-person appointments. To further support healthy living, employees are offered subsidized rates on prescription medications and enjoy exclusive discounts on both monthly and annual gym memberships.
- All employees are comprehensively covered under health insurance plans, ensuring financial protection and access to quality healthcare services for both occupational and non-occupational medical needs.

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

DLF places the safety, security and well-being of its employees at the core of its operations. The Company is dedicated to creating and maintaining workplaces that are safe, healthy and well-protected, aligning with all relevant codes, standards and best practices. Committed to 'Zero Harm', DLF has established a robust HSSE Management System Framework designed to enhance performance and minimize health and safety related risks. To achieve this, DLF implements HSSE Management System and Plans, Competent Resourcing, Periodic Health Surveillance, Trainings, Audits and Management Reviews. Additionally, the Company has established stringent safety protocols to prevent safety risks at the workplace in line with leading international standards including:

- Permit to Work Safety Standard;
- Confined Space Entry Safety Standard;
- Lockout & Tagout Safety Standard;
- Electrical Safety Management Standard;
- Management of Change Standard;
- Hot Work Safety Standard;
- Work at Height & Façade Cradle Safety Standard;

- Excavation;
- Emergency Response Standard;
- Fit-out Standard;
- Personal Protective Equipment Standard;
- Office Safety;
- Barricading Standard;
- Management of Change Standard; and
- Contractor Safety Management Standard.

Further, DLF provides training to all employees via professional trainers on Occupational Health and Safety Standards (OHSS) such as:

- Use and handling of lifting equipment;
- Use and handling of pressure system;
- Safe use and handling of work equipment;
- Management of noise and vibration;
- Handling and storage of materials;
- Personal Protective Equipment;
- Display Screen Equipment Risk Assessment (DSERA);
- Fire Risk Assessment (FRA); and
- Control of Substances Hazardous to Health (COSHH).

14. Assessments for the year:

All development initiatives at DLF undergo independent audits to validate the HSSE processes and their implementation. Additionally, all operational assets are subject to third-party audits for electrical, fire and life safety.

DLF's operational sites are annually assessed through the British Safety Council's Five Star Audits on HSSE. Notably, DLF holds the unique distinction of being the only organization in the world to have received 21 Sword of Honour Awards for its operating sites.

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/ concerns arising from assessments of health & safety practices and working conditions.

There were no significant safety related incidents or concerns, arising from health and safety assessments. However, there was one case of lost-time injury which was thoroughly investigated and closed with necessary Corrective and Preventive Actions to mitigate recurrence. In line with its proactive safety culture, DLF has undertaken several key initiatives to strengthen its HSE framework:

- **Structured Audit Planning:** All project sites were directed to develop detailed activity plans, which were subsequently subjected to a three-tier audit process internal, second-party and third-party verifications to ensure comprehensive oversight.

- **Lifecycle-based HSE Interventions:** Defined stage gates were introduced at critical phases of the building and asset lifecycle, enabling timely and targeted HSE interventions.
- **Leadership-Led Safety Walkthroughs:** Senior leadership was actively involved in conducting project site walkthroughs. These visits, guided by risk-based 'life saver' protocols, led to improved on-ground visibility and actionable safety outcomes.
- **Cross-Site Knowledge Sharing:** Learnings and best practices from safety observations and incident analyses were horizontally deployed across all sites to foster a culture of continuous improvement.
- **Digital Safety Management System - SACHET:** DLF leveraged its digital platform, SACHET (Sustainable Safety and Security, Audit and Action Tracking, Compliance to Standards, Hazard Identification, Emergency Management & Training), to enable real-time

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/ N) (B) Workers (Y/ N).

- Employees:** Yes, employees are entitled to the Group Personal Accidental Death Insurance
- Workers:** Not Applicable⁴

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The Company has partnered with third party payroll vendor to ensure deduction and deposit of statutory dues and the same is validated with the challans/ receipts submitted by the vendor.

6. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from assessments of health and safety practices and working conditions of value chain partners.

Corrective and Preventive Action (CAPA): DLF has instituted a comprehensive internal audit mechanism aligned with its management system framework, encompassing all construction sites, operational assets and associated facilities. As part of this process, health and safety practices and working conditions of value chain partners are regularly assessed. All audit findings and instances of non-compliance are systematically documented and communicated for timely resolution. CAPA reports are prepared for all second and third-party audits and these are subject to periodic review across various organizational levels.

Compliance: DLF has established a comprehensive compliance register that systematically captures all applicable statutory obligations for construction contractors engaged in development of DLF's projects and facility managers engaged in management of rental assets. Independent third-party assessments of compliance documentation are conducted at regular intervals to ensure continued adherence and transparency.

HSSE Performance Review: DLF accords high priority to health and safety across all facets of its operations, including its value chain. Accordingly, all contractors engaged in the construction of DLF projects are required to adhere to the Company's Health and Safety Manual and appoint a designated Site Safety Officer responsible for implementing a comprehensive Site Safety Plan. The Company rigorously monitors relevant Key Performance Indicators (KPIs) and undertakes timely corrective measures to address any identified gaps.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

ESSENTIAL INDICATORS

1. Describe the processes for identifying key stakeholder groups of the entity.

DLF places strategic importance on stakeholder engagement as a cornerstone of its business philosophy. The Company is committed to create long-term, sustainable value for a diverse group of stakeholders, including investors, employees,

2. List stakeholder groups identified as key for the entity and the frequency of engagement with each stakeholder group.

customers, suppliers, business partners, communities and the Government.

The process of stakeholder engagement at DLF is decentralized, where individual departments are entrusted with the responsibility of engaging with relevant internal and external stakeholders based on their specific functions. This approach ensures that engagement is both contextually relevant and responsive to stakeholder expectations.

DLF's engagement practices are governed by its Stakeholder Engagement Policy, which is publicly accessible on the Company's website at <https://www.dlf.in/pdf/Stakeholder-Engagement-Policy.pdf>. The policy outlines a structured framework for identifying and prioritizing stakeholders as those individuals, groups or organizations:

- that are directly or indirectly dependent on DLF's activities, real estate portfolio or services or on whom DLF is dependent in order to operate;
- towards whom DLF has legal, commercial, operational or ethical/ moral, responsibilities; and
- who can influence or have impact on DLF's strategic or operational decision making.

The policy further delineates key stakeholder categories, investors, customers, employees, local communities, strategic business partners, NGOs and regulatory/ Government bodies. Through this structured and inclusive approach, DLF ensures that stakeholder perspectives are integrated into its decision-making processes, reinforcing transparency, accountability and mutual trust among its key stakeholders.

⁴ All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence, in all the sections, details sought for the 'Workers' category are not applicable to DLF.

¹⁰ Value chain partners include contractors and vendors engaged in construction projects and Facility Management partners engaged in management of the rental properties.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

DLF periodically conducts consultations with key internal and external stakeholders as part of its materiality assessment process, ensuring the identification and re-assessment of critical economic, environmental and social topics relevant to its business. The Board has entrusted management with the responsibility of overseeing this process. During these consultations, stakeholders provide their feedback to help prioritize material topics while integrating their concerns and expectations into the assessment.

The insights gathered from stakeholder consultations are analyzed to prioritize Environmental, Social and Governance (ESG) issues that are significant for the business. The findings are then presented to the Board and considered while defining ESG targets and initiatives of the Company. Additionally, various DLF departments regularly engage with stakeholders within their respective domains, to gather feedback in order to understand and address their needs and expectations. This feedback is consistently communicated to senior leadership to enable informed and strategic decision-making.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes/ No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, DLF periodically engages in consultations with key stakeholder groups as part of its materiality assessment exercise, seeking their feedback to identify and prioritize significant ESG issues while incorporating their concerns and expectations into the assessment.

The insights gathered through stakeholder consultations are analyzed to determine critical ESG issues for the business. The results of the materiality assessment shape DLF's ESG strategy, influencing its policies, goals and objectives. For instance, DLF has implemented ESG policies aligned with evolving stakeholder concerns, ESG trends and international standards, including guidelines around environmental management, human rights, supply chain sustainability and customer engagement.

Further, DLF has established long-term ESG targets to mitigate key environmental and social impacts within its portfolio, addressing areas such as health and safety, water conservation, energy efficiency, carbon emissions reduction and biodiversity protection. Additionally, insights gathered through community need assessments guide the DLF's CSR strategy, enhancing

development programmes to effectively address the most pressing needs of communities near the Company's operational areas.

3. Provide details of instances of engagement with and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

DLF, through its social development arm, 'DLF Foundation' actively engages with vulnerable and marginalized communities to address their needs and promote inclusive growth. The Foundation conducts periodic need assessments in areas surrounding DLF's operations to design targeted CSR and community development programmes. Regular interactions with these communities help evaluate the impact of interventions and ensure continuous improvement. Some key instances of engagement with marginalized stakeholder groups, include:

- **Access to Healthcare for Underserved Communities:** In order to address the need for affordable quality healthcare services, DLF established Family Health Centre in Gwal Pahari, Gurugram, that provides free healthcare services including diagnostic screenings, OPD consultations and essential medications to villagers and slum residents.
- **Promoting Inclusive Education:** DLF has implemented multiple initiatives to support education for underserved communities:
 - i Scholarships under *DLF CARES* Programme support students from economically weaker sections.
 - ii Partnerships with organizations like *Pardada Pardadi Educational Society*

and *Ekal Vidyalayas* promote education for underprivileged girls and literacy and economic self-reliance for rural and tribal communities, respectively.

- iii Vocational trainings are provided to youth with intellectual disabilities in collaboration with NGO partners to promote livelihood generation.

- **Empowering Women's Livelihoods:** In Uttarakhand, women from disadvantaged backgrounds received training and equipment for income-generating activities such as sewing, paper plate-making and oyster farming.
- **Enhancing Access to Government Welfare Schemes:** The Suvidha Kendra Initiative, in partnership with Haqdarshak, aims to improve awareness and access to Government welfare schemes related to education, healthcare and social security for underprivileged individuals.
- **Equitable Access to Education and Medical Support:**
 - i DLF's *Social Support Programme* provides financial aid to students from disadvantaged backgrounds, enabling access to quality education and helping reduce dropout rates.
 - ii Financial assistance is provided to NGOs, healthcare institutions and critically ill patients who cannot afford essential medical care. This initiative promotes equitable access to healthcare across public and private institutions.

PRINCIPLE 5: Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2024-25			FY 2023-24		
	Total (A)	No. of employees/workers covered (B)	% (B/ A)	Total (C)	No. of employees/workers covered (D)	% (D/ C)

Total Employees	3,103	3,103	100	2,507	2,507	100
Workers						
Permanent	Not Applicable ⁴					
Other than permanent						
Total Workers						

All employees are provided with training on Code of Conduct of the Company and Prevention of Sexual Harassment (POSH), which covers human rights related aspects.

3 DLF does not have any 'Other than Permanent' employees. Hence, in all the sections, details sought for 'Other than Permanent' employee category are not applicable to DLF.

4 All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence in all the sections, details sought for the Workers' category are not applicable to DLF.

2. Details of minimum wages paid to employees and workers, in the following format:

Category	FY 2024-25					FY 2023-24				
	Total (A)	Equal to Minimum Wage		More than Minimum Wage		Total (D)	Equal to Minimum Wage		More than Minimum Wage

3. Details of remuneration/ salary/ wages

a. Median remuneration/ wages:

Category	Male		Female	
	Number	Median remuneration/ salary/ wages of respective category (₹ in lakhs per annum)	Number	Median remuneration/ salary/ wages of respective category (₹ in lakhs per annum)
Board of Directors (BoD)*	9	103.50	4	59.50
Key Managerial Personnel (KMPs)*	2	246.16	0	0
Employees other than BoD and KMPs	2,783	14.38	315	14.00
Workers	Not Applicable ⁴			

* For the purpose of calculating median remuneration, total number of directors during the financial year (including those who ceased to be on the Board as on financial year end date) have been considered. Directors who are also KMPs have been considered under 'Board of Directors'. Consequent to the resignation of Mr. Vivek Anand as Group Chief Financial Officer w.e.f. 29 February 2024, the Board of Directors of the Company w.e.f. 13 May 2024 had appointed Mr. Ashok Kumar Tyagi as Chief Financial Officer (CFO) (until a new CFO is appointed) in addition to his existing role as Managing Director. No separate remuneration was paid for his additional role as the CFO of the Company. Subsequent to the appointment of Mr. Badal Bagri as Group CFO w.e.f. 6 December 2024, Mr. Tyagi ceased to be CFO and continued in his existing role and responsibilities as the Managing Director of the Company. Accordingly, the remuneration details of Mr. Tyagi have been considered under Board of Directors. However, Median Remuneration of KMPs includes remuneration paid to Mr. Badal Bagri (from 6 December 2024 to 31 March 2025) and Mr. R.P. Punjani, Company Secretary for FY 2024-25.

b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	FY 2024-25	FY 2023-24
Gross wages paid to females as % of total wages	10.24	11.26

3 DLF does not have any 'Other than Permanent' employees. Hence, in all the sections, details sought for 'Other than Permanent' employee category are not applicable to DLF.

4 All of DLF's workforce is categorized as 'Employees' and it does not have any 'Workers'. Hence in all the sections, details sought for the Workers' category are not applicable to DLF.

4. Do you have a focal point (Individual/ Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/ No)

Yes. At DLF, the Human Rights Policy defines guidelines for addressing any human rights related issues or impacts. The Human Rights Policy is owned and maintained by the Human Resources (HR) Department that is responsible for ensuring the implementation of these guidelines across the organisation. In addition, DLF has an Internal Complaints Committee (ICC) that is responsible for addressing any incidents and complaints related to sexual harassment.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

DLF has established a formal mechanism to enable

individuals to report and address human rights concerns through its Whistle Blower Policy. This mechanism ensures that all complainants receive necessary protection to disclose their concerns in good faith. The mechanism is accessible to all stakeholders, including employees, suppliers, customers and vendors of DLF and treats all violations with utmost seriousness and confidentiality. Once a violation is substantiated, the Policy prescribes appropriate disciplinary actions, which may include warnings, penalties, legal measures or termination of employment and business contracts.

Additionally, DLF has an ICC for redressal of complaints relating to sexual harassment. The ICC provides a dedicated platform for individuals to report incidents, following the procedures detailed in DLF's Policy on Prevention of Sexual Harassment.

6. Number of Complaints on the following made by employees and workers:

Complaints	FY 2024-25			FY 2023-24		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Sexual Harassment	0	0	-	0	0	-
Discrimination at workplace	0	0	-	0	0	-
Child Labour	0	0	-	0	0	-
Forced Labour/ Involuntary Labour	0	0	-	0	0	-
Wages	0	0	-	0	0	-
Other human rights related issues	0	0	-	0	0	-

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY 2024-25	FY 2023-24
Total Complaints reported under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	0	0
Complaints on POSH as a % of female employees/ workers	0	0
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

DLF's Whistle Blower Policy enables employees, contractors and vendors to report concerns related to human rights without fear of retaliation. The Policy ensures that individuals raising issues in good faith receive necessary protection and support. Its provisions are structured to safeguard the rights and well-being of the complainant.

Through the Policy, the Company ensures that:

- The identity of the complainant is kept confidential, except where disclosure is required by law or regulatory authorities.
- Individuals are protected from any retaliatory actions for reporting concerns. In line with the Human Rights Policy, DLF encourages all employees, suppliers and partners to report any potential violations or risks related to human rights.

- The Company strictly prohibits any form of discrimination, harassment or adverse employment action against whistle blowers. This includes protection from:

- Retaliatory practices such as threats, suspension or termination;
- Disciplinary actions like demotion, denial of promotion or forced transfers; and
- Misuse of authority that may hinder the complainant's ability to perform their duties.

DLF remains committed to maintaining a fair, transparent and secure environment for reporting and addressing grievances.

10. Assessments for the year:

Complaints	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Child Labour	100
Forced/ Involuntary Labour	100
Sexual Harassment	100
Discrimination at Workplace	100
Wages	100

11. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from the assessments at Question 10 above.

During FY 2024-25, no instances or risks related to sexual harassment, workplace discrimination, child labour, forced labour or non-compliance with minimum wage requirements were identified through human rights-related assessments.

Leadership Indicators

1. Details of a business process being modified/ introduced as a result of addressing human rights grievances/ complaints.

There have been no significant human rights related concerns or grievances. However, the Company has proactively strengthened its internal protocols to address and mitigate potential human rights risks across its business activities and the value chain.

To reinforce its commitment, DLF has instituted a Supplier Code of Conduct that sets forth clear human rights guidelines for all value chain partners, including suppliers, contractors, vendors, service providers and other business associates. This Code outlines expectations related to ethical labour practices, non-discrimination and the prohibition of child and forced labour.

In addition, DLF conducts evaluations of key suppliers particularly those involved in the

9. Do human rights requirements form part of your business agreements and contracts? (Yes/ No)

Yes, DLF's Supplier Code of Conduct and General Conditions of Contract clearly articulate the Company's expectations regarding the protection and promotion of human rights across its value chain. These documents outline mandatory standards for suppliers, contractors, service providers and other business partners, covering critical areas such as the prohibition of child and forced labour, fair compensation, working hours and ethical labour practices.

All value chain partners are required to formally acknowledge and adhere to these principles, which reflect DLF's broader commitment to responsible sourcing and ethical business conduct.

development and construction of its projects, to assess their employment policies. These assessments are designed to identify and prevent any potential human rights violations or related breaches within the supply chain.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

DLF has established a strong internal compliance framework to uphold human rights standards across all facets of its operations. This system ensures alignment with applicable laws and internal policies related to labour and human rights.

3. Is the premise/ office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

DLF is committed to ensuring that its offices and premises are accessible and inclusive for Persons with Disabilities, in accordance with the Rights of Persons with Disabilities Act, 2016. The Company has proactively integrated accessibility, safety and user-friendly features into the design and development of all new buildings to accommodate the needs of differently abled individuals.

In addition to these forward-looking measures, DLF is also undertaking systematic upgrades to its existing infrastructure to align with applicable regulatory standards. These efforts reflect the Company's broader commitment to fostering

an environment that supports equal access and dignity for all.

- Physical accessibility:** DLF has incorporated strategies into the architectural designs to ensure a barrier-free environment within the DLF premises. Few of the features of DLF's facilities are mentioned below:
 - Parking spots are designed in a convenient manner with well-defined signages and access to the lift lobby;
 - Inclusion of ramps at all entry and exit points with anti-slip features and handrails on both sides to ensure appropriate support;
 - Lifts are equipped with Braille and audio assistance to aid visually impaired individuals;
 - Separate washroom facilities for differently abled with easy-access doors;
 - Availability of wheelchairs at all atriums and malls;
 - Adequate width is ensured for the main walkways and pathways in the exterior areas, allowing for unobstructed movement; and

vii Leveled-floor maintained uniformly throughout, ensuring smooth and barrier-free movement.

- Communication:** DLF has implemented measures to ensure that information is effectively communicated to individuals with disabilities. This includes the provision of written materials in accessible formats such as Braille and audio, enabling inclusive access to essential content.
- Disability Awareness Training:** To foster an inclusive workplace culture, DLF conducts regular training sessions focused on disability awareness. These programmes are designed to equip employees and FM partners with the knowledge and sensitivity required to engage effectively with Persons with Disabilities.
- Commitment to Continuous Improvement:** DLF regularly evaluates its progress in meeting accessibility standards across the workplace. These assessments help identify gaps and inform enhancements, ensuring that the organization evolves in line with the needs of differently abled individuals.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed ¹³
Sexual Harassment	Nil
Discrimination at workplace	Nil
Child Labour	Nil
Forced Labour/ Involuntary Labour	Nil
Wages	Nil

5. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from the assessments at Question 4 above.

Assessments conducted across DLF's value chain partners did not reveal any significant human rights-related risks or issues of concern.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment.¹⁴

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format¹⁵:

Parameter	Unit	FY 2024-25	FY 2023-24
From renewable sources [in Giga Joules (GJ)]			
Total electricity consumption (A)	GJ	1,93,583.91	1,69,868.41
Total fuel consumption (B)	GJ	-	-
Energy consumption through other sources (C)	GJ	-	-
Total energy consumed from renewable sources (A+B+C)	GJ	1,93,583.91	1,69,868.41

¹³ DLF promotes its value chain partners to adopt environmentally and socially sustainable practices by incorporating environment impact and labour law-related clauses in the General Conditions Contacts/ Service Level Agreements. However, presently, there is no formal assessment being undertaken in this regard.

¹⁴ For data reported under Principle 6, the boundary includes all of DLF's rental portfolio and hospitality portfolio that was operational and development/ residential projects where construction was ongoing, in FY 2024-25 and FY 2023-24, respectively.

¹⁵ Until FY 2023-24, DLF used to report total electricity consumed in its commercial properties in BRSR. However, from FY 2024-25, DLF has changed its Scope 2 GHG emission accounting methodology in line with the GHG Protocol and the electricity consumption from commercial properties now only includes the consumption in DLF operated common areas. In line with this approach, the electricity figures have been restated for FY 2023-24.

Parameter	Unit	FY 2024-25	FY 2023-24
From non-renewable sources [in Giga Joules (GJ)]			
Total electricity consumption (D)	GJ	7,53,679.20	7,73,720.22
Total fuel consumption (E)	GJ	2,51,949.58	2,60,114.50
Energy consumption through other sources (F)	GJ	-	-
Total energy consumed from non-renewable sources (D+E+F)	GJ	10,05,628.78	10,33,834.72
Total energy consumed (A+B+C+D+E+F)	GJ	11,99,212.69	12,03,703.13
Energy intensity per rupee of turnover ¹⁶ (Total energy consumed/ Revenue from operations)	Total energy consumption in GJ/ per turnover in rupee	0.000015	0.000019
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) ¹⁷ (Total energy consumed/ Revenue from operations adjusted for PPP)	Total energy consumed in GJ/ per turnover adjusted for PPP in rupee	0.000310	0.000429
Energy intensity in terms of physical output	Total energy consumption in GJ/ area of portfolio (including total leasable and saleable area) in sq. mtrs.	0.123	0.144

Note: Indicate, if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (Y/ N) If yes, name of the external agency.

Yes, assurance of the data herein has been carried out by SGS India Private Limited.

2. Does the entity have any sites/ facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/ N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Not Applicable.

3. Provide details of the following disclosures related to water, in the following format.

Parameter	FY 2024-25	FY 2023-24
Water withdrawal by source in kilolitres (KL)		
(i) Surface water	-	71,179.00
(ii) Groundwater	3,31,793.81	7,11,909.83

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (Y/ N) If yes, name of the external agency. Yes, SGS India Private Limited.

¹⁶ Turnover is total 'Revenue from Operations'. However, it may be noted that as per the accounting standards, the revenue of DLF Cyber City Developers Limited (DCCDL), a material subsidiary of the Company, is not consolidated in the Consolidated Turnover and is accounted as a Joint Venture. This is in alignment with the reporting made for FY 2023-24.

¹⁷ The turnover has been adjusted to the Purchasing Power Parity prices as published by the International Monetary Fund (IMF) for FY 2024-25 and by the Organisation for Economic Co-operation & Development (OECD) for FY 2023-24.

¹⁸ This includes freshwater withdrawal along with water recycled from on-site sewage treatment plants and consumed within facilities.

4. Provide the following details related to water discharged:

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (Y/ N) If yes, name of the external agency.

Yes, assurance of the data herein has been carried out by SGS India Private Limited.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

DLF has successfully implemented the Zero Liquid Discharge (ZLD) mechanism across all its rental assets, clubs and select residential and development projects. This initiative, coupled with the achievement of the LEED Zero Water Platinum Certification, highlights the Company's steadfast commitment to responsible water management.

At the core of this initiative, deployment of Zero discharge sewage treatment plants including Sequencing Batch Reactor and Extended Aeration Technology, which enables the treatment and reuse of waste water for non-potable applications in our rental properties and construction sites including flushing, gardening, softscape irrigation, cooling tower operations and dust suppression.

In locations where on-site treatment facilities are not available such as certain clubs, waste water is routed to Resident Welfare Association (RWA) managed or centralized third-party treatment

systems, ensuring ZLD compliance even at under-construction and operational sites.

To further enhance water conservation, DLF has adopted a suite of advanced waste water treatment technologies and water efficiency measures at its rental properties and hospitality portfolio, including:

- Installation of meters and sub-meters to monitor water usage in real time;
- Leak detection systems and proactive maintenance to minimize water loss;
- Reuse of condensate from air handling units and optimized plumbing systems;
- Sensor-based and low-flow fixtures to reduce water consumption;
- Automation and pressure regulation in water supply systems for efficient distribution;
- Recirculation of rejected water from treatment systems for secondary uses; and
- Rainwater harvesting systems to support groundwater recharge and reduce reliance on municipal water supply.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2024-25	FY 2023-24
NOx	(mg/ Nm3)	256.65	188.30
SOx	(mg/ Nm3)	23.29	38.73

Yes, Laboratories approved and accredited by National Accreditation Board Limited/ Ministry of Environment, Forest and Climate Change (MOEFCC) carried out Independent Assessment for Rental Assets.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format¹⁹:

Parameter	Unit	FY 2024-25	FY 2023-24
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available) ²⁰	Metric tonnes of CO ₂ equivalent	22,343.18	28,539.90
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available) ²¹	Metric tonnes of CO ₂ equivalent	1,52,168.43	1,53,884.35

In line with this approach, the Scope 2 GHG emission figures have been restated for FY 2023-24.

²⁰ DLF's Scope 1 GHG emissions include emissions from stationary and mobile combustion of fuels consumed including Diesel, PNG, LPG, Acetylene, Petrol, Coal and CNG, emissions from Refrigerants and Fire extinguishers.

²¹ DLF's Scope 2 GHG include emissions from the generation of purchased electricity i.e. electricity purchased from grid as well as purchase of DG units not owned or operated by DLF.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

DLF is committed to improving energy efficiency and lowering Greenhouse Gas (GHG) emissions across its operations and real estate portfolio. With a strategic focus, the Company has introduced various initiatives aimed at promoting energy conservation and use of renewable energy throughout its properties to reduce its carbon footprint. DLF complies with LEED Green Building standards with numerous DLF buildings earning LEED Platinum Certification from the USGBC. These certifications highlight DLF's dedication to incorporating energy-efficient designs and technologies into its developments. In addition, DLF emphasizes the use of high-efficiency equipment and appliances. The Company has implemented the following measures:

a. Scaling up renewable energy generation to reduce reliance on fossil fuels

- DLF has installed rooftop Solar PV systems, including a proposed 173 KW solar PV plant at select commercial properties, in combination with existing solar water heating systems at certain sites. Additionally, certain rental properties have entered into Power Purchase Agreements (PPAs) to procure solar energy, enabling 100% green

energy usage in selected buildings. These efforts are aimed at reducing dependency on grid electricity and lowering the overall carbon footprint.

b. Demand side management, to improve energy efficiency across managed assets

- DLF has transitioned to LED lighting across its commercial and residential developments, including common areas, clubs and basements. PIR-based sensor lighting has been deployed in low-occupancy zones at certain hospitality properties to further optimize energy use.
- Energy-efficient HVAC systems, including VRVs, chillers and AHUs with variable frequency drives, have been deployed across DLF properties.
- Insulated roofing has been incorporated into building designs at select commercial properties to reduce heat gain, thereby lowering cooling loads and related emissions.
- DLF promotes low-emission transport within its campuses by adopting battery-operated golf carts and electric scooters at selected hospitality properties.
- In kitchen operations, hospitality sites have replaced LPG with PNG, resulting in reduction of carbon emissions.

9. Provide details related to waste management by the entity, in the following format:

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

DLF has adopted comprehensive waste management system across all its operations, ensuring alignment with national regulations, municipal guidelines and global sustainability frameworks such as LEED. The Company emphasizes waste minimization, segregation at source, reuse, recycling and safe disposal through authorized vendors. It also undertakes responsible procurement practices to avoid the use of hazardous and toxic substances.

Waste Collection, Segregation and Management measures

- It is a constant effort to ensure all generated waste is suitably treated and no waste is sent

to landfill at all its sites. Construction waste generated during concreting and plastering process is collected, segregated and reused in filling underneath the stich slab. Steel scrap is used in non-structural members of the building to reduce waste. In addition, to divert waste from landfills, DLF tries to source or sell to recycling facilities. For example, DLF has a battery buy-back policy.

- DLF has established dedicated waste collection areas and waste separation facilities at its managed sites. Solid waste undergoes segregation in specific assigned areas, where it is directed for reuse, recycling, or energy recovery, depending on the type of waste. Three types of waste are segregated and monitored as mentioned below:

a. Green Bin: Biodegradable organic waste such as food waste, wet waste collected through these bins, is transferred to

¹⁶ Turnover is total 'Revenue from Operations'. However, it may be noted that as per the accounting standards, the revenue of DLF Cyber City Developers Limited (DCCDL), a material subsidiary of the Company, is not consolidated in the Consolidated Turnover and is accounted as a Joint Venture. This is in alignment with the reporting made for FY 2023-24.

¹⁷ The turnover has been adjusted to the Purchasing Power Parity prices as published by the International Monetary Fund (IMF) for FY 2024-25 and by the Organisation for Economic Co-operation & Development (OECD) for FY 2023-24.

²³ The excavation activity for some of the projects at DLF's development sites has reduced this year, hence showing a decrease in reuse of excavated earth, as compared to last year.

²⁴ For FY 2023-24, other recovery operations include 68,344.66 MT of excavated earth which is used for various purposes including land levelling in the development portfolio.

²⁵ Other disposal operations pertain to waste that was managed through authorized third-party vendors.

organic waste composters installed on-site for composting. The manure generated from this process is used as a fertilizer for horticulture purpose in landscaping.

- b. Blue Bin:** Other non-hazardous recyclable waste such as plastic, paper, metal waste, are sorted as dry waste and is further directed for reuse, recycling through authorised vendors or sent to waste-to-energy plants.
- c. Black Bin:** Hazardous waste items such as sanitary waste and e-waste. The e-waste and hazardous waste like used lube oil and batteries are safely disposed through Government authorized vendors, in line with regulatory requirements.

Solid and Organic Waste Management

- DLF has implemented strict waste segregation protocols at all sites using color-coded bins for dry, wet, recyclable and hazardous waste. Dedicated waste collection areas and organized storage facilities have been established to facilitate systematic diversion.
- Dry waste such as paper, cardboard, plastic, metal and Autoclaved Aerated Concrete blocks is handed over to authorized recyclers.
- Wet waste is processed through Organic Waste Composters (OWCs) installed at various rental sites. The compost generated is reused for horticulture and landscaping within the premises. At a majority of the hospitality sites, wet waste is handed over to municipal bodies or authorized vendors and local RWAs.
- Construction and demolition waste such as concrete debris is reused for temporary road filling and backfilling at construction sites, in line with LEED Platinum pre-certification requirements. Remaining waste is disposed of through authorized agencies with proper documentation and tracking.
- Food and kitchen waste generated from commercial, retail and hospitality properties, is either composted on-site or handed over to authorized NGOs and municipal vendors for responsible disposal.

Hazardous and E-waste Management

- E-waste and battery waste is collected and safely disposed of through Pollution Control Board-authorized recyclers and other certified vendors. All necessary

documentation and compliance certificates are maintained.

- Used lube oil is collected and sold to certified recyclers for recovery and reuse. Oil-contaminated waste including DG filters and cleaning clothes is disposed of through CPCB/ SPCB-authorized handlers.
- Used cooking oil is disposed of annually through licensed vendors, ensuring safe recycling or reuse.
- Biomedical waste generated from on-site clinics is stored in color-coded bins and collected from the construction sites by authorized biomedical waste disposal agencies. Records of collection and disposal are maintained in line with regulatory requirements.

Toxic Waste Management and Chemical Safety

DLF has established a robust system to minimize and manage hazardous and toxic substances:

- Material Safety Data Sheets (MSDS):**
DLF has adopted the use of MSDS for all materials used in construction and operations. MSDS provides detailed information on potential hazards including health effects, fire and reactivity risks, storage, handling, disposal and spill/ leak procedures. Materials are screened and approved based on MSDS, ensuring that only safe and compliant products are used, thereby preventing the use of materials with toxic content.
- Sustainable Procurement**
DLF promotes the use of low-VOC paints, non-toxic adhesives and eco-friendly construction materials to reduce chemical exposure and environmental impact.
- Safe Handling and Disposal**
Hazardous substances such as solvents, sealants and chemicals are properly labeled and stored in designated areas. These materials are disposed of through CPCB/ SPCB-authorized agencies. No toxic chemicals are used on-site beyond essential items such as lubrication oil, which is handled responsibly.

DLF's waste management and toxic substance reduction practices are reinforced through regular audits, vendor compliance checks and employee awareness programmes, ensuring adherence to environmental standards and promoting long-term sustainability.

- 11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/ clearances are required, please specify details in the following format:**

S.No.	Location of operations/ offices	Type of operations	Whether the conditions of environmental approval/ clearance are being complied with? (Y/ N) If no, the reasons thereof and corrective action taken, if any.
Not Applicable ²⁶			

- 12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

Leadership Indicators

- 1. Water withdrawal, consumption and discharge in areas of water stress [in kiloliters (KL)]:**

For each facility/ plant located in areas of water stress, provide the following information:

- (i) Name of the area:** DLF has operations across the locations of North Capital Region (Gurugram and New Delhi), Chennai and Hyderabad.
- (ii) Nature of operations:** Construction and Infrastructure Development, Hospitality for clubs and hotels and Rental of commercial properties as mentioned in Section A.19(c).

¹⁶ Turnover is total 'Revenue from Operations'. However, it may be noted that as per the accounting standards, the revenue of DLF Cyber City Developers Limited (DCCDL), a material subsidiary of the Company, is not consolidated in the Consolidated Turnover and is accounted as a Joint Venture. This is in alignment with the reporting made for FY 2023-24.

²⁶ None of DLF's operations are located around ecologically sensitive areas.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency or reduce impact due to emissions/ effluent discharge/ waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

S. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1.	Green Energy Solutions	- DLF promotes the use of renewable sources for energy generation across its real estate portfolio. Approximately one-third of terrace space is being utilized for solar panel installations to generate clean energy on-site at some development sites; - Select retail properties have entered into a Power Purchase Agreement (PPA) with a third-party solar energy provider to supplement renewable energy sourcing; - Existing wind energy PPAs at select rental properties continues to contribute to the Company's renewable energy mix; and - Transitioned from LPG to Piped Natural Gas (PNG) in kitchens at select hotels to support cleaner fuel usage and reduce carbon emissions.	Increased green power consumption resulting in lower GHG emissions
2.	Energy Efficiency Measures	Measures undertaken to promote energy efficiency across the Company's portfolio include: - Replaced all conventional lighting with energy-efficient LED fixtures across assets; - Upgraded traditional pumps with high-efficiency pump systems at rental and hotel properties; - Substituted vapor absorption machines with energy-efficient chillers; - Installed Variable Frequency Drives (VFDs) on Air Handling Unit (AHU) panels at certain hotels to optimize energy use; - Deployed new Fan Coil Units (FCUs) at select commercial sites to enhance HVAC efficiency; - Installed energy-efficient pumps and exhaust fans to reduce overall power consumption; - Replaced conventional air-cooled chillers with advanced, energy-efficient models to lower emissions and improve system performance at select hotel and commercial sites; - Smart grid/ smart building technologies installed in our properties; and - Wall and roof insulation.	Improved energy efficiency and reduced GHG emissions
3.	Air Quality Improvement Measures	- Treated water from STPs used for dust suppression; - Initiated installation of Retrofit Emission Control Devices (RECDs) on diesel generator sets to significantly reduce particulate and gaseous emissions; - High Efficiency Particulate Air (HEPA) filter-based air purification systems installed in DLF Malls (retail properties) to enhance indoor air quality and reduce pollution; and - Use of anti-smog guns at construction sites to reduce air pollution.	Indoor air quality improvement and reduction in air pollution
4.	Water Conservation Measures	Measures undertaken to promote water efficiency across our portfolio including: - Installed CP fittings with aerators at certain commercial sites to reduce water flow without compromising functionality; - Reuse of treated water from STPs for dust suppression, reducing reliance on municipal freshwater; - Deployed IoT-based flow meters for real-time monitoring and management at rental properties of water consumption; - Installed low flow plumbing fixtures to minimize water usage across facilities; - Implemented metering and sub-metering systems to track and optimize water usage at granular levels; - Automated tank filling and water supply systems to prevent overflow and ensure efficient distribution; - Repurposed RO system discharge water for non-potable applications, further reducing water wastage; and - Implemented Condensate Water Utilization (refers to the practice of collecting and reusing water formed through condensation) from Air Handling Units.	Improved water use efficiency and reduced water consumption

5.	Resource Conservation Measures	- Adopted post-tensioned (PT) concrete slab design to reduce slab thickness by approximately 50 mm, leading to material savings and structural efficiency; - Incorporated fly ash - a byproduct of coal combustion into concrete mixes to reduce the use of high-carbon Portland cement, thereby lowering embodied carbon and promoting circular use of industrial waste; - Maximized the use of coil steel to minimize material wastage compared to conventional cut and bend steel bars processed onsite; - Implemented on-site segregation of construction and demolition (C&D) waste, reusing suitable materials in plain cement concrete (PCC) under stitch slabs to reduce overall waste generation; and - Installation of organic waste converters (OWC) at our managed sites to recycle organic waste into nutrient-rich compost, which is then used for horticultural purposes, eliminating the use of chemicals for gardening purposes.	Reduced embodied carbon of buildings, improved resource efficiency and waste reduction.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web-link.

Yes, DLF Limited has established a comprehensive Business Continuity and Disaster Management Plan under its Emergency Response and Preparedness Plan (ERPP) framework. This plan spans all operational and construction activities and is designed to ensure resilience, safety and minimal disruption during emergencies.

The ERPP identifies a wide range of potential risks, including natural disasters (earthquakes, floods, cyclones), fire outbreaks, gas leaks, power outages, civil unrest, epidemics and other human-induced incidents. The plan is structured to ensure prompt notification, escalation and resolution of emergencies, thereby safeguarding people, assets and operations.

Key features of the ERPP include:

- Deployment of Emergency Response Teams across all managed sites, aligned with ISO 45001:2018-compliant Safety Management Systems;
- Regular emergency preparedness training, mock drills and awareness campaigns to equip employees and contractors with the skills to respond effectively;
- Advanced fire safety systems such as early warning detection, automatic sprinklers and suppression systems installed across all buildings;
- Earthquake-resilient infrastructure, with all real estate projects designed one level above the applicable seismic zone requirements;
- Flood mitigation measures, including rainwater harvesting structures at project sites;

- Clearly marked assembly points and evacuation maps at construction sites to ensure safe congregation during emergencies;
- Dedicated safety teams at all sites to monitor compliance and ensure continuous improvement in emergency readiness; and
- Tie-ups with local hospitals to provide immediate medical support during emergencies.

Through this integrated and proactive approach, DLF ensures business continuity, operational resilience and the well-being of all stakeholders.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Real estate is an energy intensive sector, with construction and operation of buildings contributing significantly towards global GHG emissions, making energy and resource efficiency essential to business operations, building designs as well as supply chain operations. A large percentage of emissions generated by the real estate sector arise from the value chain, including production of construction materials. However, in FY 2024-25, there have been no significant adverse impacts to the environment arising from any of the DLF's projects. The Company promotes responsible development practices through adoption of climate resilient building design, maintaining compliance to all applicable regulatory requirements, promoting use of renewable energy and procuring sustainable construction material. Any potential environmental impact is identified and assessed at the time of project planning and preventive or mitigative measures are undertaken accordingly.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

DLF encourages its value chain partners to adopt environmentally sustainable practices by incorporating environment impact related clauses in the General Conditions Contracts/ Service Level Agreements. However, presently, there is no formal assessment being undertaken in this regard.

8. How many Green Credits have been generated or procured:

- a. By the listed entity
- b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners

No green credits have been generated or procured by DLF. Further, presently the Company has not done any assessment of its value chain partners.

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory bodies, should do so in responsible and transparent manner

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

DLF maintains affiliations with 11 trade and industry chambers/associations operating at, both national and state levels. Through these affiliations, the Company actively contributes to sectoral policy advocacy and promotes enhanced standards of transparency and corporate governance.

b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

S. No.	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/ National)
1	Confederation of Indian Industry (CII)	National
2	Federation of Indian Chambers of Commerce & Industry (FICCI)	National
3	The Associated Chambers of Commerce and Industry of India (ASSOCHAM)	National
4	National Real Estate Development Council (NAREDCO)	National
5	World Travel and Tourism Council, India Initiative	National

Leadership Indicators**1. Details of public policy positions advocated by the entity:**

S. No.	Public Policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/ No)	Frequency of review by Board (Annually/ Half-yearly/ Quarterly/ Others - please specify)	Web Link, if available
1	Non-requirement of approval of the Layout Plan for a single plot under the Municipal Corporation of Delhi's Building Plan Approval System whereas such a provision does not exist in the Delhi Development Authority's or New Delhi Municipal Committee's building Plan Approval System	Through trade chambers	Yes	Monthly	-
2	Eligibility of Input tax credit on expenses incurred in the construction of immovable property intended for further supply of commercial leasing services	Through trade chambers	Yes	Monthly	-
3	Applicability of Green Building Incentives or Green Blue Factor as per the Ratings for Integrated Habitat Assessment (GRIHA) in the Master Plan of Delhi 2041	Through trade chambers	Yes	Monthly	-
4	Fast Track Clearance of the appeal cases filed with the Appellate Committee for grant of height permission of High-rise building projects from Airports Authority of India	Through trade chambers	Yes	Monthly	-
5	Issuance of desired height permission during the initial height NOC stage from Airports Authority of India	Through trade chambers	Yes	Monthly	-
6	Clarification regarding Occupancy & Completion Certificate as per RERA Act (In ref. to Hon'ble Supreme Court of India-Writ Petition Civil No. 1216/2020; Interim Order dated 9 January 2023)	Through trade chambers	Yes	Monthly	-
7	Suitable amendments in policy with respect to Additional FAR Charges for Hotel Plots in NCT of Delhi	Through trade chambers	Yes	Monthly	-

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development**Essential Indicators****1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.**

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/ No)	Results communicated in public domain (Yes/ No)	Relevant Web-Link

3. Describe the mechanisms to receive and redress grievances of the community.

DLF engages with local communities through its dedicated social development arm, DLF Foundation as well as other non-governmental organizations. Community stakeholders are provided with multiple avenues to express concerns and submit grievances, including contact details, e-mail ID and office locations, listed on DLF Foundation's official website.

Additionally, the concerns may be directly communicated via the Foundation's designated e-mail ID (dlf-foundation@dlf.in, dlfcares@dlf.in) ensuring accessibility and responsiveness.

A structured grievance redressal framework is in place to facilitate timely and equitable resolution of issues. Feedback and complaints received through, both digital and in-person channels are escalated to appropriate officials and senior management for review. The process emphasizes impartiality, confidentiality and thorough documentation to uphold transparency and accountability across all projects.

DLF further strengthens its community relations through ongoing CSR initiatives, maintaining regular dialogue with stakeholders via meetings and feedback sessions to proactively address emerging concerns and foster inclusive development.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2024-25	FY 2023-24
Directly sourced from MSMEs/ Small Producers	27.00%	38.40%
Directly from within India	100.00%	99.96%

5. Job creation in smaller towns - Disclose wages paid to persons employed (including employees or workers⁴ employed on a permanent or non-permanent/ on contract basis) in the following locations, as % of total wage cost

Location	FY 2024-25	FY 2023-24
Rural	-	-
Semi-Urban	-	-
Urban	78%	77%
Metropolitan	22%	23%

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

DLF ensures transparent and efficient management of customer feedback and complaints through its Customer Relationship Management (CRM) team. New customers are informed about this process via the contact details provided in the initial correspondence.

Additionally, DLF's digital complaint management system guarantees that every customer issue is logged and tracked for resolution within a specified timeframe. Customers of rental properties of the Company can submit complaints via dedicated application, allowing them to monitor the status of their complaints in real-time.

Furthermore, customers can also connect to the Company through DLF's customer support portal on the DLF website at <https://www.dlf.in/customer-Support>, where the CRM team promptly addresses all queries and complaints.

2. Turnover of products and/ services as a percentage of turnover from all products/ service that carry information about:

5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/ No). If available, provide a web-link of the policy.

Yes, DLF has implemented a comprehensive Cyber Security and Information Security Policy, accessible internally to all employees, aimed at safeguarding information assets from theft, tampering and unauthorized access. The Policy is also available on the Company's intranet and is regularly circulated to all employees.

Ensuring information security by protecting data from theft, tampering and unauthorized access is a key priority in DLF's business processes. This reinforces the importance of maintaining integrity and confidentiality in handling sensitive data. DLF utilizes advanced technology, structured processes and dedicated resources to strengthen security controls, ensuring compliance with laws and industry standards while mitigating potential risks.

- The Company prioritizes data privacy for its customers, employees and stakeholders, collecting only the essential customer information required for providing products or services, in accordance with the Cyber Security and Information Security Policy, which is aligned with ISMS 27001:2022;
- Regular security updates are provided to safeguard collected data against emerging threats, with employees undergoing training on information security and data privacy to ensure proper handling of sensitive information;
- Consent is obtained from the concerned parties before collecting or sharing their data with any third party, demonstrating DLF's commitment to customer privacy rights and preferences;
- The Company has robust security systems for data leakage prevention and incident management, including continuous security log monitoring, multi-factor authentication, end-point device security, disk encryption and periodic software audits conducted by the IT department; and
- An incident management process is in place to report and resolve any security incidents promptly. Employees are encouraged to report any security breaches, misuse of equipment, software or sensitive information for timely resolution and risk mitigation of potential risks.

This comprehensive approach ensures that DLF remains proactive in securing its information assets while aligning with industry best practices.

6. Provide details of any corrective actions taken or underway on issues relating to advertising and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/ action taken by regulatory authorities on safety of products/ services.

DLF has received complaints related to the delivery of essential services in its rental properties, encompassing grievances regarding electricity, housekeeping and parking allocation etc. These concerns were attended to and promptly resolved through remedial actions which involved reinstating services and performing the required repairs and other activities.

7. Provide the following information relating to data breaches:

- Number of instances of data breaches:** Nil
- Percentage of data breaches, involving personally identifiable information of customers:** Nil
- Impact, if any, of the data breaches:** Not applicable

Leadership Indicators

1. Channels/ platforms where information on products and services of the entity can be accessed (provide web link, if available).

Details of all the products and services are provided on the Company's website at <https://www.dlf.in/> and www.dlf.in/offices/.

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/ or services.

DLF actively promotes safe and responsible usage of its buildings by engaging with consumers at key touchpoints both during the handover process and throughout ongoing operations. A range of initiatives have been implemented to ensure occupants are well-informed and prepared. Few of the steps taken in this regard, are mentioned hereinunder:

- **Documentation of Environmental and Social Aspects:** Key environmental and social considerations related to the property are clearly outlined in the allotment letters for residential and commercial properties or incorporated in the lease agreements for leased assets.
- **User Handbook Distribution:** At the time of possession or handover of residential properties, customers are provided with a comprehensive user handbook. This guide includes essential instructions on building usage, covering areas such as fire

and electrical safety, responsible use of appliances and general safety practices.

- **Accident Prevention Measures:** The above-mentioned handbook also details protocols aimed at minimizing the risk of accidents and injuries within the premises.
- **Awareness Generation in Leased Properties:** For leased assets, the FM team disseminates safety-related information through e-mails, notices and guidelines, such as fire safety guidelines developed in consultation with fire safety experts, ensuring tenants remain informed and vigilant.
- **Disaster Preparedness Guidance:** DLF also educates tenants on emergency response procedures for natural disasters, such as earthquakes, to enhance resilience and preparedness.
- **Safety Awareness Campaigns:** In its leased buildings, DLF organizes events like National Safety Week and Fire Service Week, complemented by regular mock drills and interactive activities, such as online quizzes to reinforce safety awareness.
- **Tenant Engagement and Feedback:** DLF maintains open channels of communication with tenants through structured feedback sessions. These interactions also serve as a platform to share insights around ensuring efficient energy and water usage, for promoting sustainable practices.

3. Mechanisms in place to inform consumers of any risk of disruption/ discontinuation of essential services.

DLF ensures timely communication with its customers and tenants regarding any disruptions to essential services. In addition to operational interruptions, tenants are also kept informed about service disruptions arising from external factors such as adverse weather conditions, VIP movements or the closure of public areas.

Following the handover of residential properties within the development portfolio, the responsibility for ongoing communication is managed by the FM agency or the respective Residents' Welfare Association. These entities are tasked with providing real-time updates to residents, ensuring they are always well-informed of any potential or ongoing service disruptions.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/ No/ Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/ services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/ No)

DLF's diverse portfolio spans the development of residential homes, commercial office spaces, retail properties (Malls) and hospitality projects (Hotels and Clubs). Relevant product details are included in the documentation provided to customers at the time of building handovers or lease agreement signings. Customers also receive a comprehensive user handbook, outlining building features and guidelines for safe and responsible usage.

Additionally, a significant portion of DLF's rental portfolio buildings have obtained LEED Green Building Certifications under the Operations and Maintenance or Design and Construction categories by USGBC. Information about these LEED Certifications are prominently displayed across all leased buildings.

To assess customer satisfaction, DLF conducts periodic Sentiment Analysis by way of online Resident Surveys. These exercises are targeted towards gathering feedback from tenants occupying leased buildings and property buyers through third-party engagement. This survey covers key clusters within its real estate portfolio, enabling the Company to gain valuable insights into customer perceptions and drive continuous improvements.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. ECONOMIC OVERVIEW

a) Global Economy

The global macro-economic environment remains challenging, influenced by geopolitical events such as trade tensions and tightened financial conditions. According to the revised outlook of the International Monetary Fund (IMF), global growth is projected to be at 2.8% in 2025 and 3% in 2026. The IMF anticipates a slower decline in the global headline inflation rate compared to earlier estimates, reaching 4.3% in 2025 and 3.6% in 2026.

b) Indian Economy

India remains a beacon of economic growth amidst global challenges. The National Statistics Office reported a 6.5% real GDP growth rate for FY 2024-25, underscoring the economy's resilience.

India's economy is poised to advance in the global arena. The IMF forecasts growth over the next two

years for the Indian economy at 6.2% in 2025 and 6.3% in 2026, respectively.

The Reserve Bank of India also observed improvement in inflation expectations, leading to a reduction in benchmark rates.

2. INDUSTRY OVERVIEW

a) Residential Segment

India's residential real estate segment maintained its robust performance in the preceding year. According to Anarock's report, housing sales in the top seven cities reached ~4.59 lakh units. However, the overall sales value experienced a 16% increase, reaching ~₹ 5.68 lakh crore. This indicates a sustained demand momentum and a strong preference for premium and luxury housing segments.

Inventory overhang across the top seven cities stood at 14 months at the end of Calendar Year (CY) 2024, representing a 62% decrease compared to the 30 months observed at the end of CY 2019.

b) Office Segment

India's office real estate sector witnessed an all-time high absorption during CY 2024 at ~7.34 million square meters (msm) [~79 million square feet (msf)]. The demand was primarily fuelled by Global Capability Centres (GCCs), Banking, Financial Services and Insurance (BFSI) and flexible space operators. Bengaluru accounted for the highest share of leasing activity, followed by Delhi-NCR, Mumbai

and Hyderabad, collectively contributing over 70% of total leasing volumes. New supply additions during the period were estimated at ~4.86 msm (~52.3 msf).

The sustained demand momentum would be attributed to a highly skilled workforce and competitive cost structures that the country offers. Occupier preferences remained centred on high quality workplaces, offering sustainability, safety, wellness-driven and efficient design specifications.

c) Retail Segment

India's retail sector sustained its growth trajectory in 2024, driven by healthy consumption trends. This positive momentum is anticipated to persist in 2025, as the malls refine their tenant mix and provide dynamic shopping, entertainment and dining experiences.

Management Discussion and Analysis Report

The anticipated completion of several investment-grade malls is likely to expand leasing opportunities for both international and domestic retailers. Consequently, India's retail leasing activity is projected to remain robust over the medium term.

CY 2024 saw a supply of ~0.11 msm (~1.2 msf), while absorption was ~0.60 msm (~6.4 msf).

3. BUSINESS/ FINANCIAL PERFORMANCE

a) Material Developments

- The Company launched its latest super-luxury offering - 'The Dahlias' in DLF5, Gurugram with an estimated sales potential of ~₹ 35,000 crore, of which ~39% was sold within the year.
- Credit ratings for DLF were re-affirmed with the outlook being revised to Positive from Stable. The credit ratings for DLF are CRISIL AA/ Positive outlook and ICRA AA/ Positive outlook.
- CRISIL upgraded the credit rating for DLF Cyber City Developers Limited (DCCDL), a material subsidiary of the Company to CRISIL AAA/ Stable outlook.
- DLF Info City Developers (Kolkata) Limited, a wholly-owned subsidiary company of DCCDL had entered into a definitive agreement to sell and transfer on slump sale basis of its Kolkata Tech Park business undertaking for an aggregate consideration of ~₹ 637 crore. The transaction was consummated during the fiscal.
- The Company entered into definitive agreements for sale of its IT/ ITeS SEZ, comprising freehold land parcel, admeasuring ~25.90 acres, situated in Kolkata along with constructed building - DLF Tech Park with a gross leasable area of ~10,54,357 square feet. The agreed consideration is ~₹ 693 crore, subject to requisite adjustments.

- DLF Home Developers Limited, a material wholly-owned subsidiary of the Company, acquired 49.997% of the total paid-up equity share capital and compulsorily convertible debentures, held by Reco Greens Pte. Limited, an affiliate of GIC, Singapore in DLF Urban Private Limited.

b) Revenue and profitability (Consolidated)

Consolidated revenue (including other income) stood at ₹ 8,996 crore during the fiscal. EBITDA stood at ₹ 3,111 crore, reflecting a Y-o-Y growth of 17%. Total comprehensive income (attributable to the owners of the Company) stood at ₹ 4,356 crore, as compared to ₹ 2,730 crore in the corresponding period, reflecting a growth of 60%.

DCCDL reported a consolidated total income of ₹ 6,448 crore, reflecting a 9% growth over the previous period, primarily led by the rental growth in the office and retail portfolio. DCCDL's consolidated EBITDA stood at ₹ 4,949 crore in FY 2024-25 in comparison to ₹ 4,478 crore in FY 2023-24, reflecting an 11% growth over the previous period. Total comprehensive income stood at ₹ 2,461 crore, reflecting a 46% growth over the last year.

c) Balance Sheet

The Company's consolidated Net Worth (excluding capital reserves) was recorded at ₹ 42,453 crore. The increase was primarily on account of retained profits.

The Company continues to generate healthy cash flow from its operations, resulting in the balance sheet turning into cash positive. The net cash position at the end of the fiscal stood at ₹ 6,848 crore.

4. REVIEW OF OPERATIONS

a) Development Business

The Company's development business delivered a strong performance with a record new sales bookings of ₹ 21,223 crore during the fiscal, reflecting a growth of ~44% compared to previous fiscal.

The strong performance was primarily driven by the following major launches during the fiscal:

- Super-luxury project - 'The Dahlias' in DLF 5, Gurugram, which generated over ₹ 13,744 crore in new sales bookings.
- Second phase of its luxury project - 'DLF Privana West' in Sector 76/77, Gurugram, generating ~₹ 5,600 crore in new sales bookings.

b) Annuity Business

The annuity business, comprising assets owned by the Company and its subsidiaries (including DCCDL), delivered steady growth during the fiscal. The operational portfolio stood at ~4.18 msm (~45 msf) with an average occupancy of ~94%. During the period, ~0.19 msm (~2 msf) was completed and delivered at DLF Downtown, Gurugram.

c) Other Business

DLF's other businesses also demonstrated consistent performance. The hospitality portfolio, including The Lodhi and Hilton Garden Inn, recorded revenues of ₹ 521 crore in FY25. Club operations across integrated developments and premium residential hubs contributed to enhanced community engagement.

5. OUTLOOK & STRATEGY

The Company delivered strong performance in FY25 across all parameters. The Company remains committed towards continued focus on customer centricity, execution excellence, strong cash flow

generation and disciplined capital allocation. Key priorities for the Company are enlisted below:

i) Development Business

The Company's development business is centered around the development and sale of the following key products:

- High-rise condominiums;
- Low-rise independent floors;
- Plotted development; and
- Shop-cum-Offices.

This business has an identified pipeline of new products with a total sales potential of over ₹ 1.1 lakh crore. Out of this identified pipeline, the Company has launched projects with sales potential of ~₹ 40,600 crore in FY25 and recorded new sales bookings of ~₹ 19,344 crore from these new launches.

The Company will endeavour to bring these new offerings to the market and continue to leverage its strong brand positioning, high-quality products and favourable demand drivers to deliver consistent performance. The Company anticipates that its luxury/ super-luxury products, coupled with its low-cost land bank, will continue delivering consistent margin accretion and healthy cash flow generation.

In addition to the identified pipeline, the Company also possesses development potential of ~13.38 msm (~144 msf) (including Transit Oriented Development (TOD)/ Transferable Development Rights (TDR) potential), providing clear growth visibility for its development business over the coming years. Further, given the strong balance sheet and healthy cash position, the Company will continue to evaluate opportunistic replenishment to further enhance its existing potential.

ii) Annuity Business

The Company has a strong and diversified annuity business comprising of:

- development and leasing of offices;
- development and leasing of retail malls;
- asset management (Common Area Maintenance/ Services business); and
- Hospitality vertical including Hotels, Clubs and Food & Beverages.

The operational rental portfolio stood at ~4.18 msm (~45 msf) with occupancy of ~94% at the end of the year. The rental business has been and continues to be a steady growth driver for the Company.

India's office landscape remains favourable for growth, as the vast pool of skilled workforce, coupled with competitive cost structures, continues to be a strong draw for multinational and large occupiers. On the backdrop of anticipated demand momentum,

the Company has accelerated its capital expenditure (capex) programme to grow its office portfolio and has identified a strong pipeline of new products, totalling ~1.86 msm (~20 msf) across gateway cities including Gurugram, Chennai, Hyderabad and Noida.

The Company also anticipates continued momentum across the retail business and has embarked on creating new retail destinations across micro-markets in Gurugram, Delhi and Goa. It expects to complete ~0.13 msm (~1.4 msf) across the three new malls in FY26.

Pre-leasing trends remained strong and with sustained demand momentum across these products and geographies, the Company expects that its rental revenue should surpass ₹ 10,000 crore in the medium term.

In addition, the identified pipeline, the Annuity business also possesses further development potential of ~5.77 msm (~62 msf) (including TOD/ TDR potential) providing clear growth visibility for the annuity business beyond the identified pipeline for long-term growth.

iii) Healthy Balance Sheet

The Company has already achieved its stated target of making the Development business net debt zero. Now, the Company has further set a goal of making the development business gross debt zero in the near term. The Company is confident of achieving this goal, supported by a strong cash position and anticipated cash surplus generation from the business.

The Company is committed to accelerate its capex spends towards portfolio growth while ensuring that the gearing in the annuity business continues to remain at healthy levels. It expects to maintain a Net Debt to EBITDA ratio of ~3x.

iv) Prudent Capital allocation and healthy Shareholder returns

The Company remains committed to follow a prudent capital allocation policy which enables healthy growth along with enhanced shareholder returns. The Company expects to invest its cash surplus in enhancing its existing land bank, ensuring product readiness and capex for growing its annuity business.

Shareholder returns continues to be a cornerstone for the capital allocation policy and it strives to enhance shareholder returns through steady dividend growth. The Company has grown its dividend payout at a compounded growth of 31% since FY21.

6. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

DLF has established a robust internal control framework that aligns with the scale, complexity and evolving risk environment of its operations. The control systems are designed to ensure accurate financial reporting, asset protection, operational efficiency and compliance with applicable laws and regulations across all business units.

The internal audit function operates under the supervision of the Audit Committee through a comprehensive risk-based annual audit plan. Independent internal and external audits are conducted across critical business processes and the findings are monitored through an automated audit management system to ensure timely resolution of action items and mitigation of identified risks.

Throughout the year, the Company has further enhanced its digital governance capabilities by implementing Enterprise Resource Planning (ERP) - integrated workflow systems, strengthening vendor due diligence protocols and deploying automated dashboards for real-time compliance monitoring. The Enterprise Risk Management (ERM) framework has been reviewed and updated to reflect sector-specific, operational and macro-economic developments.

The Audit Committee continues to regularly review internal audit findings, statutory audit reports and key risk indicators. DLF remains committed to maintain the high standards of governance, process discipline and transparency across all operational and functional areas.

The Company has a Risk Management Committee to frame, implement and monitor a robust risk management plan to identify and mitigate potential risks for the business. Identification and mitigation plans are done on a continuous basis as part of the process and periodic reviews are conducted on effective implementation and monitoring of these Enterprise Risk Management (ERM) plans.

The Company has also created dedicated frameworks and systems to ensure and monitor compliances throughout its business. The automated compliance systems follow a periodic digital reporting and monitoring cycle along with regular on-site reviews of regulatory and technical compliances.

Further, the Company is undergoing a significant transition of upgrading its current ERP to SAP S4HANA ERP system which should further enhance efficiencies and ensure tighter control on processes and reporting.

7. HUMAN RESOURCES

The Company remains committed to invest in the growth and development of its people, recognizing it as a critical enabler of business success. Anchored in this belief, the Company continued to drive a comprehensive employee development strategy that promotes continuous learning, cross-functional collaboration and career growth. In alignment with its business expansion, the Company scaled hiring efforts across the project management, design, sales, marketing and support functions. Additionally, the Company visited premier campus and made offers to fresh graduate engineers and architects. The previous batch trainees also completed a structured six-month journey with orientation, functional training, site immersion and shadowing and were placed across

business units till January 2025. To nurture internal mobility and leadership readiness, the Company encouraged internal job postings and launched focused mentoring for high-potential employees. Leadership capability was further strengthened through initiatives like the DLF Advancing Leaders Programme (in partnership with MDI, Gurugram), the DLF Young Leaders Programme and the LEAP journey for new manager. The Construction Ed Academy continued to anchor technical upskilling with curated workshops, certifications and training on digital tools such as Building Information Modelling (BIM) and Autodesk Construction Cloud (ACC). To foster a culture of knowledge sharing and domain excellence, 11 Technical Communities of Specialization were activated, conducting 78 connects and engaging over 700 employees across functions.

As on 31 March 2025, DLF Group had 3,103 employees, including the workforce engaged in the hospitality division.

The Company's holistic wellness programme educates and guides employees around work-life balance and the importance of a healthy lifestyle, emotional, physical well-being and prevention of diseases. Annual medical check-ups, structured monthly health programmes, health bulletins, health talks and awareness campaigns are periodically conducted. The Company instituted attractive comprehensive Group Medclaim and Accident Insurance Policies including emergency response facilitation, alliances with hospitals and diagnostic centres as well as consultation facilities with an in-house doctor and counsellor.

8. SUSTAINABILITY

DLF continued to build on its leadership in sustainable development during FY25, with its operational portfolio comprising over ~3.91 msm (~42 msf) of LEED Platinum certified space under the Operations and Maintenance category.

DLF Cyber City, Chennai was awarded LEED Platinum Certification under the 'City & Community' rating system, further reinforcing the Company's commitment to create regenerative, future-ready urban ecosystems.

The Company retained its position as a global leader in LEED Zero Certifications, with more than ~3.72 msm (~40 msf) certified for Net Zero Water.

Several additional buildings including Building 8, Building 10 and Infinity Tower in Gurugram, were awarded LEED Zero Waste Certifications during the year, expanding DLF's portfolio of circular and resource-efficient developments.

9. OUTLOOK ON RISKS AND CONCERNS

DLF operates in a dynamic and evolving environment that presents multiple risk vectors across the macro-economic,

regulatory, operational and market domains. Key macro-economic risks include persistent inflationary pressures, interest rate volatility and global geopolitical disruptions, all of which may influence customer sentiment, cost structures and capital allocation.

On the regulatory front, the business remains exposed to changes in development guidelines, environmental clearance processes, taxation frameworks and zoning regulations that can affect project viability and timelines. Operationally, the Company continues to monitor and address risks associated with execution delays, supply chain disruptions and cyber security threats that may impact business continuity and stakeholder trust.

DLF follows a structured ERM framework that facilitates the proactive identification, evaluation and mitigation of key risks across business functions. Risk registers are maintained at the business unit level and are reviewed periodically by senior management and the Audit Committee.

The Company's diversified launch pipeline, robust financial discipline and governance-driven culture serves as the key mitigants against emerging risks. DLF remains focused on strengthening its organizational resilience through forward-looking risk controls, scenario analysis and institutionalization of strong internal processes to ensure sustainable long-term performance.

CORPORATE GOVERNANCE REPORT

The Corporate Governance Report has been prepared in compliance with the requirements of Regulation 17 to 27 read with Schedule V and Clause (b) to (i) and (t) of Regulation 46(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations').

DLF's Philosophy on Corporate Governance

The Board and Management of DLF believe that operating at the highest levels of transparency and with emphasis on integrity, is integral to ethos of the Company. The Company's visionary founder Late Chaudhary Raghvendra Singh established a culture which ensured that all its activities are for the mutual benefit of the Company and its stakeholders comprising customers, regulators, employees, shareholders as also the community at large.

Dr. K.P. Singh, Chairman Emeritus, ensured continuance of this legacy of Late Chaudhary Raghvendra Singh and set in place the highest standards of accountability, transparency, social responsiveness, operational efficiency and ethics with the objective of consistent, competitive, sustainable growth and creation of value for stakeholders in the long-term.

The Board and Management of DLF are committed to meet the aspirations of its stakeholders. DLF practices sound corporate governance and upholds the highest standards in conducting business. Being a value-driven organisation, the Company has always worked towards building trust with shareholders, employees, customers, suppliers and other stakeholders, based on the principles of good corporate governance viz. integrity, equity, transparency, fairness, disclosure, accountability and commitment to values.

The Company is committed to sound corporate governance practices as well as compliance with all applicable laws and regulations. The Board believes that combining the highest level of ethical principles with the unmatched brand, experience and expertise, will ensure DLF's continuance as the leading Company in the Real Estate Sector.

Over the years, DLF implemented governance practices that extend beyond the letter of the law. In doing so, the Company not only adopted practices mandated in the SEBI Listing Regulations but also incorporated the relevant non-mandatory compliances, strengthening its position as a responsible corporate entity.

Governance Structure

The Company has implemented a governance structure with defined roles and responsibilities in respect of every systemic constituent. The Company's shareholders appoint the Board of Directors, who, in turn govern the Company. The Board has constituted

various Committees to discharge responsibilities effectively. The Company Secretary acts as the Secretary to all the Committees. The Chairman provides strategic direction and guidance to the Board. The Managing Directors and a group of senior executives are individually empowered for day-to-day operations with roles and responsibilities assigned by the Board.

The Board

The Board of the Company represents an optimum mix of professionalism, knowledge and experience, which enables it to discharge its responsibilities and provide effective leadership to fulfil its long-term vision and ensure the highest governance standards. As on 31 March 2025, the Board comprised of 12 Directors - three Executive Directors (25%), nine Non-executive Directors (75%) including six Independent Directors [with one Independent Woman Director] (50%).

Subsequent to the financial year, Mr. A.S. Minocha, upon completion of his second term, ceased to be an Independent Director of the Company w.e.f. the close of business hours on 19 May 2025. To fill the resulting vacancy, the Board of Directors in its meeting held on 19 May 2025 has appointed Ms. Vinati Kastia Kilambi as an Additional Director (in independent capacity), subject to the approval of shareholders. Considering these changes, the composition of the Board of Directors is in conformity with the SEBI Listing Regulations and the Companies Act, 2013 (the 'Act').

During FY 2024-25, the shareholders vide their respective resolution(s) had approved appointment of Lt. Gen. Ajai Singh (Retd.) as an Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) consecutive years w.e.f. 1 April 2024

and re-appointment of Mr. Rajiv Singh as a Whole-time Director, designated as Chairman of the Company for a period of 5 (five) years w.e.f. 9 April 2024.

The shareholders had also approved the appointment of Mr. Mahender Singh as an Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) consecutive years w.e.f. 7 August 2024.

Lt. Gen. Aditya Singh (Retd.), upon completion of his second term, ceased to be an Independent Director of the Company w.e.f. the close of business hours on 28 August 2024.

The Board of Directors in its meeting held on 13 May 2024 had appointed Mr. Ashok Kumar Tyagi as the Chief Financial Officer (CFO) of the Company in addition to his existing role and responsibilities as the Managing Director of the Company.

The Board of Directors in its meeting held on 3 December 2024 appointed Mr. Badal Bagri as CFO of the Company w.e.f. 6 December 2024, designated as Group CFO. With the appointment of Mr. Badal Bagri as Group CFO, Mr. Ashok Kumar Tyagi ceased to hold the position of CFO w.e.f. 6 December 2024 and continued in his role as the Managing Director of the Company.

The Board critically evaluates the Company's strategic directions, management policies and their effectiveness. The Board regularly reviews, inter-alia the industry environment, annual business plans, performance compared with projections, business opportunities including investments/ divestments, related party transactions, compliance processes including material legal issues, strategy, risk management and approval of the financial statements/ results. Senior executives are invited to provide additional inputs at the Board meetings as and when required. Transparent, frequent and detailed interaction provides a strategic roadmap for the Company's growth.

Apart from shaping the long-term vision, the Board exercises independent judgment in overseeing the management performance on behalf of the shareholders and other stakeholders and hence, plays a vital role in the oversight and management of the Company.

Based on the recommendation of the Nomination and Remuneration Committee (NRC) and approval of the Board of Directors, Executive Director(s) are appointed by the shareholders for a maximum term of 5 (five) years at a time or such shorter duration and are eligible for re-appointment upon completion of their term.

Appointments and the tenure of the Independent Directors adhere to the stipulations of the Act read with Regulation 17(1A) and 25 of the SEBI Listing Regulations. The NRC and the Board of Directors recommend the appointment/ re-appointment/ continuation of Independent Directors for consideration of the shareholders.

Directors Qualification, Skills, Expertise, Competencies and Attributes

DLF believes that it is the collective effectiveness of the Board that influences the Company's performance and therefore members of the Board should have a balance of skills, experience and diversity of perspective. Given the Company's size, scale and nature of business, the Board has identified skills/ expertise/ competencies in the area of leadership, business management, strategic insight/ planning, risk management, project management, architecture, engineering, sales, marketing, customer services, banking, finance and taxation, legal, merger and acquisition, HR management, corporate governance, technical operations etc. as those necessary for its members. Details of the key skills/ expertise/ competencies as relevant are listed in the brief profile of the Directors.

The eligibility of a person to be appointed as a Director of the Company is dependent on whether he/ she possesses the requisite skill sets identified by the Board, as also that the person is a proven leader in his/ her domain. The Directors are drawn from diverse backgrounds and possess special skill sets with regard to business processes, industries, project management, finance, legal and other fields.

All Independent Directors are the persons of eminence and bring a wide range of expertise and experience to the Board, thereby ensuring the best interests of stakeholders and the Company.

Confirmation from Independent Directors vis-a-vis Management

The Independent Directors in their disclosures have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence. Based on the disclosures received from the Independent Directors, the Board of Directors have confirmed that they fulfill the conditions specified in Section 149(6) of the Act and Regulation 16(1)(b) and 25(8) of the SEBI Listing Regulations, as also that they were independent of the management.

Confirmation by Directors regarding Directorships/ Committee Memberships

Based on the disclosures received, number of Directorship(s), Committee Membership(s), Chairmanship(s) of all the Directors are within the respective limits prescribed under the Act and the SEBI Listing Regulations. Further, no Executive Director serves as an Independent Director in any other listed company.

Certification from Company Secretary in Practice

None of the Directors on the Board of the Company have been debarred or disqualified from being

appointed or continuing as Directors of companies by the Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA) or any such Statutory Authority. A certificate to this effect has been received from AS & Associates, Company Secretaries in practice and forms part of this Report.

The NRC is governed by a Charter in line with the requirements mandated by the Act and Regulation 19(4) of the SEBI Listing Regulations.

The broad terms of reference are as under:

- To determine the Remuneration Policy of the Company;
- To recommend to the Board the remuneration, whether by way of salary, perquisites, sitting fees, commission, stock options, sweat equity or in

a combination thereof or otherwise, payable to the Managing Director(s), Whole-time Director(s) and other Directors, their relatives engaged in the employment of the Company;

- To recommend to the Board the remuneration, whether by way of salary, perquisites, commission, retainership fee, or otherwise, payable to Directors for discharging the professional or other services otherwise than in the capacity of Director;
- To frame policies and compensation including salaries, incentives, bonuses, promotion, benefits, stock options and performance targets for executives of the Company;
- Formulation of the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a policy, relating to the remuneration of the Directors, Key Managerial Personnel and other employees;
- The Committee, while formulating the policy, shall ensure that:
 - the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
 - relationship of remuneration to performance is clear and meets appropriate performance benchmarks;
 - remuneration to Directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the Company and its goals.
- Formulation of criteria for evaluation of performance of Independent Directors and the Board;
- Devising a policy on Board diversity; and
- Identifying persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down and recommend to the Board their appointment, remuneration and removal.

The NRC shall, for appointment of an Independent Director, evaluate the balance of skills, knowledge and experience as a potential member of the Board and on the basis of such evaluation, prepare a description of the role and capabilities required of an Independent Director. The person recommended to the Board for appointment as an Independent Director should have the capabilities identified in such description.

Nomination and Remuneration Policy

The Nomination and Remuneration Policy of the Company was devised in accordance with Section 178 of the Act and SEBI Listing Regulations. The Nomination and Remuneration Policy is aimed at

inculcating a performance-driven culture. Through its comprehensive compensation programme, the Company endeavours to attract, retain, develop and motivate a high-performance workforce. The said policy is available on the Company's website at <https://www.dlf.in/pdf/NominationandRemunerationPolicy.pdf>. The policy, inter-alia includes the criteria for selection and appointment of individuals on the Board of the Company. The policy also illustrates discussion on succession planning and Board diversity at the time of nominating Directors. The Committee endeavours to have Board members from diverse backgrounds/disciplines.

The guiding principles for the Company's remuneration policy are, inter-alia, as follows:

- the level and composition of remuneration is competitive, reasonable, sufficient and aligned to market practices and sufficient to attract, retain and motivate talent required to run the Company successfully and ensure long-term sustainability of the Company;
- the remuneration to Directors, Key Managerial Personnel and Senior Management has a fair balance between fixed and variable pay, reflecting short and long-term performance objectives appropriate to the working of the Company and its goals;
- the remuneration is linked to key deliverables, appropriate performance benchmarks and metrics and varies with performance and achievements;
- there is an alignment of performance metrics with business plans and strategy, corporate performance targets and interest of stakeholders;
- quantitative and qualitative assessments of performance are used for making informed judgments and evaluation;
- there is sufficient flexibility to take into account future changes in industry and compensation practice; and
- the pay takes into account both external market and Company conditions to ensure a balanced and fair outcome.

The Company, based on the aforesaid principles and on the recommendation of the NRC, pays remuneration to its Executive Directors by way of salary, benefits, perquisites and allowances (fixed component) and commission (variable component). Annual increments are approved by the Board of Directors, based on the recommendation of the NRC. Commission is payable to the Executive Directors, out of the profits of the Company for the financial year and within the ceilings prescribed under the Act and SEBI Listing Regulations.

During FY 2024-25, the sitting fee payable to the Non-executive Directors (including Independent Directors) was revised from ₹ 50,000/- to ₹ 1,00,000/- for attending each meeting of the Board and Committee(s) thereof, effective from 13 May 2024. It was also

approved that the Non-executive Directors (including Independent Directors) would be entitled to a fixed commission, including an additional commission for FY 2024-25 and onwards, based on their participation in meetings and their respective Committee positions. The commission to the Non-executive Directors would be within the ceiling of 1% of the net profits of the Company as computed under the applicable provisions of the Act. The Company also reimburses out-of-pocket expenses incurred by the Directors for attending the meetings.

The details of remuneration paid to all the Directors and other disclosures required to be made under Regulation 34(3) of the SEBI Listing Regulations have been published elsewhere in this Report and in the Board's Report.

Board Membership Criteria

The Board is responsible for selection of a member on the Board. The NRC of the Company follows defined criteria for identifying, screening, recruiting and recommending candidates for appointment as a Director on the Board.

The criteria for appointment on the Board, inter-alia includes:

- Diversity on the Board;
- Relevant experience and track record in finance, law, management, sales, marketing, administration, research, corporate governance, technical operations or other disciplines related to the Company's business and relevant to its role;
- Highest standards of personal and professional ethics, integrity, values and stature;
- Ability to devote sufficient time and energy in carrying out assigned duties and responsibilities; and

Disclosures

a) Material Related Party Transactions

None of the materially significant transactions with any of the related parties was in conflict with the interest of the Company. Most of the related party transactions were generally with the Company's subsidiaries and associates.

Attention is drawn to the disclosure of transactions with related parties set-out in Note 45 of the Standalone Financial Statements forming part of the Annual Report.

The Board of Directors have laid down a Related Party Transactions Policy which, inter-alia includes the approval matrix as per the applicable regulatory provisions and determination of materiality threshold for a Related Party Transaction. The said policy is available at <https://www.dlf.in/pdf/Related-Party-Transaction-Policy.pdf>. The Board of Directors reviews the said

policy at least once in every three years for any updation and on the recommendation of the Audit Committee, the said policy was last reviewed and approved by the Board of Directors in its meeting held on 24 January 2025.

b) Dividend Distribution Policy

The Board has laid down Dividend Distribution Policy in compliance with Regulation 43A of the SEBI Listing Regulations and the same is available on the website of the Company at <https://www.dlf.in/pdf/Dividend-Distribution-Policy.pdf>. The policy lays down the broad parameters and factors that will be taken into consideration by the Board of Directors of the Company for declaration of dividend.

c) Strictures and Penalties

No strictures or penalties have been levied by the stock exchanges, SEBI or any other statutory authority on any matter related to capital markets during the last

three years. Details of penalties/ strictures or ongoing cases pending for hearing before the Hon'ble Supreme Court of India are given below:

A. i) The Securities and Exchange Board of India ('SEBI') vide order dated 10 October 2014 restrained the Company and its Officers/ certain directors from accessing the securities market and prohibited them from buying, selling or otherwise dealing in securities, directly or indirectly, in any manner, whatsoever, for a period of three years. This Order was passed pursuant to a Show Cause Notice (SCN) dated 25 June 2013 which, inter-alia alleged that the Offer Documents issued by the Company at the time of its initial public offer in the year 2007 suffered from material non-disclosures and misstatements.

The Company and the said Directors filed appeals before the SEBI Appellate Tribunal ('SAT'). SAT, by majority order dated 13 March 2015, allowed the appeals on the ground that there was nothing that suggested that the investors were prejudiced due to non-disclosure of information by DLF in its offer document, or that such non-disclosure resulted in any benefit to DLF or its Directors in violation of the Erstwhile DIP Guidelines.

SEBI filed an appeal with the Hon'ble Supreme Court of India, which stand admitted vide order dated 24 April 2015 without granting any interim stay in favour of SEBI.

In February 2015, SEBI, in similar matters, imposed penalties upon Company, some of its directors/ officers and its three subsidiaries and their directors. The Company approached the SAT which held that the SEBI order cannot be sustained. In October 2015, SEBI filed applications before the Hon'ble Supreme Court seeking, restraint on the Company, its promoters and/ or directors from proceeding with the sale of 159,699,999 Cumulative Compulsorily Convertible Preference Shares of DLF Cyber City Developers Limited held by the promoter group companies to third party institutional investors. The said applications came up for hearing before the Hon'ble Supreme Court on 4 November 2015 and the Hon'ble Supreme Court did not pass any orders restraining the Transaction and simply directed that the said applications be listed along with the appeal. The matter is pending and to be listed in due course.

ii) SEBI issued a SCN dated 28 August 2013 under Section 15HA and 15HB of the SEBI Act and under Rule 4 of the SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules,1995 ('Adjudication Rules') making allegations similar to the SCN dated 25 June 2013. The Company filed its Reply to the same opposing the allegations made against it. Similar SCNs were also issued to three subsidiaries, their directors and certain other entities.

By way of order dated 26 February 2015, the Adjudicating Officer, SEBI imposed monetary penalties upon Company, some of its Directors, its erstwhile CFO, its three subsidiaries and their Directors under Section 15HA and under Section 15HB of the SEBI Act.

The Company and other parties aggrieved by the aforesaid order filed appeals before the Hon'ble SAT against the aforesaid order dated 26 February 2015. When these appeals were listed before Hon'ble SAT on 15 April 2015, SEBI's counsel under instructions stated that during the pendency of the said appeals, the Order dated 26 February 2015 would not be enforced. The Hon'ble SAT vide its order passed on 25 April 2018 held that in view of Hon'ble SAT's majority decision dated 13 March 2015, the SEBI Order dated 26 February 2015 cannot be sustained.

Accordingly, the Hon'ble SAT disposed off the appeals with a direction that these appeals, shall stand automatically revived once the Hon'ble Supreme Court of India disposes of the civil appeals filed by SEBI against the Hon'ble SAT's judgment dated 13 March 2015.

B. The Competition Commission of India (CCI) on a complaint filed by the Belaire/ Magnolias/ Park Place owners association had passed orders dated 12 August 2011 and 29 August 2011 wherein the CCI had imposed a penalty of ₹ 63,000.00 lakhs on DLF Limited ('DLF' or 'the Company') or, restraining DLF from formulating and imposing allegedly unfair conditions with buyers in Gurugram and further ordered to suitably modify the alleged unfair conditions on its buyers.

The said orders of CCI were challenged by DLF on several grounds by filing appeals before the Competition Appellate Tribunal (COMPAT).

COMPAT vide its order dated 19 May 2014 upheld the penalty imposed by CCI.

The Company had filed an appeal in the Hon'ble Supreme Court of India against the order dated 19 May 2014 passed by the COMPAT. The Hon'ble Supreme Court of India vide order dated 27 August 2014 admitted the Appeal and directed the Company to deposit penalty of ₹ 63,000.00 lakhs in the Court. In compliance of the order, the Company had deposited ₹ 63,000.00 lakhs with the Hon'ble Supreme Court of India and is continued to be shown as recoverable. The matter is pending and to be listed in due course.

INDEPENDENT AUDITOR’S REPORT

To the Members of DLF Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of DLF Limited (‘the Company’), which comprise the Balance sheet as at 31 March 2025, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended (‘the Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, its profit including other comprehensive loss, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Emphasis of Matter

- (i) We draw attention to note no. 50(9)(i)(a), (b) and (c) to the standalone financial statements of the Company, which describes the uncertainty relating to outcome of following lawsuits filed against the Company:
- a) In a complaint filed against the Company relating to imposing unfair conditions on buyers, the Competition Commission of India (CCI) has imposed a penalty of ₹ 63,000.00

lakhs on the Company which was upheld by Competition Appellate Tribunal. The Company has filed an appeal which is currently pending with Hon’ble Supreme Court of India and has deposited ₹ 63,000.00 lakhs as per direction of the Hon’ble Supreme Court of India.

- b) In a writ filed with Hon’ble High Court of Punjab and Haryana, the Company, one of its subsidiary and a joint venture Company have received judgements cancelling the sale deeds of land/ removal of structure relating to two IT SEZ/ IT Park Projects in Gurgaon. The Company, its subsidiary and joint venture company filed Special Leave Petitions (SLPs) challenging the orders which is currently pending with Hon’ble Supreme Court of India. The Hon’ble Supreme Court has admitted the matters and stayed the operation of the impugned judgements till further orders in both the cases.
- c) Securities and Exchange Board of India (‘SEBI’) in a complaint filed against the Company, imposed certain restrictions on the Company. The Company had received a favorable order against the appeal in said case from Securities Appellate Tribunal (‘SAT’). SEBI, subsequently, has filed a statutory appeal which is currently pending before Hon’ble Supreme Court. SEBI has also imposed penalties upon the Company, some of its directors, officers, its three subsidiaries and their directors which has been disposed off by SAT with a direction that these appeals will stand automatically revived upon disposal of civil appeal filed by SEBI against aforementioned SAT judgement.

Based on the advice of the external legal counsels, no adjustment has been considered in these Standalone financial statements by the management in respect of above matters. Our opinion is not modified in respect of these matters.

- (ii) We draw attention to note no. 50(9)(i)(d) to the statement regarding ongoing dispute w.r.t. a erstwhile Joint Venture Company and uncertainties involved relating to outcome of legal disputes and consequential impact on recoverability of the Company’s investment/loan and adequacy of provision already recognised against such investment/ loan in earlier years.
- Based on the advice of the external legal counsels, no further adjustment has been considered in these standalone financial statements by the management in respect of above matter and the net carrying value of loan is considered to be recoverable. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the financial year ended 31 March 2025. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our

report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition for real estate projects (as described in note 26 of the standalone financial statements)	
The Company applies Ind AS 115 ‘Revenue from contracts with customers’ for recognition of revenue from real estate projects, which is being recognised at a point in time upon the Company satisfying its performance obligation and the customer obtaining control of the underlying asset. Considering application of Ind AS 115 involves significant judgement in identifying performance obligations and determining when ‘control’ of the asset underlying the performance obligation is transferred to the customer, the same has been considered as key audit matter.	Our audit procedures included: • Read the Company’s revenue recognition accounting policies and assessed compliance of the policies with Ind AS 115; • Obtained and understood revenue recognition process including identification of performance obligations and determination of transfer of control of the asset underlying the performance obligation to the customer; • Read the legal opinion obtained by the Company to determine the point in time at which the control is transferred in accordance with the underlying agreements; • Tested, revenue related transactions with the underlying customer contracts and documents evidencing the transfer of control of the assets to the customer based on which revenue is recognized; • Assessed that the performance obligation is satisfied by the Company; and • Assessed the revenue related disclosures included in note 26 to the standalone financial statements in accordance with the requirements of Ind AS 115.
Claims, litigations and contingencies (as described in note 50 of the standalone financial statements)	
The Company is having various ongoing litigations, court and other legal proceedings before tax & regulatory authorities and courts, including indemnifications and commitments given to a joint venture company, which could have significant financial impact, if the potential exposure were to materialize. Management estimates the possible outflow of economic resources based on legal counsel opinion and available information on the legal status of the proceedings. Considering the determination by the management of whether and how much, to provide and/ or disclose for such contingencies involves significant judgement and estimation, the same has been considered as key audit matter.	Our audit procedures included: • Understood management’s process relating to the identification and impact analysis of claims, litigations and contingencies (including commitment & indemnifications given to Joint Venture Company); • Obtained confirmation letters from legal counsels and analysed their responses; • Read the minutes of meetings of the Audit Committee and the Board of Directors of the Company related to noting of status of material litigations; and • Assessed management’s assumptions and estimates related to disclosures of contingent liabilities in the standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Assessing the carrying value of Inventory and advances paid for land procurement (as described in note 9,10 and 13 of the standalone financial statements)	
The Company's inventory comprises of ongoing and completed real estate projects, unlaunched projects and development rights. As at 31 March 2025, the carrying values of inventories amounts to ₹ 11,02,482.02 lakhs. The inventories are carried at the lower of the cost and net realizable value ('NRV'). The determination of the NRV involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling costs. Considering significance of the amount of carrying value of inventories in the standalone financial statements and the involvement of significant estimation and judgement in such assessment of NRV, the same has been considered as key audit matter. Further, the Company has made various advances and deposits to the seller/ intermediary towards purchase of land during the course of obtaining clear and marketable title, free from all encumbrances and transfer of legal title to the Company, whereupon it is transferred to land stock under inventories. With respect to land advance given, the net recoverable value is based on the management's estimates and internal documentation, which include, among other things, the likelihood when the land acquisition would be completed, the expected date of plan approvals for commencement of project, estimation of sale prices and construction costs and Company's business plans in respect of such planned developments.	Our audit procedures/ tested included, among others: • Read and evaluated the accounting policies and disclosures made in the standalone financial statements with respect to inventories; • Understood and reviewed the management’s process and methodology of using key assumptions for determination of NRV of the inventories; • Tested the NRV of the inventories to its carrying value in books on sample basis; and • Where the Company involved specialists to perform valuations, we also performed the following procedures: ▪ Obtained and read the valuation report used by the management for determining the NRV; ▪ Considered the independence, competence and objectivity of the specialist involved in determination of valuation; and ▪ Involved internal specialists to review the assumptions used by the management’s experts. In respect of land advances, our audit procedures included the following: • Obtained status update from the management and verified the underlying documents for related developments; • Compared the acquisition cost of the underlying land with current market price in similar locations; and • Evaluated the management assessment w.r.t. recoverability of those advances and changes if any, in the business plans relating to such advances.
Assessing impairment of Investments and loans in subsidiary, joint venture and associate entities (as described in note 6A and 8 of the standalone financial statements)	
The Company has significant investments and loans in its subsidiaries, joint ventures and associates. As at 31 March 2025, the carrying values of Company's investments and loans in its subsidiaries, joint ventures and associate entities amounts to ₹ 20,42,553.12 lakhs (net of impairment). The Company has also recorded an impairment provision of ₹ 2,736.90 lakhs against its investment and loans. Management reviews regularly whether there are any indicators of impairment by reference to the requirements under Ind AS 36 'Impairment of Assets'. For investments and loans where impairment indicators exist, significant judgements are required to determine the key assumptions used in the valuation model and methodology, such as revenue growth, discount rates etc. Considering, the impairment assessment involves significant assumptions and judgement, the same has been considered as key audit matter.	Our procedures in assessing the management’s judgement for the impairment assessment included, among others, the following: • Assessed the Company's valuation methodology applied in determining the recoverable amount of the investments and loans; • Obtained and read the valuation report used by the management for determining the fair value ('recoverable amount') of its investments and loans given; • Obtained and reviewed the management assessment w.r.t. impairment recorded relating to its investments and loans; • Considered the independence, competence and objectivity of the management specialist involved in determination of valuation; • Tested the fair value of the investment and loans as mentioned in the valuation report to the carrying value in books; • Made inquiries with management to understand key drivers of the cash flow forecasts, discount rates etc.; • Involved internal specialists to review the assumptions used by the management’s experts; and • We reviewed the disclosures made in the standalone financial statements regarding such investments and loans.

Key audit matters	How our audit addressed the key audit matter
Assessment of recoverability of deferred tax asset (as described in note 11 of the standalone financial statements)	
As at 31 March 2025, the Company has recognized deferred tax assets of ₹ 1,06,807.01 lakhs on deductible temporary differences and unused tax losses. Recognition of deferred tax assets to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized, involves significant management judgement and estimation given that it is based on assumptions such as the likely timing and level of future taxable profits which are affected by expected future market and economic conditions. Considering, this involves significant judgement and estimates, the same has been considered as key audit matter.	Our audit procedures included, amongst others: • Obtained an understanding of the process and tested the controls over recording of deferred tax and review of deferred tax at each reporting date; • Tested the computation of the amounts recognized as deferred tax assets; • Evaluated management’s assumptions used to determine the probability that deferred tax assets recognized in the balance sheet will be recovered through taxable income in future years, by comparing them against profit trends and future business plans; and • Assessed the disclosures on deferred tax included in note 11 to the standalone financial statements.
Related party transactions (as described in note 45 of the standalone financial statements)	
The Company has undertaken transactions with its related parties in the ordinary course of business at arm's length. These include making new or additional investments in its subsidiaries; lending loans to related parties; sales and purchases to and from related parties etc. as disclosed in note 45 to the standalone financial statements. We identified the accuracy and completeness of the related party transactions and its disclosure as set-out in respective notes to the standalone financial statements as a key audit matter due to the significance of transactions with related parties and regulatory compliances thereon, during the year ended 31 March 2025.	Our procedures/ testing included the following: • Obtained and read the Company's policies, processes and procedures in respect of identifying related parties, obtaining approval, recording and disclosure of related party transactions; • Read minutes of shareholders’ meetings, board meetings and minutes of meetings of those charged with governance in connection with Company’s assessment of related party transactions being in the ordinary course of business at arm’s length; • Tested, related party transactions with the underlying contracts, confirmation letters and other supporting documents; and • Agreed the related party information disclosed in the standalone financial statements with the underlying supporting documents, on a sample basis.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the Chairman's Message, Board's Report, Management Discussion and Analysis Report and Corporate Governance Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude

that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the

Independent Auditor's Report

Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether

the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended 31 March 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and other financial information, in respect of one partnership firm whose financial statements include Company's share

of profit (post tax) of ₹ 0.53 lakhs for the year ended 31 March 2025 included in accompanying standalone financial statements. These standalone financial statements and other financial information of the said partnership firm has been audited by other auditor, whose financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the standalone financial statements, in so far as it relates to the amounts and disclosures included in respect of this partnership firm and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid partnership firm, is based solely on the reports of such other auditors. Our opinion is not modified in respect of this matter.

The accompanying standalone financial statements include unaudited financial statements and other unaudited financial information as regards Company's share in (loss) of partnership firm (post tax) of ₹ (377.60) lakhs for the year ended 31 March 2025. - the Investor Education and Protection Fund by the Company;

iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 41 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 41 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 39 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

vi. Based on our examination which included test checks and review of Service Organisation Controls report, the Company has used accounting software which is operated by a third party service provider for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, for the reasons stated in note 59 to the financial statements, we are unable to comment whether the audit trail has been preserved by the Company as per the statutory requirements for record retention for previous year.

Re: DLF Limited ('the Company').

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of the property, plant and equipment.
- (i) (a) (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) All property, plant and equipment have not been physically verified by the management during the year but there is a regular programme of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (i) (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.
- (i) (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended 31 March 2025.
- (i) (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year except for inventories represented by the development rights. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Inventories represented by the development rights have been confirmed on the basis of custodian certificate of land obtained by the management as at 31 March 2025 and no material discrepancies were noticed on such physical verification and confirmations.
- (ii) (b) As disclosed in note 23 to the standalone financial statements, the Company has been sanctioned working capital limits in excess of ₹ five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of audit of the standalone financial statements, where the statements are filed by the Company with such banks, are in agreement with the books of accounts of the Company.
- (iii) (a) During the year, the Company has provided loans, advances in the nature of loans, stood guarantee and provided security to companies, firms and other parties as follows:

(₹ in lakhs)

Particulars	Guarantees	Security	Loans^	Advances in nature of loans
Aggregate amount granted/ provided during the year				
- Subsidiaries/ Partnership firms	9,590.00	-	166,905.00	-
- Joint Ventures	-	50,000.00	-	-
- Others*	-	-	8,096.13	-
Balance outstanding as at balance sheet date in respect of above cases**				
- Subsidiaries/ Partnership firms	24,727.00	-	66,928.45	-
- Joint Ventures	-	137,500.00	-	-
- Others	-	-	64,307.13	-

* Includes interest accrued considered as loan.

** Represent balance of parties in respect of which any transaction was done during the year.

^ Gross amount before any adjustment of expected credit loss.

- (iii) (b) During the year, the investments made, guarantees provided, security given and the terms and conditions of the grant of all loans and advances in the nature of loans, investment, guarantees and security to companies, firms and other parties are not prejudicial to the Company's interest.

- (iii) (c) In respect to loans granted to Companies and firms, the loans are repayable on demand. The repayment of loans demanded during the year have been received. For loans outstanding at the year-end that are repayable on demand, we have been informed by the management of the Company that it has not demanded repayment of such loans during the year. The payment of interest for such loans is regular. In respect of employee loan, the loans paid are interest free as per the Company's employee loan policy. However, in respect of following loan granted to a Company and one other party, where repayment terms including payment of interest has been stipulated or demanded, repayment of principal and payment of interest are not regular:

Name of the Entity/ Person	Amount (in ₹ lakhs)	Due date	Date of payment	Extent of delay	Remarks, if any
Twenty Five Downtown Realty Limited (formerly known as Joyous Housing Limited)*	63,661.28	Since 23 Feb 2023	Not paid	768	The Company has initiated legal proceedings for recovery of such loan including interest. (Refer note 50(9)(i)(d) to the standalone Financial Statements.)
Mohit Gujral	1,050.00	31 March 2025	Not yet paid	1	The Company is in discussion to adjust the amount payable to such party from another Group Company.

* Including accrued interest

- (iii) (d) The following amounts are overdue for more than ninety days from companies to whom loan has been granted during the year and reasonable steps have been taken by the Company for recovery of the overdue amount of principal and interest.

(₹ in lakhs)

Number of Cases	Principal Amount Overdue^	Interest Overdue^	Total Overdue	Remarks, if any
1	56,211.00	5,613.23	61,824.23	In one of the cases, the Company has initiated legal proceedings for recovery of such loan including interest.

^ Interest accrued is considered as loan at the year end

- (iii) (e) There was no loan or advance in the nature of loan granted to companies, firms, Limited Liability Partnerships or any other parties which was fallen due during the year, that has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.

- (iii) (f) As disclosed in note 8 to the standalone financial statements, during the year, the Company has granted loans or advances in the nature of loans, either repayable on demand or without specifying any terms or period of repayment to Companies. Of these following are the details of the aggregate amount of loans or advances in the nature of loans granted to the related parties as defined in clause (76) of Section 2 of the Companies Act, 2013:

(₹ in lakhs)

	All other Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in the nature of loan			
- Repayable on demand (A)	-	-	1,66,905.00
- Agreement does not specify any terms or period of repayment (B)	-	-	-
Total (A)+(B)	-	-	1,66,905.00
Percentage of loans/ advances in the nature of loan to the total loans	-	-	95.37%

- (iv) Loans, investments, guarantees and security in respect of which provisions of Sections 185 and 186 of the Companies Act, 2013 are applicable have been complied with by the Company.
- (v) The Company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of Sections 73 to 76 of the Companies Act, 2013 and the rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, related to construction industry and are of the opinion that prima facie, the specified accounts and records have been made and maintained. We have not, however, made a detailed examination of the same.
- (vii) (a) Undisputed statutory dues including goods and services tax, provident fund, income-tax, duty of custom, cess and other statutory dues have generally been regularly deposited with the appropriate authorities though there has been a slight delay in a few cases. The provisions relating to employees state insurance, sales tax, service tax and duty of excise are not applicable to the Company. According to the information and explanations given to us and based on audit procedures performed by us, no undisputed amounts payable in respect of these statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (vii) (b) The dues of goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of custom, Value added tax, cess and other statutory dues have not been deposited on account of any dispute, are as follows:

Annexure 2 to the Independent Auditor’s Report of even date on the standalone financial statements of DLF Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to standalone financial statements of DLF Limited ('the Company') as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the

Guidance note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference

Independent Auditor's Report

to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls With Reference to these Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions

and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

1. CORPORATE INFORMATION

DLF Limited ('the Company') is engaged primarily in the business of colonisation and real estate development. The operations of the Company span all aspects of real estate development, from the identification and acquisition of land, to planning, execution, construction and marketing of projects. The Company is also engaged in the business of leasing, maintenance services and recreational activities which are related to the overall development of real estate business. The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office is situated at Shopping Mall, 3rd Floor, Arjun Marg, Phase I, DLF City, Gurugram – 122002, Haryana.

The standalone financial statements for the year ended 31 March 2025 were authorised and approved by the Board of Directors for issue on 19 May 2025.

2. MATERIAL ACCOUNTING POLICIES

2.1 Basis of preparation

The standalone financial statements ('financial statements') of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), as applicable to the standalone financial statements.

The standalone financial statements have been prepared on a going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, derivative financial instruments and share-based payments which are measured at fair values as explained in relevant accounting policies. The changes in accounting policies are explained in note 2(aa).

The standalone financial statements are presented in Rupees and all values are rounded to the nearest lakh, except when otherwise indicated.

2.2 Summary of material accounting policies

a) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;

- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment at their initial recognition are stated at their cost of acquisition. On transition to Ind AS, the Company had elected to measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part have a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on property, plant and equipment is provided on a straight-line basis over the estimated useful lives of the assets as follows:

Asset category*	Estimated useful life (in years)	Estimated useful life as per Schedule II to the Companies Act, 2013 (in years)
Buildings	20-60	60
Plant and machinery	10-15	15
Computers and data processing units		
- Servers and networks	6	6
- Desktops, laptops and other devices	3	3
Furniture and fixtures	5-10	10
Office equipment	5	5
Vehicles	8-10	8-10

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, furniture and fixtures and plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

* In case of assets pertaining to Golf and Club operations, the Company based on technical evaluation and management estimate considers the useful life of the assets as below:

Asset category	Useful life (in years)
Buildings	20
Plant and machinery	10
Furniture and fixtures	5

The residual values, useful lives and method of depreciation are reviewed at the end of

each financial year and adjusted prospectively, if appropriate.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognised.

c) Capital work-in-progress and intangible assets under development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/ intangible assets under development and are carried at cost less accumulated impairment loss, if any. Cost includes land, related acquisition expenses, development/ construction costs, borrowing costs and other direct expenditure.

d) Investment properties

Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation or both. Investment properties are measured initially at their cost of acquisition, including transaction costs. On transition to Ind AS, the Company had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, cost of replacing parts, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use.

Notes to Standalone Financial Statements (Contd.)

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and accumulated impairment losses, if any. Depreciation on investment properties is provided on the straight-line method over the useful lives of the assets as follows:

Asset category	Estimated useful life (in years)	Estimated useful life as per Schedule II to the Companies Act, 2013 (in years)
Buildings and related equipment*	20-60	60
Furniture and fixtures	5-10	10

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of building, plant and equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

* Apart from all the assets, the Company has developed commercial space (in addition to automated multi-level car parking) over the land parcel received under the build, own, operate and transfer scheme of the public private partnership (as mentioned in the intangible assets policy below) which has been depreciated in the proportion in which the actual revenue received during the accounting year bears to the projected revenue from such assets till the end of concession period.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively.

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying valuation model acceptable internationally.

De-recognition

Investment properties are de-recognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their

disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition.

e) Intangible assets*Recognition and initial measurement*

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. On transition to Ind AS, the Company had elected to measure all of its intangible assets at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in the statement of profit and loss in the period in which the expenditure is incurred.

The Company has acquired exclusive usage rights for 30 years under the build, own, operate and transfer scheme in respect of properties developed as automated multi-level car parking and commercial space and classified them under the 'Intangible Assets – Right under build, own, operate and transfer arrangement'.

Subsequent measurement (amortisation)

Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

The cost of capitalized software is amortized over a period of 5 years from the date of its acquisition.

The cost of usage rights is being amortised over the concession period in the proportion in which the actual revenue received during the accounting year bears to the projected revenue from such intangible assets till the end of concession period.

De-recognition

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is de-recognised.

f) Investment in equity instruments of subsidiaries (including partnership firms), joint ventures and associates

Investment in equity instruments of subsidiaries, joint ventures and associates are stated at cost as per Ind AS 27 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is assessed for

recoverability and in case of permanent diminution, provision for impairment is recorded in statement of profit and loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the statement of profit and loss.

g) Business combinations

The Company applies the acquisition method in accounting for business combinations for the businesses which are not under common control. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Company elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- Deferred tax assets or liabilities and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Tax' and Ind AS 19 'Employee Benefits', respectively.
- Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12 'Income Tax'.
- Liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payments arrangements of the Company entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 'Share-based Payments' at the acquisition date.
- Assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' are measured in accordance with that standard.
- Reacquired rights are measured at a value determined on the basis of the remaining

Notes to Standalone Financial Statements (Contd.)

contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 'Financial Instruments', is measured at fair value with changes in fair value recognised in statement of profit and loss. If the contingent consideration is not within the scope of Ind AS 109 'Financial Instruments', it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted for within equity.

When the Company acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in statement of profit and loss or OCI, as appropriate.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

Business combinations under common control

Business combinations involving entities or businesses under common control have been accounted for using the pooling of interest method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognise any new assets or liabilities.

Asset acquisitions and business combinations

Where asset is acquired, via corporate acquisitions or otherwise, management considers the substance of the assets and activities of the acquired entity in determining whether the acquisition represents the acquisition of a business.

Notes to Standalone Financial Statements (Contd.)

Where such acquisitions are not judged to be an acquisition of a business, they are not treated as business combinations. Rather, the cost to acquire the corporate entity or assets and liabilities is allocated between the identifiable assets and liabilities (of the entity) based on their relative fair values at the acquisition date. Accordingly, no goodwill or deferred tax arises.

h) Inventories

- Land and plots other than area transferred to constructed properties at the commencement of construction are valued at lower of cost/ as re-valued on conversion to stock and net realisable value. Cost includes land (including development rights and land under agreement to purchase) acquisition cost, borrowing cost if inventurisation criteria are met, estimated internal development costs and external development charges and other directly attributable costs.
- Construction work-in-progress of constructed properties other than Special Economic Zone (SEZ) projects includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost if inventurisation criteria are met, development/ construction materials and is valued at lower of cost/estimated cost and net realisable value.
- In case of SEZ projects, construction work-in-progress of constructed properties include internal development costs, external development charges, construction costs, overheads, borrowing cost if inventurisation criteria are met, development/ construction materials and is valued at lower of cost/ estimated cost and net realisable value.
- Development rights represent amount paid under agreement to purchase land/ development rights and borrowing cost incurred by the Company to acquire irrevocable and exclusive licenses/ development rights in the identified land and constructed properties, the acquisition of which is either completed or is at an advanced stage. These are valued at lower of cost and net realisable value.
- Construction/ development material is valued at lower of cost and net realisable value. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition.
- Stocks for maintenance facilities (including stores and spares) are valued at cost or net realisable value, whichever is lower.

Cost is determined on weighted-average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

i) Revenue from contract or services with customer and other streams of revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in note 2.2(bb).

i. Revenue from Contracts with Customers:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government and is net of rebates and discounts. The Company assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Company has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognised in statement of profit and loss to the extent that it is probable that the economic benefits will flow to the Company and the revenue and costs, if applicable, can be measured reliably.

The Company has applied five step model as per Ind AS 115 'Revenue from contracts with customers' to recognise revenue in the standalone financial statements. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or
- The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Company's performance does not create an asset with an alternative use to the Company and the entity has

an enforceable right to payment for performance completed to date.

For performance obligations where any of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time or over a period of time based on various conditions as included in the contracts with customers.

Point of Time:*Revenue from real-estate projects*

Revenue is recognised at the Point in Time w.r.t. sale of real estate units, including land, plots, apartments, commercial units, development rights including development agreements as and when the control passes on to the customer upon completion of performance obligations and intimation to the customers thereof.

Incremental cost of obtaining contract

The incremental cost of obtaining a contract with a customer is recognised as an asset if Company expects to recover those costs subject to other conditions of the standard are met. These costs are charged to statement of profit and loss in accordance with the transfer of the property to the customer.

Over a period of time:

Revenue is recognised over a period of time for following stream of revenues:

Revenue from Co-development projects

Co-development projects where the Company is acting as contractor, revenue is recognised in accordance with the terms of the co-developer agreements. Under such contracts, assets created does not have an alternative use for the Company and the Company has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material, internal development cost, external development charges, borrowing cost and overheads of such project.

The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

Construction and fit-out projects

Construction and fit-out projects where the Company is acting as contractor, revenue is recognised in accordance with the terms of

Notes to Standalone Financial Statements (Contd.)

the construction agreements. Under such contracts, assets created does not have an alternative use and the Company has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material and overheads of such project.

The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred as against the total estimated project cost. The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

As the outcome of the contracts cannot be measured reliably during the early stages of the project, contract revenue is recognised only to the extent of costs incurred in the statement of profit and loss.

Revenue from golf course operations

Income from golf course operations, capitation, sponsorship etc. is fixed and recognised as per the management agreement with the parties, as and when Company satisfies performance obligation by delivering the promised goods or services as per contractual agreed terms.

Rental and Maintenance income

Revenue in respect of rental and maintenance services is recognised on an accrual basis, in accordance with the terms of the respective contract as and when the Company satisfies performance obligations by delivering the services as per contractual agreed terms.

Other operating income

Income from forfeiture of properties and interest from banks and customers under agreements to sell is accounted for on an accrual basis except in cases where ultimate collection is considered doubtful.

ii. Volume rebates and early payment rebates

The Company provides move in rebates/ early payment rebates/ down payment rebates to the customers. Rebates are offset against amounts payable by the customer and revenue to be recognised. To estimate the variable consideration for the expected future

Notes to Standalone Financial Statements (Contd.)

rebates, the Company estimates the expected value of rebates that are likely to be incurred in future and recognises the revenue net of rebates and recognises the refund liability for expected future rebates.

iii. Contract balances*Contract assets*

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section 2.2(u) Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

j) Cost of revenue*Cost of real estate projects*

Cost of constructed properties other than SEZ projects, includes cost of land (including cost of development rights/ land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

Cost of SEZ projects

Cost of constructed properties includes estimated internal development costs, external development

charges, overheads, borrowing cost, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate SEZ projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

Cost of land and plots

Cost of land and plots includes land (including development rights), acquisition cost, estimated internal development costs and external development charges, which is charged to the statement of profit and loss based on the percentage of land/ plotted area in respect of which revenue is recognised as explained in accounting policy for revenue from 'Sale of land and plots', in consonance with the concept of matching cost and revenue. Final adjustment is made on completion of the specific project.

Cost of development rights

Cost of development rights includes proportionate development rights cost, borrowing costs and other related cost, which is charged to statement of profit and loss as explained in accounting policy for revenue, in consonance with the concept of matching cost and revenue.

k) Borrowing costs

Borrowing costs directly attributable to the acquisition and/ or construction/ production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l) Taxes*Current income tax*

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognized outside statement of profit and loss is recognized outside statement of profit and loss (either in other

comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

In the situations where one or more units/ undertaking in the Company are entitled to a tax holiday under the Income-tax Act, 1961, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned entity's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Company restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the temporary differences which originate first are considered to reverse first.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future

Notes to Standalone Financial Statements (Contd.)

taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales tax/ value added taxes/ GST paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of sales tax/ value added taxes/ goods and services tax paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

m) Foreign currency transactions*Functional and presentation currency*

The standalone financial statements are presented in Indian Rupees ('₹') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Exchange differences arising on settlement of monetary items or restatement as at reporting date,

Notes to Standalone Financial Statements (Contd.)

at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

n) Retirement and other employee benefits*Provident Fund*

Retirement benefit in the form of provident fund is a defined benefit scheme. The Company makes contribution to statutory provident fund trust set-up in accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Company has to meet the interest shortfall, if any. Accordingly, the contribution paid or payable and the interest shortfall, if any, is recognised as an expense in the period in which services are rendered by the employee. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/ obligation at the balance sheet date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit/ obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on Government bonds that have terms to maturity approximating the terms of the related liability. Service cost and net interest expense on the Company's defined benefit plan is included in statement of profit and loss. Actuarial gains/ losses resulting from re-measurements of the liability are included in other comprehensive income in the period in which they occur and are not reclassified to statement of profit and loss in subsequent periods.

Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of discounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more

than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Pension

Pension is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of pension is the present value of the defined benefit obligation at the balance sheet date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on Government bonds that have terms to maturity approximating the terms of the related liability. Service cost on the Company's defined benefit plan is included in employee benefits expense. Net interest expense on the net defined benefit liability is included in finance costs. Actuarial gains/ losses resulting from re-measurements of the liability are included in other comprehensive income in the period in which they occur and are not reclassified to statement of profit and loss in subsequent periods.

Short-term employee benefits

Expense in respect of short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee. Contribution made towards superannuation fund (funded by payments to Life Insurance Corporation of India) is charged to statement of profit and loss on accrual basis.

o) Share-based payments*Employee Stock Option Plan*

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognized, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/ or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents

the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as securities premium.

Employee Shadow Option Scheme (cash settled options)

Fair value of cash settled options granted to employees under the Employee's Shadow Option Scheme is determined on the basis of excess of the average market price, during the month before the reporting date, over the exercise price of the shadow option. This fair value is expensed over the vesting period with recognition of a corresponding liability. The liability is re-measured to fair value at each reporting date up to and including the settlement date, with changes in fair value recognised in employee benefits expense over the vesting period.

p) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/ external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the impairment loss, including impairment on inventories, is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Company basis its impairment calculation on detailed budgets and forecast calculation. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Notes to Standalone Financial Statements (Contd.)

If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

q) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of unrestricted cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

r) Cash dividend and non-cash distribution to equity holders

The Company recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Company. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value re-measurement recognised directly in equity.

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

s) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation (legal or constructive), as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of obligation can be made at the reporting date. Provisions are discounted to their present values, where the time value of money is material, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the

Notes to Standalone Financial Statements (Contd.)

reimbursement is virtually certain. The expense relating to a provision is presented in statement of profit and loss net of any reimbursement.

Onerous contracts

If the Company has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Company recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e. the costs that the Company cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

t) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e. the

date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term as follows:

Asset category	Lease term
Land	28-36 years
Buildings	3-16 years
Assets taken on lease for golf operations	6 years

If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 2.2(p) on impairment of non-financial assets.

Lease liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease

payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Fit-out rental income is recognised in the statement of profit and loss on accrual basis.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

u) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1) Financial Assets*Initial recognition and measurement*

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI) and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Company's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or

Notes to Standalone Financial Statements (Contd.)

for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, net of transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115 'Revenue from contracts with customers'. Refer to the accounting policies in section 2.2(i) 'Revenue from contracts with customers'.

In order to financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets or both.

Subsequent measurement

- i. **Financial assets carried at amortised cost** – a financial asset is measured at amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. **Investments in equity instruments of subsidiaries, joint ventures and associates** – Investments in equity instruments of subsidiaries, joint ventures and associates are accounted for at cost in accordance with Ind AS 27 'Separate Financial Statements'.

- iii. **Investments in other equity instruments** – Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all other equity instruments, the Company makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit or loss (FVTPL). Amount presented in other comprehensive income are not subsequently transferred to statement of

Notes to Standalone Financial Statements (Contd.)

profit and loss. However, the Company transfers the cumulative gain or loss within equity. Dividend on such investments are recognised in statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment.

iv. Investments in mutual funds – Investments in mutual funds are measured at fair value through profit or loss (FVTPL).

Fair value changes on instruments measured at FVTPL is recognised in statement of profit and loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes on instruments measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the statement of profit and loss.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily de-recognised (i.e. removed from the Company's standalone balance sheet) when:

- The rights to receive cash flows from the asset have expired; or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109 'Financial Instruments', the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

(i) Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109 'Financial Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

(ii) Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

2) Non-derivative financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, security deposits, loans and borrowings and other financial liabilities including bank overdrafts and financial guarantee contracts.

Subsequent measurement

Subsequent to initial recognition, the measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognized in statement of profit and loss when the liabilities are de-recognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

3) Reclassification of financial instruments

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's senior management determines change in the business model as a result of external

Notes to Standalone Financial Statements (Contd.)

or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

4) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

v) Fair value measurement

The Company measures financial instruments such as derivative instruments etc. at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Notes to Standalone Financial Statements (Contd.)

- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the management. Valuers are selected based on market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions (note 4 and 36).
- Quantitative disclosures of fair value measurement hierarchy (note 36).
- Investment in unquoted equity shares (note 6B).
- Investment properties (note 4).
- Financial instruments (including those carried at amortised cost) (note 36 and 37).

w) Optionally convertible redeemable preference shares and compulsorily convertible debentures

i) Optionally convertible redeemable preference shares

Optionally convertible redeemable preference shares issued by wholly-owned subsidiaries are accounted as investments carried at cost. In such instruments, only the subsidiary companies have the option to buy back and dividend will be completely discretionary at the option of the subsidiary. The Company will not have any legal or contractual right either in normal or in default scenario to require the subsidiaries to make payment of principal or interest as issuer has the right to convert the instrument into equity shares at any time during its tenure. Amount is fixed at

upfront and conversion will be into fixed number of shares.

ii) Compulsorily convertible debentures

Compulsorily convertible debentures issued by group companies are accounted as Equity investment carried at Cost based on the terms of the contract. These instruments are convertible into fixed number of equity shares within the term stipulated in contract at the option of holder. Amount is fixed at upfront and conversion will be into fixed number of shares.

x) Convertible instruments

Convertible instruments are separated into liability and equity components based on the terms of the contract. On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds is allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 'Financial Instruments Presentation' criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not re-measured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible instruments based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

y) Non-current assets held for sale

The Company classifies non-current assets and disposal groups as held for sale if their carrying amounts will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets or disposal group is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales/ distribution of such assets (or disposal

groups), its sale is highly probable; and it will genuinely be sold, not abandoned. The Company treats sale of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal group);
- An active programme to locate a buyer and complete the plan has been initiated;
- The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value;
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification; and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Non-current assets held for sale and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment and intangible assets once classified as held for sale to owners are not depreciated or amortised.

z) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

aa) Changes in accounting policies and disclosures

New and amended standards

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2024, but do not have a material impact on the standalone financial statements of the Company.

Notes to Standalone Financial Statements (Contd.)

Ind AS 116: Leases – The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amended Ind AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback. The amendment specifies the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right-of-use it retains. The amendment is effective for annual reporting periods beginning on or after 1 April 2024 and must be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of Ind AS 116.

These amendments had no material impact on the standalone financial statements of the Company during the year.

Ind AS 117: Insurance - The MCA notified the Ind AS 117, Insurance Contracts, vide notification dated 12 August 2024, under the Companies (Indian Accounting Standards) Amendment Rules, 2024, which is effective from annual reporting periods beginning on or after 1 April 2024.

Ind AS 117 Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. Ind AS 117 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach); and
- A simplified approach (the premium allocation approach) mainly for short-duration contracts.

These amendments had no material impact on the standalone financial statements of the Company during the year.

New and amended standards, not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the standalone financial statements are disclosed below, the Company will adopt this new and amended standard, when it becomes effective:

Ind AS 21: The Effects of Changes in Foreign Exchange Rates - The Ministry of Corporate Affairs notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates,

Notes to Standalone Financial Statements (Contd.)

which came into force on 7 May 2025, the date of their publication in the official gazette. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information.

The amendment specifies how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

These amendments are not expected to have any material impact on the standalone financial statements of the Company.

bb) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the standalone financial statements.

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Classification of leases – The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's

economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Determining the lease term of contracts with renewal and termination options (Company as lessee) - The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised. The Company has several lease contracts that include extension and termination options. The Company applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g. construction of significant leasehold improvements or significant customisation to the leased asset).

Impairment of financial assets – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.

Revenue from contracts with customers - The Company has applied judgements that significantly affect the determination of the amount and timing of revenue from contracts with customers.

Significant estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such

changes are reflected in the assumptions when they occur.

Net realizable value of inventory – The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost. The Company also involves specialist to perform valuations of inventories, wherever required.

Useful lives of depreciable/ amortisable assets – Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Valuation of investment property – Investment property is stated at cost. However, as per Ind AS 40 'Investment Property' there is a requirement to disclose fair value as at the balance sheet date. The Company engaged independent valuation specialists to determine the fair value of its investment property as at reporting date. The determination of the fair value of investment properties requires the use of estimates such as future cash flows from the assets (such as lettings, future revenue streams, capital values of fixtures and fittings, any environmental matters and the overall repair and condition of the property) and discount rates applicable to those assets. In addition, development risks (such as construction and letting risk) are also taken into consideration when determining the fair value of the properties under construction. These estimates are based on local market conditions existing at the balance sheet date.

Impairment of Property, plant equipment, Investment properties and CWIP – Impairment

Notes to Standalone Financial Statements (Contd.)

exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The value in use calculation is based on a DCF model. The cash flows are derived from the budgets. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurement disclosures – Management applies valuation techniques (including but not limited to the use of illiquidity discount on investments) to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Valuation of investment in subsidiaries, joint ventures and associates – Investments in subsidiaries, joint ventures and associates are carried at cost. At each balance sheet date, the management assesses the indicators of impairment of such investments. This requires assessment of several external and internal factor including capitalisation rate, key assumption used in discounted cash flow models (such as revenue growth, unit price and discount rates) or sales comparison method which may affect the carrying value of investments in subsidiaries, joint ventures and associates.

This includes land taken on lease for a period of 99 years.

** Capital work-in-progress comprises expenditure for building and related equipment under course of construction and installation (net of adjustments).

[^] During the previous year, the Company has transferred one of the investment property under development from 'Investment Property' to 'Inventories' to account for commencement of development with a view to sell. The transfer was made at carrying value as at the date of change in use.

(i) Contractual obligations

Refer note 49(i) for disclosure of contractual commitments for the acquisition of investment properties.

(ii) Capitalised borrowing cost

No borrowing costs are capitalised during the current year and previous year.

(iii) Investment property pledged as security

Refer note 19 and 23 for information on investment property pledged as security for borrowings by the Company.

(iv)(a) Amount recognised in the statement of profit and loss for investment properties

(₹ in lakhs)		
Particulars	31 March 2025	31 March 2024
Rental income derived from investment properties	21,534.00	18,625.25
Direct operating expenses (including repairs and maintenance) for generating rental income*	745.97	1,214.47
Profit arising from investment properties before depreciation and indirect expenses	20,788.03	17,410.78
Less: Depreciation	2,226.79	2,160.78
Profit from leasing of investment properties	18,561.24	15,250.00

* It includes advertisement and publicity, sales promotion, fee and taxes, ground rent, repair and maintenance, legal and professional, commission and brokerage etc.

(iv)(b) Fair value hierarchy and valuation technique

- The Company's investment properties consist of two class of assets i.e. commercial properties and retail malls, which have been determined based on the nature, characteristics and risks of each property. As at 31 March 2025 and 31 March 2024, the fair values of the properties are ₹ 374,445.45 lakhs and ₹ 399,751.29 lakhs, respectively after accounting for any transfer/ sale/ disposal during the year. The fair value of investment property has been determined by external, independent registered property valuers as defined under rule 2 of Companies (Registered Valuers and Valuation) Rules, 2017, having appropriate recognised professional qualification and recent experience in the location and category of the property being valued in conjunction with valuer assessment services undertaken by approved valuer, except (as stated in note 2) below:

The Company obtains independent valuation for its investment property at least annually and fair value measurements are categorized as level 3 [refer note 36] measurement in the fair value hierarchy. The valuation has been taken considering the values arrived, using the following methodologies:

- Discounted cash flow method, net present value is determined, based on projected cash flows discounted at an appropriate rate; or
- Sales comparable method, which compares the price or price per unit area or Government prescribed allotment rate of similar properties being sold in the marketplace; or
- Average of the above.

Further, inputs used in the above valuation models are as under:

- Property details comprising of total leasable area, area actually leased, vacant area, parking slots etc.;
 - Revenue assumptions comprising of market rent, market parking rent, rent growth rate, parking income growth rate, market lease tenure, market escalations, common area maintenance income prevailing in the market etc.;
 - Cost assumptions comprising of brokerage cost, transaction cost on sale, cost escalations etc.;
 - Discounting assumptions comprising of terminal cap rate and discount rate; and
 - Estimated cash flows from lease rentals, parking income, operation and maintenance income etc. for the future years.
- In addition to 1) above, the Company ('Developer') has land parcel which is notified Special Economic Zone ('SEZ') and classified under investment property. The Developer has partially developed the SEZ under the co-development agreement between the Company and SEZ undertaking of DLF Assets Limited which is merged with DLF Cyber City Developers Limited ('DCCDL' or 'the Co-developer') and

transferred completed bare shell buildings to DCCDL. The remaining portion of such land is under development. As per the co-developer agreement, the land underneath the buildings has been given on long-term lease to DCCDL. The management has assessed that the fair value of such SEZ land classified under investment property, based on the prevailing circle rates, is higher than the book value. However, given the above arrangement and restriction on the sale of land in a SEZ as described under SEZ Rules 2006, the management has considered carrying value aggregating to ₹ 11,554.66 lakhs (31 March 2024: ₹ 11,554.66 lakhs) to be a reasonable estimate of its fair value. Further, certain properties are valued at last selling price or cost, the total amount involved in such properties being immaterial.

(iv)(c) Reconciliation of fair value:

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Opening balance	399,751.29	463,631.29
Increase of fair value	62,364.16	9,430.00
Decrease due to transfer of investment property to inventories	-	(31,870.00)
Decline in fair value*	(5,310.00)	(41,440.00)
Decrease due to transfer of investment property to Assets held for sale (refer note 57)	(82,360.00)	-
Closing balance	374,445.45	399,751.29

* Decline in fair value is mainly on account of change in future rentals and other assumptions used for valuation of investment property by independent valuer.

(v) Assets not held in the name of Company

The title deeds of all immovable properties of land and building are held in the name of the Company as at 31 March 2025 and 31 March 2024.

(vi) Leasing arrangements

Certain investment properties are leased to tenants under long-term operating leases with monthly rental payments. Refer note 48 for details on further minimum lease rentals.

(vii) Capital work-in-progress (CWIP) ageing schedule as at 31 March 2025

(₹ in lakhs)

Particulars	Amount in CWIP for a period of				
	Less than 1 year	1-2 years	2-3 years	More than 3 years	Total

Total	57.34	49.84	6.55	400.90	514.63

[#] There is no project under head capital work-in-progress whose completion is either overdue or has exceeded its cost compared to its original plan/ revised plan.

[§] The Company undertakes several long-term duration projects at a time which range between 3 to 6 years. In some cases the projects may get temporarily suspended or their progress may be on the slower side. On such occasions, where there is no active development on the projects, direct cost attributable to the project continues to be reflected in CWIP as at 31 March 2025 and 31 March 2024, respectively. Due to the above, the Company is not able to furnish the tentative project timeline or plan even though the Company is confident of resuming the project in future.

5. OTHER INTANGIBLE ASSETS

The changes in the carrying value of other intangible assets for the year ended 31 March 2025 are as follows:

Description	Gross block			Accumulated amortisation			Net block

Right-of-use assets	893.78	785.96
Others	448.39	-
Gross deferred tax liability	4,469.20	4,270.12
Deferred tax assets (net)	106,807.01	128,176.68
(b) Reconciliation of deferred tax assets:		
Opening balance as of the beginning of the year	128,176.68	149,186.32
Deferred tax expense during the year recognised in the statement of profit and loss	(21,384.92)	(21,005.84)
Tax expense during the year recognised in OCI	15.25	(3.80)
Closing balance as at the end of the year	106,807.01	128,176.68

- (i) Deferred tax asset is recognized on carry forward losses to the extent it is probable that future taxable profit will be available against which the deductible temporary differences and carried forward tax losses can be utilised. The Company has tax losses of ₹ 401,302.70 lakhs [(31 March 2024: ₹ 557,550.35 lakhs) comprising business loss of ₹ 401,216.02 lakhs (31 March 2024: ₹ 557,463.67 lakhs), capital losses of ₹ 86.68 lakhs (31 March 2024: ₹ 86.68 lakhs)] that are available for offsetting against future taxable profit for eight years. Majority of these losses will expire between financial year March 2026 to March 2029. Based upon margin from sale of existing projects, profit from launch of new projects in near future, the Company believes there is reasonable certainty that deferred tax asset will be recovered.
- (ii) The Company has not recognised deferred tax asset in respect of losses (including capital losses) of ₹ 63,461.32 lakhs (31 March 2024: ₹ 107,842.42 lakhs) as there is no reasonable certainty supported by convincing evidences of their recoverability in the near future. If the Company was also to recognise all unrecognised deferred tax assets, the profit would increase by ₹ 15,971.94 lakhs (31 March 2024: ₹ 27,141.78 lakhs).

NATURE AND PURPOSE OF RESERVES**Capital reserve**

Capital reserve was created under the previous GAAP (Indian GAAP), out of the profit earned from a specific transaction of capital nature. Further, the excess of net assets taken over the respective investments carried in Transferor Companies/ Demerged Company is treated as capital reserve. Capital reserve is not available for distribution to the shareholders.

Capital redemption reserve

The same has been created in accordance with the provisions of the Companies Act, 2013 with respect to buy-back of equity shares from the market in earlier years.

Securities premium

Securities premium includes premium on issue of shares. It will be utilised in accordance with the provisions of the Companies Act, 2013.

General reserve

Under the erstwhile Companies Act, 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that, if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

Forfeiture of shares

This reserve was created on forfeiture of shares by the Company. The reserve is not available for distribution to the shareholders.

Equity instruments through FVOCI (net of tax)

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the 'Equity instruments through FVOCI (net of tax)' within other equity.

Retained Earnings

Represents surplus/ (deficit) in the statement of profit and loss.

35. EARNINGS PER EQUITY SHARE

Earnings per Share ('EPS') is determined based on the net profit attributable to the shareholders of the Company. Basic earnings per share is computed using the weighted-average number of shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit for the year attributable to equity shareholders (after adjusting for interest on the compulsorily convertible debentures) by the weighted-average number of equity

shares outstanding during the year plus the weighted number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. However, there are no dilutive potential equity shares.

(ii) Fair values hierarchy

Financial assets and financial liabilities are measured at fair value in the financial statement and are grouped into three Levels of fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: unobservable inputs for the asset or liability.

37. FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities comprise of loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations.

i) Risk management objectives and policies

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Company's senior management is supported by a Finance Committee that advises on financial risks and the appropriate financial risk governance framework for the Company. The Finance Committee provides assurance to the Company's senior management that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Company's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company under a financial instrument or customer contract leading to a financial loss. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables including contract assets and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost includes loans to employees, security deposits and other credit risk related to other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

a) Credit risk management*i) Credit risk rating*

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Company provides for expected credit loss based on the following:

Asset Company	Basis of categorisation	Provision for expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	12 months expected credit loss/ life time expected credit loss
Moderate credit risk	Loans and other financial assets	12 months expected credit loss
High credit risk	Loans and other financial assets	12 months expected credit loss/ lifetime expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written-off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written-off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

In respect of trade receivables, the Company recognises provision for lifetime expected credit loss.

Expected credit loss for trade receivables under simplified approach

The Company's trade receivables in respect of projects does not have any expected credit loss as registry of properties sold is generally carried out once the Company receives the entire payment. During the periods presented, the Company made ₹ Nil (31 March 2024: ₹ Nil) provision towards interest receivable from customers. In respect of other trade receivables, the Company considers provision for lifetime expected credit loss. Given the nature of business operations, the Company's trade receivables has low credit risk as the Company holds security deposits equivalents ranging from three to six months rentals. Further, historical trends indicate any shortfall between such deposits held by the Company and amounts due from customers have been negligible.

B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains flexibility in funding by maintaining availability under committed facilities.

Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

C) Market risk**a) Foreign currency risk**

Foreign currency risk is the risk that the fair value of future cash flows of financial instruments will fluctuate because of the change in foreign currency exchange rates. The Company's exposure to foreign currency changes for unhedged transactions are not material, therefore not disclosed.

b) Interest rate risk**(i) Liabilities**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings keeping in view of current market scenario.

Interest rate risk exposure

The Company's variable rate borrowing is subject to interest rate fluctuations. Below is the overall exposure of the borrowing:

(ii) Assets

The Company's fixed deposits, interest bearing security deposits and loans are carried at fixed rate. Therefore, the said assets are not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

c) Price risk

The Company's exposure to price risk arises from investments held and classified as FVTPL and FVOCI. To manage the price risk arising from investments in mutual funds, the Company diversifies its portfolio of assets.

Sensitivity analysis

Profit or loss and equity is sensitive to higher/ lower prices of instruments on the Company's profit for the periods:

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Fair value sensitivity		
Increase by 5% (31 March 2023: 5%) - FVOCI	0.25	0.25
Decrease by 5% (31 March 2023: 5%) - FVOCI	(0.25)	(0.25)

d) Legal, taxation and accounting risk

The Company is presently involved into various judicial, administrative, regulatory and litigation proceedings concerning matters arising in the ordinary course of business operations including but not limited to personal injury claims, landlord-tenant disputes, commercial disputes, tax disputes, employment disputes and other contractual disputes. Many of these proceedings seek an indeterminate amount of damages. In situations where management believes that a loss arising from a proceeding is probable and can reasonably be estimated, the Company records the amount of the probable loss. As additional information becomes available, any potential liability related to these proceedings is assessed and the estimates are revised, if necessary.

To mitigate these risks, the Company employs in-house counsel and uses third party tax & legal experts to assist in structuring significant transactions and contracts. The Company also has systems and controls that ensure the timely delivery of financial information in order to meet contractual and regulatory requirements and has implemented disclosure controls and internal controls over financial reporting which are tested for effectiveness on an ongoing basis.

Change to any of the above laws, rules, regulations related to the Company business could have a material impact on its financial results. Compliance with any proposed changes could also result in significant cost

for the Company. Failure to fully comply with various laws, rules and regulations may expose the Company to proceedings which may materially affect its performance.

38. CAPITAL MANAGEMENT

The purpose of the Company's capital management is:

- Safeguard their ability to continue as a going concern, and
- Maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital on the basis of the carrying value of equity and net debt (net off cash and bank balances including deposits with banks).

The Company manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders, return capital to shareholders or issue new shares.

43. EMPLOYEE BENEFIT OBLIGATIONS**a) Provident fund**

The Company offers its employees, benefits under defined benefit plans in the form of provident fund scheme which covers all its group employees. The provident fund trust set-up by the Company is treated as a defined benefit plan since the Company has to meet the interest shortfalls, if any. Both the employees and the Company pay predetermined contributions in the trust. Contribution made by the Company to the provident fund trust during the year is ₹ 1,091.44 lakhs (31 March 2024: ₹ 904.32 lakhs). In this regard, actuarial valuation as on 31 March 2025 and 31 March 2024 was carried out to measure the obligation using projected unit credit method arising due to interest rate guarantee by the Company towards provident fund. In terms of said valuation, the Company has no liability towards interest rate guarantee as on 31 March 2025.

The details of fund and plan asset position are given below:

b) Gratuity plan (non-funded)

The Company has a defined benefit gratuity plan, which is unfunded. The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The weighted-average duration of the defined benefit obligation is 4.85 years (31 March 2024: 9.55 years).

Risks associated with plan provisions

The Company is exposed to number of risks in the defined benefit plans. Most significant risks pertaining to defined benefit plans and management's estimation of the impact of these risks are as follows:

Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

Interest rate risk

A decrease in interest rate in future years will increase the plan liability.

Life expectancy risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Withdrawals Risk

Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact the plan liability.

- a) During the year, a wholly-owned subsidiary company has acquired 49.997% of the total paid-up equity share capital and Series D Compulsorily Convertible Debentures ('CCDs') of DLF Urban Private Limited ('DUPL') from Reco Greens Pte. Ltd., an affiliate of GIC Singapore. Pursuant to such acquisition, DUPL has become a wholly-owned stepdown subsidiary company of the Company.
- b) During the previous year, the Company had purchased shareholding in three land owning companies (LOC's) from its individual shareholders, which resulted in obtaining control over these LOC's and its six affiliates. The control was acquired w.e.f. 16 November 2023.
- c) During the previous year, one of the step down subsidiary company i.e. 'Pegeen Builders & Developers Private Limited' (Pegeen) had issued additional share capital to Trident Buildtech Private Limited (Trident) equivalent to 49% stake of the Company. Pursuant to this change in shareholding of Pegeen and agreement between the shareholders, the same has been classified as Joint Venture w.e.f. 10 August 2023.
- d) During the previous year, Twenty Five Downtown Realty Limited (formerly Joyous Housing Limited) has ceased to be Joint Venture of the Company. Also refer note 50(9)(i)(d).
- e) During the previous year, the Company has entered into a definitive agreement(s) with Global Health Limited to construct, operate and manage super specialty hospitals in Delhi and had subscribed 50% stake in GHL Hospital Limited. As per terms of the agreement between the shareholders the same has been classified as Associate.
- f) DLF Home Developers Limited, one of the wholly-owned subsidiary company of the Company holds Compulsorily Convertible Preference Shares (CCPS) in Arizona Globalservices Private Limited (Arizona). These are convertible at the option of the investor. If these are converted (also considering the terms and conditions of the agreement), it will assure significant influence over Arizona by the Company. Hence, Arizona has been classified as an Associate and the Company recognizes its share in net assets through equity method.
- g) During the previous year, pursuant to the order dated 15 June 2023 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Clubs and Hospitality Limited (formerly DLF Recreational Foundation Limited).
- h) During the previous year, pursuant to the order dated 25 August 2023 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Homes Panchkula Private Limited.

Notes to Standalone Financial Statements (Contd.)

- i) During the year, pursuant to the order dated 16 April 2024 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Utilities Limited.
- j) During the year, pursuant to the order dated 20 November 2024 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Home Developers Limited.
- k) During the year, pursuant to the order dated 17 January 2025 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Southern Towns Private Limited.
- l) During the year, pursuant to the order dated 19 February 2025 passed by the Hon'ble National Company Law Tribunal (NCLT), Chandigarh, the said companies have been merged with DLF Cyber City Developers Limited.

Terms and conditions of transactions with related parties:

- The transactions with related parties are made on the terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured, interest free and settlement occurs by Cheque/ RTGS.
- The Company has given loan to related parties which are repayable on demand. These loans are provided at interest rate of 8.75% - 12% (31 March 2024: 8.75% - 12%) p.a. to subsidiary companies and at 14.15% - 16.75% (31 March 2024: 14.15% - 16.75%) p.a. interest as per agreement with joint ventures. The loans have been utilized by the related parties for business purposes.
- The Company has given corporate guarantees/ bank guarantees to the banks/ debenture trustee in respect of loan/ NCD taken by the subsidiaries/ associate companies and joint ventures from that bank and financial institution and vice-versa. There are no benefits on account of such corporate guarantees/ bank guarantees derived by such subsidiary/ associate/ joint venture companies. The bank guarantees/ corporate guarantees have been given to comply with the requirements of banks and other regulatory agencies. The management has assessed that liability arising in this regard is remote.
- The Company provides business and financial support to certain subsidiaries/ associate companies, which are in losses and are dependent on the Company for meeting out their cash requirements.
- During the previous year, the Company purchased privately placed, Listed, Secured, Non-convertible, Redeemable Bonds of face value of ₹ 60,000.00 lakhs ('Bonds'), on which the bond issuer had

defaulted in repayment of the said Bonds including accrued interest thereon. The said Bonds are secured in favour of Axis Trustee Services Limited ('Bond Trustee'), against certain land parcel(s) situated in Gurugram, Haryana ('Mortgaged Land'), owned by the bond issuer and its affiliates. In view of the default committed by the bond issuer, the Bond Trustee, had initiated proceedings for recovery of its dues under the SARFAESI and conducted auctions of the Mortgaged Land. Considering the development potential of the part of the Mortgaged Land, DLF Home Developers Limited ('DHDL'), a wholly-owned subsidiary of the Company, had participated in the process to acquire a part of the Mortgaged Land by bidding for the same, however DHDL's bid was not accepted. As a strategic investment of the Group, the Company purchased the said Bonds at a negotiated consideration of ₹ 82,500.00 lakhs from the erstwhile bond holders, assuming the rights of the bond holders. As a part of the settlement, inter-alia between the Company, Axis Trustee, DHDL and the bond issuer including its affiliates, DHDL acquired part of the Mortgaged Land admeasuring 18.5375 acres approximately under the provisions of the SARFAESI Act for ₹ 82,878.93 lakhs, out of which ₹ 77,500.00 lakhs were paid to the Company towards partial redemption of Bonds. The balance i.e. ₹ 5,000.01 lakhs, is expected to be redeemed within next year.

* Does not include future minimum rentals related to assets held for sale.

49. COMMITMENTS

- i) Estimated amount of contracts remaining to be executed on capital account and not provided for: at 31 March 2025, the Company had commitments of ₹ 2,657.75 lakhs (31 March 2024: ₹ 828.41 lakhs) relating to completion of various projects.
- ii) The Company is committed to provide business and financial support to certain subsidiary companies, which are in losses and are dependent on parent company for meeting out their cash requirements. Further, the Company has given letter of support in favour of certain joint ventures/ associate companies for their bank borrowings.
- iii) The Company has commitment regarding payments under development agreements with certain partnership firms amounting to ₹ 145,169.33 lakhs (31 March 2024: ₹ 139,924.86 lakhs), where the Company or its subsidiaries are partner and certain third-party entities with whom development agreements are in place.
- iv) The Company has given corporate guarantee of ₹ 60,000.00 lakhs (31 March 2024: ₹ 60,000.00 lakhs) and bank guarantee of ₹ 48,989.00 lakhs (31 March 2024: ₹ 48,002.00 lakhs) in respect of certain subsidiaries, joint ventures and associates to comply with the requirements of bank and other regulatory agencies (refer note 45 above).

50. CONTINGENT LIABILITIES AND LITIGATIONS**Contingent liabilities**

(₹ in lakhs)

	31 March 2025	31 March 2024
Claims against the Company not acknowledged as debts:		
Income tax demands/ effects (refer note 1 and 2 below)	119,795.15	460,558.10
Service tax/ GST demands (refer note 3 below)	25,612.05	23,132.78
Sales tax/ VAT demands (refer note 3 below)	3,333.04	2,845.46
Property tax demands (refer note 3 and 9(ii)(d) below)	14,984.23	11,535.89
Custom duty demands (refer note 3 below)	946.35	908.07
Legal cases [refer note 4, 5, 6, 7 and 9(i)(c)(ii) below]	104,820.27	104,218.38

- 1) a) The Income Tax Authorities had made of disallowance of deduction claimed by the company u/s 80IAB of the Income-tax Act, 1961 during income tax assessment of the Company for certain years which were contested by the company in appeal and were decided in favour of the company by CIT (Appeals) and ITAT. In respect of AY 2008-09, the department had filed an appeal with the Hon'ble High Court of Delhi, involving a demand of ₹ 52,737.15 lakhs (including interest).
- During the year, the company opted to settle the dispute under Vivad-se-Vishwas Scheme (VsV) issued by the Government of India in respect of aforesaid appeal pending before Delhi High Court. The Hon'ble High Court has passed an order dated 29 April 2025 disposing off the appeal of the department. Further, considering above, settlement under VsV Scheme, the liability for AY 2008-2009 has been extinguished and accordingly not disclosed.
- b) In respect of Income tax cases [including those mentioned in a) above], the tax effect with respect to various assessment years totaling to ₹ 289,919.55 lakhs, where more than one year has elapsed from the statutory period of filing of appeal before the appellate authorities against the order of CIT(A)/ITAT/

High Court and no appeal has been filed by the department, the management is of the view that there is no contingent liability for the year ended 31 March 2025.

- c) The Central Board of Direct Taxes (CBDT) vide Circular no. 9/2024 dated September 17, 2024 has revised the monetary limits for filing of departmental appeals before Income Tax Appellate Tribunal ('ITAT') and High Courts. In the case of the Company, there has been no departmental appeal pending adjudication, wherein the tax amount involved was below the revised monetary limits. Accordingly, there is no contingent liability which has been reduced from the current year.
- d) The Income tax Authorities have disallowed one-time losses claimed by the company in assessment year 2017-18 and 2019-20 on account of mandatory adoption of erstwhile Ind AS 18 'Revenue' read with Guidance Note for Real Estate Transactions for Ind-As compliant entities and Ind AS 115 'Revenue from contract with customers', respectively. The one-time losses were adjusted in the retained earnings of the respective financial years in accordance with the relevant accounting standards. Consequent to above, disallowance of losses which were set-off against income for AY 2021-22, a demand of ₹42,774.31 lakhs was raised. The Company has received favorable order from ITAT for AY 2017-18 and matter is pending before ITAT for AY 2019-20. Pursuant to the favorable orders, the brought forward losses were allowed in AY 2021-22.

Based on legal opinion obtained from tax experts, management is confident that it has a strong likelihood of succeeding in the matter and therefore, no adjustments are required in the standalone financial statements of the Company.

- 2) Other than matters mentioned at point no. 1 above, the Income Tax Authorities have raised demands on account of various disallowances pertaining to different assessment years. The Company is contesting these demands, which are pending at various appellate levels.

Based on the advice from independent tax experts and the development on the appeals, the management is confident that additional tax so demanded as mentioned in point 1 and 2 above will not be sustained on completion of the appellate proceedings and accordingly, pending the decision by the appellate authorities, no provision has been made in these standalone financial statements.

- 3) There are various disputes pending with the authorities of excise, customs, service tax, GST, sales tax, VAT, property tax etc. The Company is contesting these demands raised by authorities and are pending at various appellate authorities and courts.

Based on the grounds of the appeals and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding before the various authorities including courts. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- 4) There are various litigations going on against the Company primarily by Competition Commission of India [also refer note 50(9)(i)(a) below] and in Consumer Redressal Forum, which have been contested by the Company.

Based on the grounds of the appeals and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding before the various authorities. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- 5) Interest and claims by customers/ suppliers may be payable as and when the outcome of the related matters are finally determined and hence not been included above.

Management based on legal advice and historical trends, believes that no material liability will devolve on the Company in respect of these matters.

- 6) During the earlier years, a power division of DLF Utilities Limited ('DUL') which was transferred to DLF Power & Services Limited ('DPSL') [a subsidiary of DLF Cyber City Developers Limited (DCCDL)] had received a notice from the Dakshin Haryana Bijli Vitran Nigam ('DHBVN') wherein it had claimed cross subsidy surcharge of ₹ 3,328.00 lakhs on electricity being supplied by DUL to other companies for the period from 1 April 2011 to 30 September 2012 and had questioned the legality of such electricity supply. DUL filed an appeal to Haryana Electricity Regulatory Commission ('HERC'), wherein HERC vide order dated 11 August 2011 held that the supply of electricity by DUL was legal, however, DUL was liable to pay cross subsidy surcharge. Aggrieved by the said order, DUL filed an appeal before Appellate Tribunal of Electricity ('APTEL') against the levy of cross subsidy surcharge. APTEL held that the supply of electricity for commercial establishments from the main receiving panel was not in accordance with law and must be discontinued.

Further, APTEL also held that the DUL was liable to pay the cross subsidy surcharge and accordingly, a demand of ₹ 3,328.00 lakhs was received by DUL from DHBVN against the same. Aggrieved by the order of APTEL, DUL filed an appeal before the Hon'ble Supreme Court of India which had stayed the execution of the said order and asked DUL to deposit an amount of ₹ 284.36 lakhs to DHBVN which was duly deposited. The said liability has been indemnified by DLF Limited pursuant to SPSHA entered with DCCDL. Also refer note 50(8)(ii) below.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- 7) During the earlier years, New Okhla Industrial Development Authority (NOIDA) demanded ₹ 23,421.31 lakhs from the Company on account of payment of enhanced compensation to farmers regarding land acquired by it. As per NOIDA, land which was acquired by it, falls under the plot taken by the Company through auction. While passing judgment dated 5 May 2022, the Hon'ble Supreme Court directed that, 'since the acquisition of land in question was made by NOIDA which was purchased by DLF through a public auction, therefore the liability to pay compensation would be of NOIDA'. NOIDA filed a review petition with the Hon'ble Supreme Court, which was dismissed vide Order dated 10 August 2022. Even after this, NOIDA issued a Demand Notice on 23 December 2022 demanding a sum of ₹ 23,421.31 lakhs. The Company challenged the said demand through filing writ petition before Hon'ble High Court at Allahabad. The Hon'ble High Court vide order dated 24 January 2023 directed that no coercive measures shall be taken by NOIDA pursuant to the demand notice dated 23 December 2022. The underlying property was sold to DCCDL in earlier years.

Based on the advice of the independent legal counsel, management has assessed that there is a strong likelihood of succeeding before Hon'ble High Court of Allahabad. Pending the final outcome on the above matter, no adjustment has been made in these standalone financial statements. Also refer note 50(8)(ii) below.

8) Indemnification of DCCDL

As per the terms of the SPSHA, the Company has undertaken to indemnify, defend and hold harmless the Investor against all losses incurred or suffered by DCCDL arising out of following matters up to or prior to 25 December 2017 (i.e. Closing Date):

- i) Income tax demands, indirect tax demands including service tax and entry tax related to various matters and assessment years up to the closing date of ₹ 55,244.58 lakhs (31 March 2024: ₹ 124,669.21 lakhs). Also refer note 33 and 60(b).

Based on the advice from independent tax experts and development on the appeals, the management is confident that additional tax so demand will not be sustained and accordingly, pending the decision by the authorities, no provision has been made in these financial statements.

- ii) Liability arising out of matter discussed in note 50(6) and 50(7) above.

- iii) The land parcel admeasuring 19.5 acres was acquired by the Company from Government of Haryana ('GoH') in August 2006 for development of Cyber City Project, which was earlier acquired by GoH from Gram Panchayat, Nathupur in February 2004 through proceedings of compulsory acquisition. DCCDL had constructed certain portions of its two IT/ IT SEZ buildings of the Cyber City Project as well as entered into third party rights vide lease/ sale of office space in the said buildings. Subsequently, the Hon'ble High Court of Punjab and Haryana, pursuant to a public interest litigation, vide order dated 1 October 2010, quashed the land acquisition proceedings and conveyance deed by GoH and directed the GoH to refund the amount, which was earlier paid by the Company and also directed the Company to remove any construction on the said land. Against the said order, the Company filed a Special Leave Petition in November 2010 before the Hon'ble Supreme Court of India, who vide order dated 3 January 2012, stayed the order of the High Court and the matter is pending disposal before the Hon'ble Supreme Court of India.

In the earlier years, 7 residents of Village Nathupur filed applications for impleadment, which were dismissed vide Order dated 15 March 2022. Further, the impleadment application filed by 5 residents of Village Nathupur which are pending and to be listed in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Also refer note 50(9)(i)(b) below.

- iv) The Company along with one of its subsidiary companies had acquired a land parcel admeasuring approximately 30 acres and 7 acres respectively from EIH Limited ('EIH') for development of IT/

ITES project at Silokhera, Gurugram, which EIH acquired from GoH. The Company constructed 2 IT/ ITES SEZ Buildings on the said land, which was sold to one of the subsidiary companies of the DCCDL. The Company is constructing another block of buildings on DCCDL's behalf. The net block and capital work-in-progress against Silokhera project appearing in DCCDL's books as at 31 March 2025 amounts to ₹ 145,086.08 lakhs (31 March 2024: ₹ 145,141.08 lakhs) and ₹ 89,111.66 lakhs (31 March 2024: ₹ 89,111.66 lakhs), respectively.

Subsequently, the Hon'ble High Court of Punjab and Haryana, pursuant to a public interest litigation and vide its order dated 3 February 2011 directed the GoH to carry out the acquisition proceedings again from the notification stage under the Land Acquisition Act, 1894 and directed the Company and its subsidiaries to remove all constructions made on the said land. The Company filed a Special Leave Petition before the Hon'ble Supreme Court of India and the Hon'ble Supreme Court of India vide order dated 20 September 2011 stayed the order of the Hon'ble High Court and the matter is currently pending before the Hon'ble Supreme Court of India and the next date of hearing is yet to be notified by the registry.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decision on the above matter, no adjustment has been made in these standalone financial statements. Also refer note 50(9)(i)(b) below.

9) **Matters pending in litigation with Courts/ Appellate Authorities**

- i) a) The Competition Commission of India (CCI) on a complaint filed by the Belaire/ Magnolias/ Park Place owners association had passed orders dated 12 August 2011 and 29 August 2011 wherein the CCI had imposed a penalty of ₹ 63,000.00 lakhs on DLF Limited ('DLF' or 'the Company') or, restraining DLF from formulating and imposing allegedly unfair conditions with buyers in Gurugram and further ordered to suitably modify the alleged unfair conditions on its buyers.

The said orders of CCI were challenged by DLF on several grounds by filing appeals before the Competition Appellate Tribunal (COMPAT).

COMPAT vide its order dated 19 May 2014 upheld the penalty imposed by CCI.

The Company had filed an appeal in the Hon'ble Supreme Court of India against the order dated 19 May 2014 passed by the COMPAT. The Hon'ble Supreme Court of India vide order dated 27 August 2014 admitted the Appeal and directed the Company to deposit penalty of ₹ 63,000.00 lakhs in the Court. In compliance of the order, the Company had deposited ₹ 63,000.00 lakhs with the Hon'ble Supreme Court of India and is continued to be shown as recoverable. The matter is pending and to be listed in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements. Also refer point 50(4) above.

- b) During the year ended 31 March 2011, the Company, one of its subsidiary companies and a joint venture company received judgments from the Hon'ble High Court of Punjab and Haryana cancelling the sale deeds of land/ removal of construction relating to two IT SEZ/ IT Park Projects in Gurugram admeasuring 56.48 acres. The Company and the subsidiary company filed Special Leave Petitions (SLPs) challenging the orders in the Hon'ble Supreme Court of India.

The Hon'ble Supreme Court of India had admitted the matters and stayed the operation of the impugned judgments till further orders in both the cases. Also refer point 50(8)(iv) above.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- c) i) The Securities and Exchange Board of India ('SEBI') vide order dated 10 October 2014 restrained the Company and its Officers/ certain directors from accessing the securities market and prohibited them from buying, selling or otherwise dealing in securities, directly or indirectly, in any manner, whatsoever, for a period of three years. This Order was passed pursuant to a Show Cause Notice (SCN) dated 25 June 2013 which inter alia alleged that the Offer Documents issued by the Company at the time of its initial public offer in the year 2007 suffered from material non-disclosures and misstatements.

The Company and the said Directors filed appeals before the SEBI Appellate Tribunal ('SAT'). SAT, by majority order dated 13 March 2015, allowed the appeals on the ground that there was nothing that suggested that the investors were prejudiced due to non-disclosure of information by DLF in its offer document or that such non-disclosure resulted in any benefit to DLF or its Directors in violation of the Erstwhile DIP Guidelines.

SEBI filed an appeal with the Hon'ble Supreme Court of India, which stand admitted vide order dated 24 April 2015 without granting any interim stay in favour of SEBI.

In February 2015, SEBI, in similar matters, imposed penalties upon Company, some of its directors/ officers and its three subsidiaries and their directors. The Company approached the SAT which held that the SEBI order cannot be sustained. In October 2015, SEBI filed applications before the Hon'ble Supreme Court seeking, restraint on the Company, its promoters and/or directors from proceeding with the sale of 159,699,999 Cumulative Compulsorily Convertible Preference Shares of DLF Cyber City Developers Limited held by the promoter group companies to third party institutional investors. The said applications came up for hearing before the Supreme Court on 4 November 2015 and the Supreme Court did not pass any orders restraining the transaction and simply directed that the said applications be listed along with the appeal. The matter is pending and to be listed in due course.

- ii) SEBI issued a SCN dated 28 August 2013 under Sections 15HA and 15HB of the SEBI Act and under Rule 4 of the SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 ('Adjudication Rules') making allegations similar to the SCN dated 25 June 2013. The Company filed its Reply to the same opposing the allegations made against it. Similar SCNs were also issued to three subsidiaries, their directors and certain other entities.

By way of order dated 26 February 2015, the Adjudicating Officer, SEBI imposed monetary penalties upon Company, some of its Directors, its erstwhile CFO, its three subsidiaries and their Directors under Section 15HA and under Section 15HB of the SEBI Act.

The Company and other parties aggrieved by the aforesaid order filed appeals before the Hon'ble SAT against the aforesaid order dated 26 February 2015. When these appeals were listed before Hon'ble SAT on 15 April 2015, SEBI's counsel under instructions stated that during the pendency of the said appeals, the Order dated 26 February 2015 would not be enforced. The Hon'ble SAT vide its order passed on 25 April 2018 held that in view of Hon'ble SAT's majority decision dated 13 March 2015, the SEBI Order dated 26 February 2015 cannot be sustained.

Accordingly, the Hon'ble SAT disposed off the appeals with a direction that these appeals, shall stand automatically revived once the Hon'ble Supreme Court of India disposes of the civil appeals filed by SEBI against the Hon'ble SAT's judgment dated 13 March 2015.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- d) In earlier years, one of the joint venture company, Twenty Five Downtown Realty Limited [formerly Joyous Housing Limited (JHL)] defaulted in meeting its debt obligation to a housing finance company (HFC or Lender). Disputes arose between the shareholders of JHL, and an arbitration for repayment of the Company's entire outstanding dues, inclusive of interest, from JHL is ongoing between the shareholders.

Meanwhile, the Lender assigned the loan to Omkara Asset Reconstruction Company Limited (ARC) and also invoked the pledge of shares, despite the Company's acceptance of Lender's offer to purchase 100% shares of JHL (at a price higher than the reserve price) and repay the outstanding dues of the Lender. The ARC thereafter sold 75% shares of JHL (including 37.5% shares of the Company) to a third party.

The aforesaid assignment of loan as well as the sale of shares has been challenged by the Company before the Hon'ble High Court of Delhi (Hon'ble Court) and the Hon'ble Court has referred the said disputes between all parties involved to arbitration before a sole arbitrator i.e. Retired Former Judge, Supreme Court of India.

Consequently, the aforesaid Arbitration shall proceed as per law.

Further, the Company has filed a petition under Section 7 of the Insolvency and Bankruptcy Code, 2016 against JHL before the National Company Law Tribunal, Mumbai for initiation of corporate insolvency proceedings against JHL on basis of admission of liability in its audited balance sheets. The Company has also filed a complaint before MahaRERA challenging the registration of the project by JHL inter alia on the grounds of improper disclosure and misrepresentation.

Owing to the ongoing actions and circumstances, which are challenged by the Company, JHL at present is not a joint venture of the Company, only in accordance with Ind AS 111 'Joint Arrangement' read with Ind AS 110 'Consolidated Financial Statements'.

At present the total loan and investments of the Company in JHL are ₹ 63,661.28 lakhs (31 March 2024: ₹ 56,248.71 lakhs). Further, based on the legal advice, management believes that it has a strong likelihood of successful outcome in its favour. Still, due to ongoing dispute and uncertainties involved w.r.t. outcome of litigation/arbitration and consequential impact on recoverability of the Company's investment/loan, the provision recognised against such investment/loan is considered to be adequate.

- 9 ii) a) The petitions were filed before the Hon'ble Punjab and Haryana High Court challenging the action of the Haryana Government to acquire the land belonging to Gram Panchayat of village Wazirabad, District Gurugram for public purpose and thereafter selling the same to the Company, seeking directions from the court for quashing of the acquisition proceedings under Sections 4 and 6 dated 8 August 2003 and 20 January 2004.

The petitioners therein also sought quashing of the award dated 19 January 2006 and the Regular letter of allotment (RLA) dated 9 February 2010 issued in favour of the Company for 350.715 acres of land. The Company has paid ₹ 99,969.26 lakhs to Government towards purchase of this land out of total consideration of ₹ 182,437.49 lakhs.

The Hon'ble Punjab and Haryana High Court, vide its final order dated 3 September 2014, while upholding the acquisition of land has however disapproved the allotment in favour of the Company. The Hon'ble High Court passed an order to keep the RLA dated 9 February 2010 issued in favour of the Company in abeyance and further directed the Haryana State Industrial and Infrastructure Development Corporation ('HSIIDC') to initiate fresh allotment process for higher returns in respect of the land in question with an option to State to revive the RLA in case no better bid is quoted by the public at large.

The Company has filed a Special Leave Petition before the Hon'ble Supreme Court of India challenging the judgment dated 3 September 2014 passed by the Hon'ble Punjab and Haryana High Court. The Hon'ble Supreme Court of India vide Order dated 28 November 2014 issued notice to the respondents and directed status quo to be maintained by the parties. The Hon'ble Supreme Court vide Order dated 3 December 2024 granted leave and further directed that the interim order passed by this Court on 28 November 2014 will continue to operate till the final disposal of these appeals. The matter is pending and to be listed in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- b) The Company has filed a Special Leave Petition (SLP) against the order dated 2 December 2016 passed by the Hon'ble Punjab and Haryana High Court in Writ Petition No.12210 of 2013 challenging the findings and directions passed by the Hon'ble High Court requiring DLF to allocate additional land measuring 10.6 Acres for DLF Park Place complex. DLF has taken the ground that after having rejected the contentions of the association on the claim of extra land based on FAR and PPA norms, the Hon'ble High Court could not have passed the order for allocation of additional land based on the representations made in the Brochure. The Company has further raised the ground that Hon'ble High Court has given a complete go by to the terms and conditions of the binding agreement where it was specifically provided the area of Park Place as 12.67 acres, granted leave in the Special Leave Petition.

Against the same order, DLF Park Place Residents Welfare Association has also filed an SLP before the Hon'ble Supreme Court of India on the grounds that the Hon'ble High Court has misinterpreted the statutory provisions of the applicable law to hold that GH Park Place is not a separate and independent Company Housing Complex but is part of DLF Phase-V, constructed over 476.42 Acres, having 15 Company Housing Complexes. In accordance with the FAR ratio

of 1:1.75, the association was entitled to additional land of 46.20 Acres on the total constructed area which has not been considered by the Hon'ble High Court.

The Court after hearing, granted leave in the SLPs. The appeals will be listed for arguments before the Hon'ble Supreme Court of India in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these standalone financial statements.

- c) In the earlier year, Company has initiated the arbitration proceedings against Haryana Urban Development Authority (HUDA) in respect to outstanding amount of ₹ 6,002.90 lakhs recoverable under a joint development agreement entered with HUDA for construction of certain roads and underpass in Gurugram, Haryana on 50:50 cost sharing basis.

During the previous year, the arbitrator has adjudicated the matter in favor of the Company vide order dated 26 July 2023. HUDA has challenged the order of arbitrator and filed an application under section 34 of the Arbitration and Conciliation Act, 1996 before the district judge, Panchkula.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that claims by the Company are as per terms of agreement entered with HUDA and based on merits of the case, there is a strong likelihood of a favorable outcome for the Company in aforesaid case.

- d) During the previous year, the Company has received a demand of property tax amounting to ₹ 11,631.99 lakhs vide assessment order issued by New Delhi Municipal Corporation ('NDMC') with respect to a property under the 'Build, operate and transfer' model operated by the Company. The Company has filed a Writ Petition against the order before Hon'ble High Court, Delhi, which has granted stay in this matter. In the current year, the Company has received, similar demand order from 'NDMC' of ₹ 2,243.99 lakhs with respect to other property held by the Company. Further, the Company had also received, a demand order from 'NDMC' of ₹ 378.88 lakhs with respect to another property held by the Company. The Company has filed separate Writ Petitions against the demands before Hon'ble High Court, Delhi which has granted stay in these matters.

Based on the grounds of the Writ and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding. Pending the final decision on the above matters, no adjustment has been made in these standalone financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of DLF Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of DLF Limited (hereinafter referred to as 'the Holding Company' or 'the Company'), its subsidiaries and partnership firms (the Holding Company, its subsidiaries and partnership firms together referred to as 'the Group'), its associates, joint ventures and joint operations comprising of the consolidated Balance sheet as at 31 March 2025, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statements').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries (including partnership firms), associates, joint ventures and joint operations, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates, joint ventures and joint operations as at 31 March 2025, their consolidated profit including other comprehensive loss, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group, associates, joint ventures and joint operations in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is

sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matters

- i) We draw attention to Note 47(A)(9)(i)(a), (b), (c) and (d) of the consolidated financial statements which describes the uncertainty relating to outcome of following lawsuits filed against the Group:
- a. In a complaint filed against the Company relating to imposing unfair conditions on buyers, the Competition Commission of India (CCI) has imposed a penalty of ₹ 63,000.00 lakhs on the Company which was upheld by Competition Appellate Tribunal. The Company has filed an appeal which is currently pending with Hon'ble Supreme Court of India and has deposited ₹ 63,000.00 lakhs under protest as per direction of the Hon'ble Supreme Court of India. Similar case has been filed against one of the subsidiary company with CCI which is pending with Hon'ble Supreme Court of India. No penalty has been levied in the said case.
- b. In a writ filed with Hon'ble High Court of Punjab and Haryana, the Company, one of its subsidiaries and a joint venture company have received judgments cancelling the sale deeds of land/ removal of structure relating to two IT SEZ/ IT Park Projects in Gurugram. The Company, its subsidiary and joint venture company filed Special Leave Petitions (SLPs) challenging the orders which is currently pending with Hon'ble Supreme Court of India. The Hon'ble Supreme Court of India has admitted the matters and stayed the operation of the impugned judgments till further orders in both the cases.
- c. Securities and Exchange Board of India (SEBI), in a complaint filed against the Company, imposed certain restrictions on the Company. The Company had received a favorable order against the appeal in said case from Securities Appellate Tribunal (SAT). SEBI, subsequently, has filed a statutory appeal which is currently pending before Hon'ble Supreme Court of India. SEBI has also imposed penalties upon the Company, some of its directors, officers, its three subsidiaries and their directors which has been disposed off by SAT with a direction that these appeals will stand automatically revived upon disposal of civil appeal filed by SEBI against aforementioned SAT judgement.
- d. In respect of ongoing legal cases, wherein Company's subsidiary has outstanding trade receivables of ₹ 39,686.11 lakhs from customers, which is currently sub-judice. Pending final order from Hon'ble Supreme

Court of India and at other levels the amount is pending recovery since long. Based on legal status and expert’s view, the management is confident of its recovery and is considered that the amount is fully recoverable.

Based on the advice of the external legal counsels, no adjustment has been considered in the financial statements by the management in respect of above matters. Our opinion is not modified in respect of these matters.

ii) We draw attention to note 47(A)(9)(i)(e) to the Consolidated financial statements regarding ongoing dispute w.r.t. an erstwhile Joint Venture Company and uncertainties involved relating to outcome of legal disputes and consequential impact on recoverability of the Group’s investment/ loan and adequacy of provision already recognised against such investment/ loan in the financial statements.

Based on the advice of the external legal counsels, no further adjustment has been considered in these consolidated financial statements by the management in respect of above matter and the net carrying value of loan is considered to be recoverable. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements for the financial year ended 31 March 2025. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor’s responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
Revenue recognition for real estate projects (as described in Note 28 to the consolidated financial statements)	
The Group applies Ind AS 115 ‘Revenue from contracts with customers’ for recognition of revenue from real estate projects, which is being recognised at a point in time upon the Group satisfying its performance obligation and the customer obtaining control of the underlying asset.	Our audit procedures included, among others: • Read the Group’s revenue recognition accounting policies and assessed compliance of the policies with Ind AS 115; • Obtained and understood revenue recognition process including identification of performance obligations and determination of transfer of control of the asset underlying the performance obligation to the customer; • Read the legal opinion obtained by the Group to determine the point in time at which the control is transferred in accordance with the underlying agreements; • Tested revenue related transactions with the underlying customer contracts and documents, evidencing the transfer of control of the assets to the customer based on which revenue is recognized; • Assessed that the performance obligation is satisfied by the Group; and • Assessed the revenue related disclosures included in Note 28 to the consolidated Ind AS financial statements in accordance with the requirements of Ind AS 115.
Considering application of Ind AS 115 involves significant judgement in identifying performance obligations and determining when ‘control’ of the asset underlying the performance obligation is transferred to the customer, the same has been considered as key audit matter.	

Key audit matters	How our audit addressed the key audit matter
Claims, litigations and contingencies (as described in Note 47 to the consolidated financial statements)	
The Group is having various ongoing litigations, court and other legal proceedings before tax and regulatory authorities and courts including indemnifications and commitments given to a Joint Venture company which could have significant financial impact, if the potential exposure were to materialize. Management estimates the possible outflow of economic resources based on legal counsel opinion and available information on the legal status of the proceedings. Considering the determination by the management of whether and how much, to provide and/ or disclose for such contingencies involves significant judgement and estimation, the same has been considered as key audit matter.	Our audit procedures included, among others: • Understood management's process relating to the identification and impact analysis of claims, litigations and contingencies (including commitment and indemnifications given to Joint Venture company); • Obtained confirmation letters from legal counsels and analysed their responses; • Read the minutes of meetings of the Audit Committee and the Board of Directors of the Company related to noting of status of material litigations; and • Assessed management's assumptions and estimates related to disclosures of contingent liabilities in the Consolidated financial statements.
Assessing the carrying value of Inventory and advances paid for land procurement (as described in Note 10, 11, 14 and 15 to the consolidated financial statements)	
The Group's inventory comprises of ongoing and completed real estate projects, unlaunched projects and development rights. As at 31 March 2025, the carrying values of inventories amounts to ₹ 24,62,148.48 lakhs. The inventories are carried at the lower of the cost and net realizable value ("NRV"). The determination of the NRV involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling costs. Further, the Group has made various advances and deposits to the seller/ intermediary towards purchase of land during the course of obtaining clear and marketable title, free from all encumbrances and transfer of legal title to the Group, whereupon it is transferred to land stock under inventories. With respect to land advance given, the net recoverable value is based on the management's estimates and internal documentation, which include, among other things, the likelihood when the land acquisition would be completed, the expected date of plan approvals for commencement of project, estimation of sale prices and construction costs and Group's business plans in respect of such planned developments. Considering significance of the amount of carrying value of inventories in the financial statements and the involvement of significant estimation and judgement in such assessment of NRV, recoverability of land advances the same has been considered as key audit matter.	Our audit procedures included, among others: • Read and evaluated the accounting policies and disclosures made in the financial statements with respect to inventories; • Understood and reviewed the management's process and methodology of using key assumptions for determination of NRV of the inventories; • Tested the NRV of the inventories to its carrying value in books on sample basis; • Where the management involved experts to perform valuations, performed the following procedures: • Obtained and read the valuation report used by the management for determining the NRV; • Considered the independence, competence and objectivity of the experts involved in determination of valuation; and • Involved specialists to review the assumptions used by the management experts. For land advance, our audit procedures included the following: • Obtained status update from the management and verified the underlying documents for related developments; • Compared the acquisition cost of the underlying land with current market price in similar locations; and • Evaluated the management assessment w.r.t. recoverability of those advances and changes if any, in the business plans relating to such advances.

Key audit matters	How our audit addressed the key audit matter
Assessing impairment of Investments and loans in joint venture and associate entities (as described in Note 8 and 10 to the consolidated financial statements)	
The Group has significant investments (including loans) in its joint ventures and associate. As at 31 March 2025, the carrying values of Group’s investment and loans in its joint ventures and associate entities amounts to ₹ 20,26,063.95 lakhs (net of impairment). Management reviews regularly whether there are any indicators of impairment by reference to the requirements under Ind AS 36 ‘Impairment of Assets’. For investments and loans where impairment indicators exist, significant judgements are required to determine the key assumptions used in the valuation model and methodology, such as revenue growth, discount rates etc. Considering the impairment assessment involves significant assumptions and judgement, the same has been considered as key audit matter.	Our procedures in assessing the management’s judgement for the impairment assessment included, among others, the following: - Assessed the Group’s valuation methodology applied in determining the recoverable amount of the investments and loans; - Obtained and read the valuation report used by the management for determining the fair value (‘recoverable amount’) of its investments and loans given; - Considered the independence, competence and objectivity of the management experts involved in determination of valuation; - Tested the fair value of the investment and loans as mentioned in the valuation report to the carrying value in books; - Made inquiries with management to understand key drivers of the cash flow forecasts, discount rates etc.; - Involved specialists to review the assumptions used by the management experts; and - We reviewed the disclosures made in the consolidated financial statements regarding such investments including loans.
Assessment of recoverability of deferred tax asset (as described in Note 12 to the consolidated financial statements)	
As at 31 March 2025, the Group has recognized deferred tax assets of ₹ 1,00,296.73 lakhs on deductible temporary differences and unused tax losses. Recognition of deferred tax assets to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax losses can be utilized, involves significant management judgement and estimation given that it is based on assumptions such as the likely timing and level of future taxable profits which are affected by expected future market and economic conditions. Considering, this involves significant judgement and estimates, the same has been considered as key audit matter.	Our audit procedures included, amongst others: - Obtained an understanding of the process and tested the controls over recording of deferred tax and review of deferred tax at each reporting date; - Tested the computation of the amounts recognized as deferred tax assets; - Evaluated management’s assumptions used to determine the probability that deferred tax assets recognized in the balance sheet will be recovered through taxable income in future years, by comparing them against profit trends and future business plans; and - Assessed the disclosures on deferred tax included in Note 12 and 35 to the consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
Related party transactions (as described in Note 46 to the consolidated financial statements)	
- The Group has undertaken transactions with its related parties in the ordinary course of business at arm’s length. These include making new or additional investments; lending loans; sales and purchases to and from related parties etc. as disclosed in note 46 to the consolidated financial statements. - We identified the accuracy and completeness of the related party transactions and its disclosure as set-out in respective notes to the financial statements as a key audit matter due to the significance of transactions with related parties and regulatory compliances thereon, during the year ended 31 March 2025.	Our procedures/ testing included the following, amongst others: - Obtained and read the Group’s policies, processes and procedures in respect of identifying related parties, obtaining approval, recording and disclosure of related party transactions; - Read minutes of shareholders’ meetings, board meetings and minutes of meetings of those charged with governance in connection with Company’s assessment of related party transactions being in the ordinary course of business at arm’s length; - Tested, related party transactions with the underlying contracts, confirmation letters and other supporting documents; and - Agreed the related party information disclosed in the financial statements with the underlying supporting documents, on a sample basis.
Assessing the carrying value of Goodwill, Property, Plant and Equipment (‘PPE’), Investment Property (including investment properties under construction) (‘IP’) and Capital work-in-progress (‘CWIP’) (as described in Note 4, 5 and 6 to the Consolidated financial statements)	
As at 31 March 2025, the carrying value of the Goodwill, PPE, IP and CWIP is ₹ 94,425.34 lakhs, ₹ 62,976.15 lakhs, ₹ 1,70,649.11 lakhs and ₹ 7,714.32 lakhs, respectively. Goodwill with indefinite useful life, acquired in a business combination is tested for impairment by the Group on a periodical basis. In performing such impairment assessment, Holding Company’s management compared the carrying value of each of the identifiable cash generating units (‘CGUs’) to which goodwill with indefinite useful life had been allocated with their respective ‘value in use’ computed, to determine, if any impairment loss should be recognized. The Group reviews on a periodical basis whether there are any indicators of impairment assessment and if indicators exist, Group estimates the recoverable amount and compares them with carrying value of the asset. Significant judgements are required to determine the key assumptions used in determination of fair value/ value in use. Considering, the amounts involved and involvement of judgement and estimates, the same has been considered as key audit matter.	Our procedures in assessing the carrying value (including impairment assessment) of the Goodwill, PPE, IP and CWIP included, among others, the following: - Read and evaluated the accounting policies with respect to Goodwill, PPE, IP and CWIP and impairment of non-financial assets; - Evaluated Holding Company’s management’s identification of CGU’s, the carrying value of each CGU and the methodology followed for the impairment assessment in compliance with the applicable Ind AS; - Assessed the Group’s valuation methodology and assumptions based on current economic and market conditions applied in determining the recoverable amount, including valuation report used by the Group for determining the fair value (‘recoverable amount’) of the goodwill, PPE, IP and CWIP; - Involved specialists to review the assumptions used by the management experts; - Compared the recoverable amount of the goodwill, PPE, IP and CWIP to the carrying value in books; - Assessed the disclosures made in the Consolidated financial statements for compliance with the relevant accounting standards requirements.

Key audit matters	How our audit addressed the key audit matter
Accounting for lease rental income in respect of a Joint Venture Group (as described in Note 45(ii)(a) and (b) to the consolidated financial statements)	
Lease revenue is recognized in accordance with the terms of lease contracts over the lease term on a straight-line basis. In respect of a Joint Venture, Group has earned lease rental income, amounting to ₹ 4,75,375.02 lakhs for the year ended 31 March 2025. There is an inherent risk around the accuracy of the revenue recorded, given the complexity and varied nature of the terms of lease agreements involving initial lease period, lock-in, revenue sharing and minimum guarantee. Accounting of lease rental income is a key audit matter as this involves high level of management estimates and judgements and varied nature of contractual terms of underlying lease agreements.	Our audit procedures, among others, included the following: • Evaluated the Group's accounting policy pertaining to revenue recognition in accordance with the applicable accounting standards i.e. Ind AS 116 ‘Leases’; • Obtained understanding of the process and operating effectiveness of internal controls, over revenue recognition of lease rental income; • Performed test of details on a representative sample of lease rental income to test whether that revenue is recognized based on terms of underlying contracts with customers and Ind AS 116 - ‘Leases’. For rental income based on lessee turnover, traced the inputs used to information reports received from lessees; • Tested completeness, arithmetical accuracy and validity of data used in completeness of lease rental income; and • Assessed the adequacy of disclosures made in the financial statements of Joint Venture Group as per Ind AS 116.

Information Other than the Financial Statements and Auditor’s Report Thereon

The Holding Company’s Board of Directors is responsible for the other information. The other information comprises the Chairman’s Message, Board’s Report, Management Discussion and Analysis Report and Corporate Governance Report, but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation and presentation of

these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associates, joint ventures and joint operations in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates, joint ventures and joint operations are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated

financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates, joint ventures and joint operations are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance of the companies included in the Group and of its associates, joint ventures and joint operations are also responsible for overseeing the financial reporting process of their respective companies.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of

accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates, joint ventures and joint operations to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group and its associates, joint ventures and joint operations to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates, joint ventures and joint operations of which we are the independent auditors, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were

Independent Auditor's Report

of most significance in the audit of the consolidated financial statements for the financial year ended 31 March 2025 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements and other financial information, in respect of 96 subsidiaries and 1 partnership firm, whose financial statements include total assets of ₹ 10,40,742.06 lakhs as at 31 March 2025 and total revenues of ₹ 1,74,859.76 lakhs and net cash outflows of ₹ 3,593.51 lakhs for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated financial statements also include the Group's share of net profit of ₹ 9.17 lakhs for the year ended 31 March 2025, as considered in the consolidated financial statements, in respect of 2 joint ventures, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, partnership firm and joint ventures and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, partnership firm and joint ventures, is based solely on the reports of such other auditors.
- (b) The accompanying consolidated financial statements include unaudited financial statements and other unaudited financial information in respect of 1 partnership firm and 2 joint operations, whose financial statements and other financial information reflect total assets of ₹ 7,408.93 lakhs as at 31 March 2025 and total revenue of ₹ Nil and net cash inflow of ₹ Nil for the year ended on that date. These unaudited financial statements and other unaudited financial information have been furnished to us by the management. The consolidated financial statements also include the Group's share of net loss of ₹ 1.41 lakhs for the year ended 31 March 2025, as considered in the consolidated financial statements, in respect of 2 associates and 1 joint venture, whose financial statements, other financial information have not been audited and whose unaudited financial statements, other

unaudited financial information have been furnished to us by the Management. Our opinion, in so far as it relates amounts and disclosures included in respect of these partnership firm, joint operations, associates and joint venture and our report in terms of sub-sections (3) of Section 143 of the Act in so far as it relates to the aforesaid partnership firm, joint operations, associates and joint venture, is based solely on such unaudited financial statements and other unaudited financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements and other financial information are not material to the Group.

Our opinion above on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, associates and joint ventures, incorporated in India and to the extent applicable and made available to us, as noted in the 'Other Matter' paragraph, we give in the 'Annexure 1' a statement on the matters specified in paragraph 3(xxii) of the Order. This report, however, does not include a Report under Companies (Auditor's Report) Order, 2020 in respect of 2 associates and 1 joint venture as noted in the 'Other Matter' paragraph, accordingly Annexure 1 does not include reporting, if any, on the matters specified in paragraph 3(xxii) of the Order in respect of such associates and joint venture.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associates and joint ventures, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of

the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors except for the matters stated in the paragraph 2(j)(vi) below on reporting under Rule 11(g);

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) The matter described in 'Emphasis of Matters' paragraph above, in our opinion, may have adverse effect on the functioning of the Group along with its associate companies, joint ventures and joint operations;
- (f) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and joint ventures, none of the directors of the Group's companies and joint ventures, incorporated in India, is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164 (2) of the Act;
- (g) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above;
- (h) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company, subsidiary companies, associates and joint ventures and the operating effectiveness of such controls, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of such subsidiary companies, associates and joint ventures, incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph, refer to our separate Report in 'Annexure 2' to this report. This report, however, does not include a Report on the internal financial controls under clause (i) of sub-section 3 of Section 143 of the Act in

Independent Auditor's Report

respect of 2 associates and 1 joint venture, as noted in the 'Other Matter' paragraph, where such reports have not been made available to us;

- (i) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries and joint ventures incorporated in India, the managerial remuneration for the year ended 31 March 2025 has been paid / provided by the Holding Company, its subsidiaries and joint ventures incorporated in India to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
- (j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, associates and joint ventures, as noted in the 'Other matter' paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group, associates and joint ventures in its consolidated financial statements – Refer Note 45(iv) and 47 to the consolidated financial statements;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer (a) Note 26(a) to the consolidated financial statements in respect of such items as it relates to the Group, associates and joint ventures and (b) the Group's share of net profit/ loss in respect of its associates and joint ventures;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiaries and joint ventures, incorporated in India during the year ended 31 March 2025.
 - iv. a) The respective managements of the Holding Company and its subsidiaries and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint ventures, respectively that, to the

best of its knowledge and belief, other than as disclosed in the note 40 (v) to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries and joint ventures to or in any other persons or entities, including foreign entities (‘Intermediaries’),withtheunderstanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries and joint ventures (‘Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

b) The respective managements of the Holding Company and its subsidiaries and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and joint ventures respectively that, to the best of its knowledge and belief, other than as disclosed in the note 40(vi) to the consolidated financial statements, no funds have been received by the respective Holding Company or any of such subsidiaries and joint ventures from any persons or entities, including foreign entities (‘Funding Parties’), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries and joint ventures shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (‘Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor’s notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

v. The final dividend paid by the Holding Company, its subsidiaries and joint ventures incorporated in India during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 39(b) to the consolidated financial statements, the respective Board of Directors of the Holding Company, its subsidiaries and joint ventures, incorporated in India have proposed final dividend for the year which is subject to the approval of the members of the respective companies at the respective ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

vi. Based on our examination which included test checks and review of Service Organisation Controls report and that performed by the respective auditors of the subsidiaries and joint ventures which are companies incorporated in India whose financial statements have been audited under the Act and as described in note 59, the Holding Company, subsidiaries and joint ventures have used accounting software which is operated by a third party service provider for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we and respective auditors of the above referred subsidiaries and joint ventures did not come across any instance of audit trail feature being tampered with. Further, for the reasons stated in note 59 to the consolidated financial statements, in case of two of the subsidiaries and one of the joint venture, we are unable to comment on whether audit trail as per the applicable requirements has been preserved by the subsidiary companies and joint venture as per the statutory requirements. Also for the reasons stated in note 59 to the financial statements, we are unable to comment whether the audit trail has been preserved by the Holding Company and above referred subsidiaries and joint ventures as per the statutory requirements for record retention for previous year.

Annexure 2 to the Independent Auditor’s Report of even date on the Consolidated Financial Statements of DLF Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

In conjunction with our audit of the consolidated financial statements of DLF Limited (hereinafter referred to as the ‘Holding Company’) as of and for the year ended 31 March 2025, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiaries (the Holding Company, its subsidiaries together referred to as ‘the Group’), its associates and joint ventures, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group, its associates and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the

timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the ‘Guidance Note’) and the Standards on Auditing, specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation

of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, its associates and joint ventures, which are companies incorporated in India, have maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to 96 subsidiaries and 2 joint ventures, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries and joint ventures incorporated in India.

1. CORPORATE INFORMATION

DLF Limited ('DLF' or the 'Company' or the 'Holding Company'), a public limited company and its subsidiaries (including partnership firms) (collectively referred to as the 'Group'), its joint operations, joint ventures and associates are engaged primarily in the business of colonisation and real estate development. The operations of the Group along with its joint operations, joint ventures and associates span all aspects of real estate development, from the identification and acquisition of land, to planning, execution, construction and marketing of projects. The Group along with its joint operations, joint ventures and associates is also engaged in the business of leasing, generation of power, provision of maintenance services, hospitality and recreational activities which are related to the overall development of real estate business. The Holding Company is domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office is situated at Shopping Mall, 3rd Floor, Arjun Marg, Phase I, DLF City, Gurugram - 122002, Haryana.

The consolidated financial statements for the year ended 31 March 2025 were authorized and approved by the Board of Directors for issue on 19 May 2025.

2. BASIS OF PREPARATION

These consolidated financial statements ('financial statements') of the Group, its associates, joint operations and joint ventures have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (Ind AS compliant Schedule III), as applicable to the consolidated financial statements.

The consolidated financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets and financial liabilities, derivative financial instruments and share-based payments which are measured at fair values as explained in relevant accounting policies. The changes in accounting policies are explained in note 3(z).

The consolidated financial statements are presented in Rupees and all values are rounded to the nearest in lakhs, except when otherwise indicated.

Basis of consolidation

The consolidated financial statements comprise the financial statements of the Group, its associates, joint operations and joint ventures as at 31 March 2025. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee);
- Exposure, or rights, to variable returns from its involvement with the investee; and
- The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including:

- The contractual arrangement with the other vote holders of the investee;
- Rights arising from other contractual arrangements;
- The Group's voting rights and potential voting rights; and
- The size of the Group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company i.e. year ended on 31 March. When the end of the reporting period of the parent is different from that of a subsidiary, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Consolidation procedure for subsidiaries and partnership firms:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amount of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and property, plant and equipment, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 'Income Taxes' applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies. All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- De-recognises the assets (including goodwill) and liabilities of the subsidiary at their carrying amount at the date when control is lost;
- De-recognises the carrying amount of any non-controlling interests;

- De-recognises the cumulative translation differences recorded in equity;
- Recognises the fair value of the consideration received;
- Recognises the fair value of any investment retained;
- Recognises any surplus or deficit in statement of profit and loss; and
- Reclassifies the parent's share of components previously recognised in OCI to statement of profit and loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Statement of profit and loss balance [including other comprehensive income ('OCI')] is attributed to the equity holders of the Holding Company and to the non-controlling interests basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the group. Such a change in ownership interest results in an adjustment between the carrying amount of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

3. Summary of Material Accounting Policies**a) Investments in associates and joint ventures***Associates*

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.

Joint arrangements

Investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the Joint arrangement. A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Notes to Consolidated Financial Statements (Contd.)

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence,

the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value and then recognises the loss in the statement of profit and loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in statement of profit and loss.

With respect to investment in Joint operations, the Group recognises its direct right to the assets, liabilities, revenue and expenses of Joint operations and its share of any jointly held or incurred assets, liabilities, revenue and expenses. These have been incorporated in the consolidated financial statements under the appropriate headings.

b) Business combinations and goodwill

The Group applies the acquisition method in accounting for business combinations for the businesses which are not under common control. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- (i) Deferred tax assets or liabilities and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Tax' and Ind AS 19 'Employee Benefits', respectively.
- (ii) Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12 'Income Tax'.

- (iii) Liabilities or equity instruments related to share-based payment arrangements of the acquiree or share-based payments arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 'Share-based Payments' at the acquisition date.
- (iv) Assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' are measured in accordance with that standard.
- (v) Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 'Financial Instruments', is measured at fair value with changes in fair value recognised in statement of profit and loss. If the contingent consideration is not within the scope of Ind AS 109 'Financial Instruments', it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted for within equity.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in statement of profit and loss or OCI, as appropriate.

Goodwill is measured as excess of the aggregate of the fair value of the consideration transferred, the amount recognised for non-controlling interests and fair value of any previous interest held, over the fair value of the net of identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amount to be recognised at the acquisition date. If the re-assessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then

Notes to Consolidated Financial Statements (Contd.)

the gain is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash-generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in statement of profit and loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amount for the items for which the accounting is incomplete. Those provisional amount are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amount recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

Business combinations under common control

Business combinations involving entities or businesses under common control have been accounted for using the pooling of interest method. The assets and liabilities of the combining entities are reflected at their carrying

Notes to Consolidated Financial Statements (Contd.)

amount. No adjustments have been made to reflect fair values, or to recognise any new assets or liabilities.

Asset acquisitions and business combinations

Where asset is acquired, via corporate acquisitions or otherwise, management considers the substance of the assets and activities of the acquired entity in determining whether the acquisition represents the acquisition of a business. Where such acquisitions are not judged to be an acquisition of a business, they are not treated as business combinations. Rather, the cost to acquire the corporate entity or assets and liabilities is allocated between the identifiable assets and liabilities (of the entity) based on their relative fair values at the acquisition date. Accordingly, no goodwill or deferred tax arises.

c) Current and non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

d) Property, plant and equipment*Recognition and initial measurement*

Property, plant and equipment at their initial recognition are stated at their cost of acquisition. On transition to Ind AS, the Group had elected to

measure all of its property, plant and equipment at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost, if capitalization criteria is met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that incremental future economic benefits associated with the item will flow to the Group. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria is satisfied. Any remaining carrying amount of the cost of the previous inspection is de-recognised. All other repair and maintenance costs are recognised in statement of profit and loss as incurred. The Group identifies and determines cost of each component/ part of the asset separately, if the component/ part have a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost net of accumulated depreciation and accumulated impairment losses, if any. Depreciation on property, plant and equipment is provided on a straight-line basis, over the estimated useful lives of the assets as follows:

Asset category	Estimated useful life (in years)	Estimated useful life as per Schedule II to the Companies Act, 2013 (in years)
Buildings	10 to 60	60
Plant and machinery	5 to 15	15
Leasehold improvements	3 to 9	-
Computers and data processing units		
- Servers and networks	6	6
- Desktops, laptops and other devices	3	3
Furniture and fixtures	5 to 10	10
Office equipment	3 to 10	5
Vehicles	8 to 10	8 to 10

The Group, based on technical assessment made by technical expert and management estimate, depreciates certain items of buildings, plant and machinery, furniture and fixtures and office equipment over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

The leasehold improvements are depreciated over the period of lease or life of asset whichever is less.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognised.

e) Capital work-in-progress and intangible assets under development

Capital work-in-progress and intangible assets under development represents expenditure incurred in respect of capital projects/ intangible assets under development and are carried at cost less accumulated impairment loss, if any. Cost includes land, related acquisition expenses, development/ construction costs, borrowing costs and other direct expenditure.

f) Investment properties*Recognition and initial measurement*

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition including transaction costs. On transition to Ind AS, the Group had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, cost of replacing parts, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. All other repair and

Notes to Consolidated Financial Statements (Contd.)

maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use.

Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on investment properties is provided on the straight-line method, over the useful lives of the assets as follows:

Asset category*	Estimated useful life (in years)	Estimated useful life as per Schedule II to the Companies Act, 2013 (in years)
Buildings and related equipment	15 to 60	60
Furniture and fixtures	5 to 10	10

The leasehold premium is amortised over the period of lease.

The group, based on technical assessment made by technical expert and management estimate, depreciates certain items of buildings and furniture and fixtures over estimated useful lives which are different from the useful life prescribed in Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

* Apart from all the assets, the Group has developed commercial space (in addition to automated multi-level car parking) over the land parcel received under the build, own, operate and transfer scheme of the public private partnership (as mentioned in the intangible assets policy below) which has been depreciated in the proportion in which the actual revenue received during the accounting year bears to the projected revenue from such assets till the end of concession period.

Notes to Consolidated Financial Statements (Contd.)

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model acceptable internationally.

De-recognition

Investment properties are de-recognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of de-recognition.

g) Intangible assets*Recognition and initial measurement*

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. On transition to Ind AS, the Group had elected to measure all of its intangible assets at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost if capitalization criteria is met and directly attributable cost of bringing the asset to its working condition for the intended use. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in statement of profit and loss in the period in which the expenditure is incurred.

The Group has acquired exclusive usage rights for 30 years under the build, own, operate and transfer scheme in respect of properties developed as automated multi-level car parking and commercial space and classified them under the 'Intangible Assets – Right under build, own, operate and transfer arrangement'.

Subsequent measurement (amortisation)

Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any. The cost of capitalized software is amortized over a period of three to five years from the date of its acquisition.

The cost of usage rights is being amortised over the concession period in the proportion in which the actual revenue received during the accounting

year bears to the projected revenue from such intangible assets till the end of concession period.

De-recognition

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is de-recognised.

h) Inventories

- Land and plots other than area transferred to constructed properties at the commencement of construction are valued at lower of cost/ as re-valued on conversion to stock and net realisable value. Cost includes land (including development rights and land under agreement to purchase) acquisition cost, borrowing cost if inventorisation criteria is met, estimated internal development costs and external development charges and other directly attributable costs.
- Construction work-in-progress of constructed properties other than Special Economic Zone (SEZ) projects includes the cost of land (including development rights and land under agreements to purchase), internal development costs, external development charges, construction costs, overheads, borrowing cost if inventorisation criteria are met, development/ construction materials, and is valued at lower of cost/ estimated cost and net realisable value.
- In case of SEZ projects, construction work-in-progress of constructed properties include internal development costs, external development charges, construction costs, overheads, borrowing cost, if inventorisation criteria is met, development/ construction materials and is valued at lower of cost/ estimated cost and net realisable value.
- Development rights represent amount paid under agreement to purchase land/ development rights and borrowing cost incurred by the Group to acquire irrevocable and exclusive licenses/ development rights in the identified land and constructed properties, the acquisition of which is either completed or is at an advanced stage. These are valued at lower of cost and net realisable value.
- Construction/ development material is valued at lower of cost and net realisable value. Cost comprises of purchase price and other costs incurred in bringing the inventories to their present location and condition.
- Stocks for maintenance and recreational facilities (including stores and spares)

are valued at cost or net realisable value, whichever is lower.

- Stock of food, grocery items, beverages, wine and liquor are valued at lower of cost or net realisable value. Cost comprises of cost of material including freight and other related incidental expenses.
- In case of joint development/ collaboration agreements, involving barter transactions, revenue and cost are measured at the fair value of the goods or services rendered, adjusted by the amount of any cash or cash equivalents transferred. Where the fair value of the goods or services received cannot be measured reliably, the revenue and cost are measured at the fair value of the goods or services given up, adjusted by the amount of any cash or cash equivalents transferred.

Cost is determined on weighted-average basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

i) Revenue from contract or services with customer and other streams of revenue

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services. The Group has generally concluded that it is the principal in its revenue arrangements because it typically controls the goods and services before transferring them to the customers.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in note 3 (aa).

i. Revenue from Contracts with Customers:

Revenue is measured at the fair value of the consideration received/ receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the Government and is net of rebates and discounts. The Group assesses its revenue arrangements against specific criteria to determine if it is acting as principal or agent. The Group has concluded that it is acting as a principal in all of its revenue arrangements.

Revenue is recognised in the income statement to the extent that it is probable that the economic benefits will flow to the Group and the revenue and costs, if applicable, can be measured reliably.

The Group has applied five step model as per Ind AS 115 'Revenue from contracts with customers'

Notes to Consolidated Financial Statements (Contd.)

to recognise revenue in the consolidated financial statements. The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Group's performance as the Group performs; or
- The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- The Group's performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where any of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time or over a period of time based on various conditions as included in the contracts with customers.

Point of Time:*Revenue from real-estate projects*

Revenue is recognised at the Point in Time w.r.t. sale of real estate units, including land, plots, apartments, commercial units, development rights including development agreements as and when the control passes on to the customer upon completion of performance obligations and intimation to the customers thereof.

Incremental cost of obtaining contract

The incremental cost of obtaining a contract with a customer is recognised as an asset if Company expects to recover those costs subject to other conditions of the standard are met. These costs are charged to statement of profit and loss in accordance with the transfer of the property to the customer.

Over a period of time:

Revenue is recognised over a period of time for following stream of revenues:

Revenue from Co-development projects

Co-development projects where the Group is acting as contractor, revenue is recognised in accordance with the terms of the co-developer agreements. Under such contracts, assets created does not have an alternative use and Group has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material, internal development cost, external development charges, borrowing cost and overheads of such project.

The estimates of the saleable area and costs are reviewed periodically and effect of any changes in such estimates is recognized in the period

Notes to Consolidated Financial Statements (Contd.)

such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

Construction and fit-out projects

Construction and fit-out projects where the Group is acting as contractor, revenue is recognised in accordance with the terms of the construction agreements. Under such contracts, assets created does not have an alternative use and the Group has an enforceable right to payment. The estimated project cost includes construction cost, development and construction material and overheads of such project.

The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognises revenue in proportion to the actual project cost incurred as against the total estimated project cost. The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined. However, when the total project cost is estimated to exceed total revenues from the project, the loss is recognized immediately.

As the outcome of the contracts cannot be measured reliably during the early stages of the project, contract revenue is recognised only to the extent of costs incurred in the statement of profit and loss.

Revenue from golf course operations

Income from golf operations, course capitation, sponsorship etc. is fixed and recognised as per the management agreement with the parties, as and when Group satisfies performance obligation by delivering the promised goods or services as per contractual agreed terms.

Rental and maintenance income

Revenue in respect of rental and maintenance services is recognised on an accrual basis, in accordance with the terms of the respective contract as and when the Group satisfies performance obligations by delivering the services as per contractual agreed terms.

Power supply

- Revenue from power supply together with claims made on customers is recognised in terms of power purchase agreements entered into with the respective purchasers.

Other Service and operating income

- Subscription and non-refundable membership fee is recognised on

proportionate basis over the period of the subscription/ membership.

- Revenue from hotel operations (including food and beverages) and related services is recognised net of discounts and sales related taxes in the period in which the services are rendered.
- Revenue from recreational activities and laundry income is recognized when the services are rendered.
- Income from forfeiture of properties and interest from banks and customers under agreements to sell is accounted for on an accrual basis except in cases where ultimate collection is considered doubtful.

ii. Volume rebates and early payment rebates

The Group provides move in rebates/ early payment rebates/ down payment rebates to the customers. Rebates are offset against amount payable by the customer and revenue to be recognised. To estimate the variable consideration for the expected future rebates, the Group estimates the expected value of rebates that are likely to be incurred in future and recognises the revenue net of rebates and recognises the refund liability for expected future rebates.

iii. Contract balances*Contract assets*

A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section 3(v) Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

j) Cost of revenue*Cost of real estate projects*

Cost of constructed properties other than SEZ projects, includes cost of land (including cost of development rights/ land under agreements to purchase), estimated internal development costs, external development charges, borrowing costs, overheads, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate projects above, in consonance with the concept of matching costs and revenue.

Cost of SEZ projects

Cost of constructed properties includes estimated internal development costs, external development charges, overheads, borrowing cost, construction costs and development/ construction materials, which is charged to the statement of profit and loss based on the revenue recognized as explained in accounting policy for revenue from real estate SEZ projects above, in consonance with the concept of matching costs and revenue. Final adjustment is made on completion of the specific project.

Cost of land and plots

Cost of land and plots includes land (including development rights), acquisition cost, estimated internal development costs and external development charges, which is charged to the statement of profit and loss based on the percentage of land/ plotted area in respect of which revenue is recognised as explained in accounting policy for revenue from 'Sale of land and plots', in consonance with the concept of matching cost and revenue. Final adjustment is made on completion of the specific project.

Cost of development rights

Cost of development rights includes proportionate development rights cost, borrowing costs and other related cost, which is charged to statement of profit and loss as explained in accounting policy for revenue, in consonance with the concept of matching cost and revenue.

k) Borrowing costs

Borrowing costs directly attributable to the acquisition and/ or construction/ production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are charged to the statement of profit and loss as incurred. Borrowing costs consist of interest and other costs that the Group incurs in connection with the

Notes to Consolidated Financial Statements (Contd.)

borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l) Taxation**Current income tax**

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Minimum Alternate Tax (MAT) paid in a year is charged to the statement of profit and loss as current tax for the year. The deferred tax asset is recognised for MAT credit available only to the extent that it is probable that the Group will pay normal income tax during the specified period, i.e. the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as part of deferred tax asset. The Group reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

In the situations where one or more units/ undertaking in the Group are entitled to a tax holiday under the Income-tax Act, 1961, no deferred tax (asset or liability) is recognized in respect of temporary differences which reverse during the tax holiday period, to the extent the concerned entity's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of temporary differences which reverse after the tax holiday period is recognized in the year in which the temporary differences originate. However, the Group restricts recognition of deferred tax assets to the extent it is probable that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition

Notes to Consolidated Financial Statements (Contd.)

of deferred taxes, the temporary differences which originate first are considered to reverse first.

Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amount for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Sales tax/ value added taxes/ goods and services tax paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of sales tax/ value added taxes/ goods and services tax paid, except:

- When the tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included.

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

m) Foreign currency transactions*Functional and presentation currency*

The consolidated financial statements are presented in Indian Rupee ('INR' or '₹') which is also the functional and presentation currency of the parent company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction. However, for practical reasons, the group uses an average rate if the average approximates the actual rate at the date of the transaction.

Foreign currency monetary items outstanding at the balance sheet date are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transactions.

Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in OCI or statement of profit and loss are also recognised in OCI or statement of profit and loss, respectively).

Exchange differences arising on settlement of monetary items or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

n) Retirement and other employee benefits*Provident fund*

Retirement benefit in the form of provident fund is a defined benefit scheme. The Group makes contribution to statutory provident fund trust set-up in accordance with the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. The Group has to meet the interest shortfall, if any. Accordingly, the contribution paid or payable and the interest shortfall, if any, is recognised as an expense in the period in which services are rendered by the employee. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/ obligation at the balance sheet date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit/ obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on government bonds that have terms to maturity approximating the terms of the related liability. Service cost and net interest

Notes to Consolidated Financial Statements (Contd.)

expense on the Group's defined benefit plan is included in statement of profit and loss. Actuarial gains/ losses resulting from re-measurements of the liability are included in other comprehensive income in the period in which they occur and are not reclassified to statement of profit and loss in subsequent periods.

Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of discounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the year in which such gains or losses are determined.

Pension

Pension is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of pension is the present value of the defined benefit obligation at the balance sheet date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. This is based on standard rates of inflation, salary growth rate and mortality. Discount factors are determined close to each year-end by reference to market yields on Government bonds that have terms to maturity approximating the terms of the related liability. Service cost on the Group's defined benefit plan is included in employee benefits expense. Net interest expense on the net defined benefit liability is included in finance costs. Actuarial gains/ losses resulting from re-measurements of the liability are included in other comprehensive income in the period in which they occur and are not reclassified to statement of profit and loss in subsequent periods.

Short-term employee benefits

Expense in respect of short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee. Contribution made towards superannuation fund (funded by payments to Life Insurance Corporation of India) is charged to statement of profit and loss on accrual basis.

o) Share-based payments*Employee Stock Option Plan*

The cost of equity-settled transactions is determined by the fair value at the date when the grant is made using an appropriate valuation model. That cost is recognised, together with a corresponding increase in share-based payment (SBP) reserves in equity, over the period in which the performance and/ or service conditions are fulfilled in employee benefits expense. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Group's best estimate of the number of equity instruments that will ultimately vest. The expense or credit in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as securities premium.

Employee Shadow Option Scheme (cash settled options)

Fair value of cash settled options granted to employees under the Employee's Shadow Option Scheme is determined on the basis of excess of the average market price, during the month before the reporting date, over the exercise price of the shadow option. This fair value is expensed over the vesting period with recognition of a corresponding liability. The liability is remeasured to fair value at each reporting date up to, and including the settlement date, with changes in fair value recognised in employee benefits expense over the vesting period.

p) Leases

The Group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). Right-of-use assets are measured at cost, less

any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term as follows:

Asset category	Lease term
Land	28-82 years
Buildings	2-24 years

If ownership of the leased asset transfers to the Group at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment. Refer to the accounting policies in note 3(r) on impairment of non-financial assets.

Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amount expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate. Variable lease payments that do not depend on an index or a rate are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g. changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Group applies the short-term lease recognition exemption to its short-term leases (i.e. those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of assets that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income from operating lease is recognized on a straight-line basis over the lease terms of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Fit-out rental income is recognised in the statement of profit and loss on accrual basis.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amount due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

q) Fair value measurement

The Group measures financial instruments such as derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable

inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable; and
- Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon annually by the management. Valuers are selected based on market knowledge, reputation, independence and whether professional standards are maintained.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes:

- Disclosures for valuation methods, significant estimates and assumptions (Note 5 and 37).
- Quantitative disclosures of fair value measurement hierarchy (Note 37).
- Investment in unquoted equity share (Note 8 and 9).
- Investment properties (Note 5).
- Financial instruments (including those carried at amortised cost) (Note 37 and 38).

r) Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/ external factors, that an asset may be impaired.

Notes to Consolidated Financial Statements (Contd.)

If any such indication exists, the Group estimates the recoverable amount of the asset. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount and the impairment loss is recognised in the statement of profit and loss.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded companies or other available fair value indicators.

The Group bases its impairment calculation on detailed budgets and forecast calculation. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year.

If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

s) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and in hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of unrestricted cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

t) Cash dividend and non-cash distribution to equity holders

The Group recognises a liability to make cash or non-cash distributions to equity holders when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the

corporate laws in India, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognised directly in equity.

Non-cash distributions are measured at the fair value of the assets to be distributed with fair value re-measurement recognised directly in equity.

Upon distribution of non-cash assets, any difference between the carrying amount of the liability and the carrying amount of the assets distributed is recognised in the statement of profit and loss.

u) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation (legal or constructive), as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate of the amount of obligation can be made at the reporting date. Provisions are discounted to their present values, where the time value of money is material, using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Onerous contracts

If the Group has a contract that is onerous, the present obligation under the contract is recognised and measured as a provision. However, before a separate provision for an onerous contract is established, the Group recognises any impairment loss that has occurred on assets dedicated to that contract.

An onerous contract is a contract under which the unavoidable costs (i.e. the costs that the Group cannot avoid because it has the contract) of meeting the obligations under the contract exceed the economic benefits expected to be received under it. The unavoidable costs under a contract reflect the least net cost of exiting from the contract, which is the lower of the cost of fulfilling it and any compensation or penalties arising from failure to fulfil it.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group; or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

v) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

1) Financial Assets*Initial recognition and measurement*

Financial assets are classified, at initial recognition, as subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Group's business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient, the Group initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, net of transaction costs. Trade receivables that do not contain a significant financing component or for which the Group has applied the practical expedient are measured at the transaction price determined under Ind AS 115 'Revenue from contracts with customers'. Refer to the accounting policies in section 3(i) 'Revenue from contracts with customers'.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'Solely Payments of Principal and Interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Group's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Notes to Consolidated Financial Statements (Contd.)

Subsequent measurement

i. Financial assets at amortised cost – a financial asset is measured at the amortised cost, if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

ii. Investments in equity instruments of joint ventures and associates – Investments in equity instruments of joint ventures and associates are accounted for at cost in accordance with Ind AS 27 'Separate Financial Statements'.

iii. Investments – Investments in equity instruments which are held for trading are classified as at fair value through profit or loss (FVTPL). For all instruments, the Group makes an irrevocable choice upon initial recognition, on an instrument by instrument basis, to classify the same either as at fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL). Amount presented in other comprehensive income are not subsequently transferred to statement of profit and loss. However, the Group transfers the cumulative gain or loss within equity. Dividend on such investments are recognised in statement of profit and loss unless the dividend clearly represents a recovery of part of the cost of the investment. Investments classified as FVTOCI are disclosed in respective notes.

iv. Investments in mutual funds – Investment in mutual funds are measured at fair value through profit or loss (FVTPL).

Fair value changes on instruments measured at FVTPL is recognised in the statement of profit and loss unless the Group has elected to measure such instrument at FVTOCI. Fair value changes on instruments measured at FVTOCI are recognised in OCI. Amount recognised in OCI are not subsequently reclassified to the statement of profit and loss.

De-recognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised

Notes to Consolidated Financial Statements (Contd.)

(i.e. removed from the Group's consolidated balance sheet) when:

- The rights to receive cash flows from the asset have expired; or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the group could be required to repay.

Impairment of financial assets

In accordance with Ind AS 109 'Financial Instruments', the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

ECL is the weighted-average of difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Group is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

(i) Trade receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109 'Financial Instruments', which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

(ii) Other financial assets

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12 months

expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Group uses the change in the risk of a default occurring over the expected life of the financial asset. To make that assessment, the Group compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

2) Non-derivative financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, security deposits, loans and borrowings and other financial liabilities including bank overdrafts and financial guarantee contracts.

Subsequent measurement

Subsequent to initial recognition, the measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in statement of profit and loss when the liabilities are de-recognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified party fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized as a financial liability at the time the guarantee is issued at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the

liability is measured at the higher of the amount of expected loss allowance determined as per impairment requirements of Ind AS 109 'Financial Instruments' and the amount recognised less cumulative amortization.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amount is recognised in the statement of profit and loss.

3) Reclassification of financial instruments

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

4) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amount and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

w) Convertible Instruments

Convertible instruments are separated into liability and equity components based on the terms of the contract.

On issuance of the convertible instruments, the fair value of the liability component is determined using a market rate for an equivalent

Notes to Consolidated Financial Statements (Contd.)

non-convertible instrument. This amount is classified as a financial liability measured at amortised cost (net of transaction costs) until it is extinguished on conversion or redemption.

The remainder of the proceeds are allocated to the conversion option that is recognised and included in equity since conversion option meets Ind AS 32 'Financial Instruments Presentation' criteria for fixed to fixed classification. Transaction costs are deducted from equity, net of associated income tax. The carrying amount of the conversion option is not remeasured in subsequent years.

Transaction costs are apportioned between the liability and equity components of the convertible instruments based on the allocation of proceeds to the liability and equity components when the instruments are initially recognised.

x) Non-current assets held for sale

The Group classifies non-current assets and disposal groups as held for sale if their carrying amount will be recovered principally through a sale/ distribution rather than through continuing use. Actions required to complete the sale/ distribution should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sale will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sale transactions include exchanges of non-current assets for other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets or disposal group is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales/ distribution of such assets (or disposal groups), its sale is highly probable and it will genuinely be sold, not abandoned. The group treats sale of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset (or disposal group);
- An active programme to locate a buyer and complete the plan has been initiated;
- The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value;
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification; and
- Actions required to complete the plan indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

Notes to Consolidated Financial Statements (Contd.)

Non-current assets held for sale/ for distribution to owners and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell. Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, plant and equipment, investment property and intangible assets once classified as held for sale to owners are not depreciated or amortised.

y) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted-average number of equity shares outstanding during the period. The weighted-average number of equity shares outstanding during the period is adjusted for events as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted-average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

z) Changes in accounting policies and disclosures**New and amended standards**

The Group applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2024, but do not have a material impact on the consolidated financial statements of the Group.

Ind AS 116: Leases – The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024, which amended Ind AS 116, Leases, with respect to Lease Liability in a Sale and Leaseback. The amendment specifies the requirements that a seller-lessee uses in measuring the lease liability arising in a sale and leaseback transaction, to ensure the seller-lessee does not recognise any amount of the gain or loss that relates to the right of use it retains. The amendment is effective for annual reporting periods beginning on or after 1 April 2024 and must be applied retrospectively to sale and leaseback transactions entered into after the date of initial application of Ind AS 116.

These amendments had no material impact on the consolidated financial statements of the Group during the year.

Ind AS 117: Insurance - The MCA notified the Ind AS 117, Insurance Contracts, vide notification dated 12 August 2024, under the Companies (Indian Accounting Standards) Amendment Rules, 2024, which is effective from annual reporting periods beginning on or after 1 April 2024.

Ind AS 117: Insurance Contracts is a comprehensive new accounting standard for insurance contracts covering recognition and measurement, presentation and disclosure. Ind AS 117 replaces Ind AS 104 Insurance Contracts. Ind AS 117 applies to all types of insurance contracts, regardless of the type of entities that issue them as well as to certain guarantees and financial instruments with discretionary participation features; a few scope exceptions will apply. Ind AS 117 is based on a general model, supplemented by:

- A specific adaptation for contracts with direct participation features (the variable fee approach); and
- A simplified approach (the premium allocation approach) mainly for short-duration contracts.

These amendments had no material impact on the consolidated financial statements of the Group during the year.

New and amended standards, not yet effective

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the consolidated financial statements are disclosed below, the Group will adopt this new and amended standard, when it becomes effective:

Ind AS 21: The Effects of Changes in Foreign Exchange Rates - The Ministry of Corporate Affairs notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, which came into force on 7 May 2025, the date of their publication in the official gazette. The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information.

The amendment specifies how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

These amendments are not expected to have any material impact on the consolidated financial statements of the Group.

aa) Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities, the related disclosures and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Significant management judgements

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the consolidated financial statements.

Consolidation and joint arrangements – The Group has determined that it controls and consolidates the subsidiaries in which it owns a majority of the shares. The Group has determined that it has joint control over the investee and the ownership is shared with the other owners. These investments are joint arrangements.

The joint arrangements are separately incorporated. The Group has, after considering the structure and form of the arrangement, the terms agreed by the parties in the contractual arrangement and the Group's rights and obligations arising from the arrangement, classified its interest as joint ventures under Ind AS 111 'Joint Arrangements'. As a consequence, it accounts for its investments using the equity method.

For some companies where Group hold even majority of the shares, due to terms and conditions of the Share Purchase and Shareholder's Agreement, such companies have been treated as joint venture.

Classification of leases – The Group enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

Determining the lease term of contracts with renewal and termination options (Group as lessee) - The Group determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised or any periods covered by an option to terminate the

Notes to Consolidated Financial Statements (Contd.)

lease, if it is reasonably certain not to be exercised. The Group has several lease contracts that include extension and termination options. The Group applies judgement in evaluating whether it is reasonably certain whether or not to exercise the option to renew or terminate the lease. That is, it considers all relevant factors that create an economic incentive for it to exercise either the renewal or termination. After the commencement date, the Group reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to renew or to terminate (e.g. construction of significant leasehold improvements or significant customisation to the leased asset).

Provisions – At each balance sheet date basis the management judgement, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgement.

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Impairment of financial assets – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding financial assets.

Revenue from contracts with customers – The Group has applied judgements that significantly affect the determination of the amount and timing of revenue from contracts with customers.

Significant estimates

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

Net realizable value of inventory – The determination of net realisable value of inventory involves estimates based on prevailing market conditions, current prices and expected date of commencement and completion of the project, the estimated future selling price, cost to complete projects and selling cost. The Group also involves specialist to perform valuations of inventories, wherever required.

Defined benefit obligation (DBO) – Management’s estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurement disclosures – Management applies valuation techniques (including but not limited to the use of illiquidity discount on investments and benchmark of listed companies in similar space) to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Useful lives of depreciable/ amortisable assets – Management reviews its estimate of the useful lives of depreciable/ amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of assets.

Valuation of investment property – Investment property is stated at cost. However, as per Ind AS 40 ‘Investment Property’ there is a requirement to disclose fair value as at the balance sheet date. The Group engaged independent valuation specialists

to determine the fair value of its investment property as at reporting date. The determination of the fair value of investment properties requires the use of estimates such as future cash flows from the assets (such as lettings, future revenue streams, capital values of fixtures and fittings, any environmental matters and the overall repair and condition of the property) and discount rates applicable to those assets. In addition, development risks (such as construction and letting risk) are also taken into consideration when determining the fair value of the properties under construction. These estimates are based on local market conditions existing at the balance sheet date.

Impairment of Property, plant and equipment, Capital work-in-progress and Goodwill – Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The value in use calculation is based on a DCF model. The cash flows are derived from the budgets. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used.

Valuation of investment in joint ventures and associates – Investments in joint ventures and associates are carried at cost. At each balance sheet date, the management assesses the indicators of impairment of such investments. This requires assessment of several external and internal factor including capitalisation rate, key assumption used in discounted cash flow models (such as revenue growth, unit price and discount rates) or sales comparison method which may affect the carrying value of investments in joint ventures and associates.

(i) Contractual obligations

Refer note 47(B) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

(ii) Capitalised borrowing cost

There are no borrowing cost capitalised during the current and previous year.

(iii) Capital work-in-progress

Capital work-in-progress comprises expenditure for buildings, plant and machinery under course of construction and installation in respect of clubs and other assets.

(iv) Property, plant and equipment pledged as security

Certain property, plant and equipment have been pledged as security for borrowings, refer note 22 and 27 for details.

(v) Transition to Ind AS

On transition to Ind AS (i.e. 1 April 2015), the Group has elected to continue with the carrying value of all property, plant and equipment measured as per previous GAAP and use that carrying value as the deemed cost of property, plant & equipment.

§ Includes leasehold land taken on lease by the Group.

* Capital work-in-progress comprises expenditure for building and related equipment under course of construction and installation (net of adjustment).

During the previous year, the Group had transferred one of the investment property under development from 'Investment Property' to 'Inventories' to account for commencement of development with a view to sell. The transfer was made at carrying value as at the date of change in use.

(i) **Contractual obligations**

Refer note 47(B) for disclosure of contractual commitments for the acquisition of investment properties.

(ii) **Capitalised borrowing cost**

There are no borrowing cost capitalised during the current and previous year.

(iii) **Amount recognised in profit and loss for investment properties**

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Rental income	27,790.24	23,705.03
Less: Direct operating expenses generating rental income [@]	3,119.38	3,208.39

Profit from leasing of investment properties after depreciation	20,319.61	16,276.64

@ It includes advertisement and publicity, sales promotion, fee and taxes, ground rent, repair and maintenance, legal and professional, commission and brokerage etc.

(iv) **Leasing arrangements**

Certain investment properties are leased to tenants under long-term operating leases with rentals payable monthly. Refer note 56 for details on future minimum lease rentals.

(v) **Fair value**

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Fair value*	1,258,649.13	1,281,724.73

* It excludes fair value related to amounts disclosed under assets held for sale.

Fair value hierarchy and valuation technique

- The Group's investment properties consist of two class of assets i.e. commercial properties and retail malls, which have been determined, based on the nature, characteristics and risks of each property. The fair value of investment property has been determined by external, independent registered property valuers as defined under Rule 2 of the Companies (Registered Valuers and Valuation) Rules, 2017, having appropriate recognised professional qualification and recent experience in the location and category of the property being valued in conjunction with valuer assessment services undertaken by approved valuer, except as stated in note 2 below.

The Group obtains independent valuation for its investment property at least annually and fair value measurements are categorized as level 3 (refer note 37) measurement in the fair value hierarchy. The valuation has been taken considering values arrived using the following methodologies:

- Discounted cash flow method, net present value is determined based on projected cash flows discounted at an appropriate rate; or
- Sales comparable method, which compares the price or price per unit area of similar properties being sold in the marketplace or government prescribed allotment rate; or
- Average of the above.

Further, inputs used in the above valuation models are as under:

- Property details comprising of total leasable area, area actually leased, vacant area, parking slots etc.;
- Revenue assumptions comprising of market rent, market parking rent, rent growth rate, parking income growth rate, market lease tenure, market escalations, common area maintenance income prevailing in the market etc.;
- Cost assumptions comprising of brokerage cost, transaction cost on sale, cost escalations etc.;
- Discounting assumptions comprising of terminal cap rate and discount rate; and
- Estimated cash flows from lease rentals, parking income, operation and maintenance income etc. for the future years.

- 2) The Group ("Developer") has land parcel which is notified Special Economic Zone ("SEZ") and classified under investment property. The Developer has partially developed the SEZ under the co-development agreement between the Group and an SEZ undertaking of DLF Assets Limited, which is now merged with DLF Cyber City Developers Limited ("DCCDL" or "the Co-developer"), one of the joint venture companies and transferred completed bare shell buildings to DCCDL. The remaining portion of such land is under development. As per the co-developer agreement, the land underneath the buildings has been given on long-term lease to DCCDL. The management has assessed that the fair value of such SEZ land classified under investment property, based on the prevailing circle rates, is higher than the book value. However, given the above arrangement and restriction on the sale of land in a SEZ as described under SEZ Rules, 2006, the management considered carrying value, aggregating to ₹ 11,554.66 lakhs (31 March 2024: ₹ 11,554.66 lakhs) to be a reasonable estimate of its fair value. Further, certain properties are valued at last sale price, the total amount involved in such properties being immaterial.

Reconciliation of fair value:

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Opening balance	1,281,724.73	1,391,735.44
Increase of fair value	70,384.40	30,843.49
Decrease due to transfer of investment property to inventories (refer note 15)	-	(31,870.00)
Decrease in fair value*	(11,100.00)	(41,230.00)
Decrease due to transfer to investment property to assets held for sale (refer note 54)	(82,360.00)	-
Decrease due to disposal	-	(67,754.20)
Closing balance	1,258,649.13	1,281,724.73

* Decrease in fair value is mainly on account of change in future rentals and other assumptions used for valuation of investment property by independent valuer.

(vi) Investment property pledged as security

Certain investment properties have been pledged as security for borrowings, refer note 22 and 27 for details.

(vii) Transition to Ind AS

On transition to Ind AS (i.e. 1 April 2015), the Group has elected to continue with the carrying value of all investment properties measured as per previous GAAP and use that carrying value as the deemed cost of investment properties.

The changes in the carrying value of Goodwill for the year ended 31 March 2024 are as follows:

(₹ in lakhs)

Description	1 April 2023	Additions	Disposals	31 March 2024
Goodwill	94,425.34	-	-	94,425.34
Total	94,425.34	-	-	94,425.34

* Goodwill arising on account of consolidation.

Impairment testing of goodwill

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to the respective businesses.

The Group performed its annual impairment test for the year ended 31 March 2025 and 31 March 2024. Goodwill acquired in business combinations are tested for impairment at individual entity (business) level.

The recoverable amount of a CGU is the higher of its fair value less cost to sell (using sales comparable approach) and its value-in-use (using discounted cash flow approach). For computing the fair value, the carrying amount of various assets other than investment property, property, plant and equipment and inventory is treated as fair value. In case of investment property, property, plant and equipment and inventory, the fair value is assessed on the basis of Sales Comparable and Discounted Cash Flow Method, as applicable. The sales comparable approach examines the price or price per unit area of similar properties being sold in the marketplace. The sale price of properties similar to the subject property are analysed and the sale prices adjusted to account for differences in the comparables on account of various factors such as size, location, accessibility etc. of the subject property to determine the fair value of the subject property. In case of discounted cash flows method, the projected cash flows are discounted at an appropriate discount rate to arrive at the present value of the property. The discount rate considered for such discounting is based on the weighted-average cost of capital specific to the CGU. The key assumptions used for the calculations are as follows:

- Property details comprising of total saleable area, area actually sold, vacant area etc.;
- Revenue assumptions comprising of market sale price, growth rate etc.;
- Cost assumptions comprising of brokerage cost, construction cost, cost escalations etc.;
- Discounting assumptions comprising of terminal cap rate and discount rate of 17.63% (31 March 2024: 17.60%); and
- Estimated cash flows from sale of constructed properties for the future years.

As at 31 March 2025 and 31 March 2024, the estimated recoverable amount of the CGU exceeded its carrying amount. Accordingly, no impairment of goodwill has been recorded in the statement of profit and loss. Management believes that any reasonable possible changes in the projected financial budgets and other assumptions would not cause the carrying amount to exceed the recoverable amount of the cash generating unit.

¹ During the financial year 2018-19, bonus shares were issued by DLF Cyber City Developers Limited (DCCDL) (Class-B equity shares) as per below terms and conditions:

- Class-B equity shares shall not carry any voting rights;
- Holder of Class-B equity shares shall not receive any proceeds of any winding-up or liquidation of the Company;
- Holder of Class-B equity shares shall have the right to receive dividend only to the extent specifically approved/ recommended by the Board in the relevant financial year; and
- These Class-B equity shares shall not stand pari-passu with the already existing equity shares issued by DCCDL. However these Class-B equity shares shall stand pari-passu to the Class-B equity shares to be issued, in future by DCCDL, if any, on account of conversion of existing 0.001% Class B compulsorily convertible preference shares of ₹ 10/- each ('Class-B CCPS') in terms of Class-B CCPS issued and allotted on 26 December 2017 by DCCDL.

² These CCPS are convertible at the option of investor. If converted (also considering the other terms and conditions of the arrangement) it will assure significant influence over Arizona Globalservices Private Limited by the Group. Hence, Arizona Globalservices Private Limited has been classified as an associate.

³ 15% CCDs are convertible into equity shares having face value of ₹ 10/- each in the ratio of 1:1 at any time during the CCDs tenure i.e. receipt of occupancy certificate or 17 years whichever is later, by Atrium Place Developers Private Limited with the consent of the Group.

⁴ 0.01% CCDs of face value of ₹ 10/- each on rights issue basis. Each CCD is compulsorily convertible, at the option of issuer, into equal number of equity shares in one or more tranches within a period of twelve years from the date of allotment of the CCDs (i.e. 12 December 2015).

⁴ During the previous year, the Group purchased privately placed, Listed, Secured, Non-convertible, Redeemable Bonds of face value of ₹ 60,000.00 lakhs ('Bonds'), on which the bond issuer had defaulted in repayment of the said Bonds including accrued interest thereon. The said Bonds are secured in favour of Axis Trustee Services Limited ('Bond Trustee'), against certain land parcel(s) situated in Gurugram, Haryana ('Mortgaged Land'), owned by the bond issuer and its affiliates. In view of the default committed by the bond issuer, the Bond Trustee, had initiated proceedings for recovery of its dues under the SARFAESI and conducted auctions of the Mortgaged Land. Considering the development potential of the part of the Mortgaged Land, Group had participated in the process to acquire a part of the Mortgaged Land by bidding for the same, however Group's bid was not accepted. As a strategic investment, the Group purchased the said Bonds at a negotiated consideration of ₹ 82,500.00 lakhs from the erstwhile bond holders, assuming the rights of the bond holders. As a part of the settlement, inter-alia between the Group, Axis Trustee, the bond issuer including its affiliates, Group acquired part of the Mortgaged Land admeasuring 18.5375 acres (approx.) under the provisions of the SARFAESI Act for ₹ 82,878.93 lakhs, out of which ₹ 77,500.00 lakhs were adjusted from partial redemption of Bonds. The balance i.e. ₹ 5,000.01 lakhs, is expected to be redeemed within next year.

Nature and purpose of other reserves**Capital reserve**

Capital reserve was created under the previous GAAP (Indian GAAP) out of the profit earned from a specific transaction of capital nature. Capital reserve is not available for the distribution to the shareholders.

Capital redemption reserve

The same has been created in accordance with the provisions of the Companies Act, 2013 with respect to buy-back of equity shares from the market in earlier years.

Securities premium

Securities premium includes premium on issue of shares. It will be utilised in accordance with the provisions of the Companies Act, 2013.

General reserve

Under the erstwhile Companies Act, 1956, general reserve was created through an annual transfer of net income at a specified percentage in accordance with applicable regulations. The purpose of these transfers was to ensure that if a dividend distribution in a given year is more than 10% of the paid-up capital of the Company for that year, then the total dividend distribution is less than the total distributable results for that year. Consequent to introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of the net profit to general reserve has been withdrawn. However, the amount previously transferred to the general reserve can be utilised only in accordance with the specific requirements of the Companies Act, 2013.

Debenture redemption reserve (DRR)

Debenture Redemption Reserve of 10% of the value of debentures has been created in accordance with Rule 18 of Companies (Share Capital and Debentures) Rules, 2014 against redeemable non-convertible debentures issued by the subsidiary company. The amounts credited to the debenture redemption reserve may not be utilized by the Group except to redeem debentures in accordance with the Companies Act, 2013.

Retained earnings

Represents surplus in the statement of profit and loss.

Forfeiture of shares

This reserve was created on forfeiture of shares by the Holding Company. The reserve is not available for the distribution to the shareholders.

Equity instruments through FVOCI (net of tax)

The Company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the 'Equity instruments through FVOCI (net of tax) within other equity.

* These financial assets are mandatorily measured at fair value.

These financial assets represents investment in equity instruments designated as such upon initial recognition and are mandatorily measured at fair value.

The above figures does not include amounts disclosed under assets held for sale.

Investments in equity shares, CCPS and CCDs of associates and joint ventures are measured at cost as per Ind AS 27 'Separate Financial Statements' and are not required to disclose here.

ii) Fair values hierarchy

Financial assets and financial liabilities are measured at fair value in the consolidated financial statements and are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.**Level 2:** inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.**Level 3:** unobservable inputs for the asset or liability.**iii) Financial assets measured at fair value - recurring fair value measurements**

iv) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- (a) The use of net asset value for mutual funds on the basis of the statement received from investee party and for listed funds, traded price are considered based on recognised stock exchange.
- (b) Listed equity shares and mutual funds are valued at traded price on recognised stock exchange. For other equity shares - use of adjusted discounted cash flow method (income approach) for certain equity investments and adjusted net asset value method for remaining equity investments.
- (c) The use of discounted cash flow method (income approach) for redeemable optionally fully convertible debentures and Non-convertible debentures.

- v) The following table summarises the quantitative information about the significant unobservable inputs used in level 3 fair value measurements. See (iv) above for the valuation techniques adopted.

38. FINANCIAL RISK MANAGEMENT

The Group's principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables and financial guarantee contracts. The main purpose of these financial liabilities is to finance the Group's operations and to provide guarantees to support its operations. The Group's principal financial assets include loans, trade and other receivables and cash and cash equivalents that derive directly from its operations. The Group also holds FVOCI investments and enters into derivative transactions.

Risk Management objectives and policies

The Group is exposed to market risk, credit risk and liquidity risk. The Group's senior management oversees the management of these risks. The Group's senior management is supported by the Finance Committee that advises on financial risks and the appropriate financial risk governance framework for the Group. The Finance Committee provides assurance to the Group's senior management that the Group's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Group's policies and risk objectives. All derivative activities for risk management purposes are carried out by specialist teams that have the appropriate skills, experience and supervision. It is the Group's policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, loans, trade receivables and financial assets measured at amortised cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost includes loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensure the amounts are within defined limits.

a) Credit risk management

(i) Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

The Group provides for expected credit loss based on the following:

Asset group	Description	Provision for expected credit loss*
Low credit risk	Cash and cash equivalents, other bank balances, investments, loans, trade receivables and other financial assets	12 months expected credit loss/ life time expected credit loss
Moderate credit risk	Trade receivables, loans and other financial assets	12 months expected credit loss
High credit risk	Trade receivables, loans and other financial assets	12 months expected credit loss/ life time expected credit loss

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

* Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Group. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in the statement of profit and loss.

Expected credit loss for trade receivables under simplified approach**Real estate and other business**

The Group's trade receivables from real estate development business does not have any expected credit loss as legal title is transferred (through registration of property), once the Group receives entire payment.

The Group's trade receivables pertaining to income from sale of power has higher credit risk and accordingly allowance for expected credit loss is created on assessment of each of such case.

Rental and maintenance business

In respect of trade receivables, the Group considers provision for lifetime expected credit loss. Given the nature of business operations, the Group's trade receivables has low credit risk as the Group holds security deposits equivalents ranging from three to six months rentals. Further historical trends indicate any shortfall between such deposits held by the Group and amounts due from customers have been negligible.

B) Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

Management monitors rolling forecasts of the Group's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Group takes into account the liquidity of the market in which the entity operates.

C) Market risk**a) Foreign currency risk**

Foreign currency risk is the risk that the fair value of future cash flows of financial instruments will fluctuate because of the change in foreign currency exchange rates. The Group's exposure to foreign currency changes for unhedged transactions are not material, therefore not disclosed.

b) Interest rate risk**i) Liabilities**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

The Group manages its interest rate risk by having a balanced portfolio of variable rate loans and borrowings.

Interest rate risk exposure

Below is the overall exposure of the Group to interest rate risk:

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
Variable rate borrowings	321,046.66	331,899.19
Fixed rate borrowings	64,355.95	127,971.99
Total borrowings	385,402.61	459,871.18

Decrease by 1% (31 March 2024: 1%)	(3,210.47)	(3,318.99)

ii) Assets

The Group's fixed deposits, interest bearing security deposits and loans are carried at fixed rate. Therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

c) Price risk

The Group's exposure to price risk arises from investments held and classified as FVTPL or FVOCI. To manage the price risk arising from investments, the Group diversifies its portfolio of assets.

Sensitivity analysis

Profit or loss and equity is sensitive to higher/ lower prices of instruments on the Group's profit for the year.

Decrease by 5% (31 March 2024: 5%) - FVTPL	(5,611.86)	(3,205.54)

d) Legal, Taxation and Accounting risk

The Group is presently involved into various judicial, administrative, regulatory and litigation proceedings concerning matters arising in the ordinary course of business operations including but not limited to personal injury claims, landlord-tenant disputes, commercials disputes, tax disputes, employment disputes, land related disputes, customer disputes and other contractual disputes. Many of these proceedings seek an indeterminate amount of damages. In situations where management believes that a loss arising from a proceeding is probable and can reasonably be estimated, Group records the amount of the probable loss. As additional information becomes available, any potential liability related to these proceedings is assessed and the estimates are revised, if necessary.

To mitigate these risks, Group employs in-house counsel and uses third party tax & legal experts to assist in structuring significant transactions and contracts. Group also has systems and controls that ensure the timely delivery of financial information in order to meet contractual and regulatory requirements and has implemented disclosure controls and internal controls over financial reporting which are tested for effectiveness on an ongoing basis.

Change to any of the above laws, rules, regulations related to Group's business could have a material impact on its financial statements. Compliance with any proposed changes could also result in significant cost to Group. Failure to fully comply with various laws, rules and regulations may expose Group to proceedings which may materially affect its performance.

39. CAPITAL MANAGEMENT**(a) Risk management**

The purpose of the Group's capital management is:

- Safeguard their ability to continue as a going concern; and
- Maintain an optimal capital structure to reduce the cost of capital..

The Group monitors capital on the basis of the carrying value of equity and net debt (net off cash and bank balances including deposits with banks).

The Group manages its capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividend paid to shareholders, return capital to shareholders or issue new shares..

The Group is exposed to number of risks in the defined benefit plans. Most significant risks pertaining to defined benefit plans and management's estimation of the impact, if these risks are as follows:

Salary growth risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

Interest rate risk

A decrease in interest rate in future years will increase the plan liability.

Life expectancy risk

The present value of the defined benefit plan liability is calculated by reference to the best estimate of mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

Withdrawals Risk

Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

For determination of the liability in respect of gratuity, the Group has used the following actuarial assumptions:

Description	31 March 2025	31 March 2024
Financial Assumptions		
Discount rate	6.47%	7.09%
Future salary increases	7.00%	7.00%
Demographic Assumptions		
Retirement Age (Years)	58/60/62/65/68/70	58/60/62/65/68
Mortality Rates inclusive of provision for disability	IALM (2012-14)	IALM (2012-14)
Withdrawal Rates		
Up to 30 years	19.00%	4.00%
From 31 to 44 years	19.00%	3.00%
Above 44 years	19.00%	2.00%

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to Government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

Notes:

- a) During the year, the Group has acquired 49.997% of the total paid-up equity share capital and Compulsorily convertible debentures ('CCDs') of a joint venture company, namely DLF Urban Private Limited ('DUPL'). Pursuant to acquisition, DUPL has become a wholly-owned subsidiary company of the Group w.e.f. 26 March 2025 [also refer note 42(b)]

Notes to Consolidated Financial Statements (Contd.)

- b) During the previous year, the Company had purchased shareholding in three land owning companies (LOC's) from its individual shareholders, which resulting in obtain control over these LOC's and its six affiliates. The control was acquired w.e.f. 16 November 2023 [also refer note 42(e)].
- c) During the previous year, one of the wholly-owned subsidiary company of the Group i.e. 'Pegeen Builders & Developers Private Limited' (Pegeen) had issued additional share capital to Trident Buildtech Private Limited (Trident) equivalent to 49% stake on 10 August 2023. Pursuant to this change in shareholding of Pegeen, the Group holds 51% stake and according to the terms of the Securities Subscription and Shareholders' Agreement entered with Trident, Pegeen is considered as joint venture in terms of the requirements of Ind AS 111 'Joint Arrangements' and accordingly accounted for in the consolidated financial statements.
- d) During the previous year, Twenty Five Downtown Realty Limited (formerly Joyous Housing Limited) ceased to be Joint Venture of the Group [Refer note 47(A)(9)(i)(e)].
- e) During the previous year, the Group entered into a definitive agreement with Global Health Limited to construct, operate and manage super speciality hospitals in Delhi and has subscribed 50% stake in GHL Hospital Limited. As per terms of the agreement between the shareholders the same is classified as associate.
- f) DLF Home Developers Limited, one of the wholly-owned subsidiary company of the Group holds Compulsorily Convertible Preference Shares (CCPS) in Arizona Globalservices Private Limited (Arizona). These are convertible at the option of the investor. If these are converted (also considering the terms and conditions of the agreement), it will assure significant influence over Arizona by the Group. Hence, Arizona has been classified as an associate and the Group recognizes its share in net assets through equity method.

Total Amount	250,133.14	244,976.21

a) As per the terms of the SPSHA, the Group has undertaken to indemnify, defend and hold harmless the Investor against all losses incurred or suffered by DCCDL Group arising out of following matters up to or prior to 25 December 2017 (i.e. Closing Date):

i) Income tax demands, indirect tax demands including service tax and entry tax related to various matters and assessments year up to the closing date of ₹ 55,244.58 lakhs (31 March 2024: ₹ 124,669.21 lakhs). Also refer note 55.

Based on the advice from independent tax experts and development on the appeals, the management is confident that additional tax so demanded will not be sustained and accordingly, pending the decision by the authorities, no provision has been made in these consolidated financial statements.

ii) Liability arising out of matter discussed in note 47(6) and 47(7).

iii) The land parcel admeasuring 19.5 acres was acquired by the Group from Government of Haryana ('GoH') in August, 2006 for development of Cyber City Project, which was earlier acquired by GoH from Gram Panchayat, Nathupur on February, 2004 through proceedings of compulsory acquisition. DCCDL Group had constructed certain portions of its two IT/ IT SEZ buildings of the Cyber City Project as well as entered into third party rights vide lease/ sale of office space in the said buildings. Subsequently, the Hon'ble High Court of Punjab and Haryana, pursuant to a public interest litigation, vide order dated 1 October 2010, quashed the land acquisition proceedings and conveyance deed by GoH and directed the GoH to refund the amount, which was earlier paid by the Group and also directed the Group to remove any construction on the said land. Against the said order, the Group filed a Special Leave Petition in November, 2010 before the Hon'ble Supreme Court of India, who vide order dated 3 January 2012, stayed the order of the Hon'ble High Court and the matter is pending disposal before the Hon'ble Supreme Court of India.

Notes to Consolidated Financial Statements (Contd.)

During the earlier years, 7 residents of Village Nathupur filed applications for impleadment, which were dismissed vide Order dated 15 March 2022. Further, impleadment application filed by 5 residents of Village Nathupur are tagged with above litigation.

Based on the advice of the independent legal counsel and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Also refer note 47(A)(9)(i)(b) below.

- iv) The Company along with its subsidiaries had acquired a land parcel admeasuring approximately 30 acres and 7 acres, respectively from EIH Limited ('EIH') for development of IT/ ITES project at Silokhera, Gurugram, which EIH acquired from GoH. The Company constructed 2 IT/ ITES SEZ Buildings on the said land, which was sold to one of the subsidiary companies of the DCCDL Group. The Company is constructing another block of buildings on the DCCDL Group's behalf. The net block, gross block and capital work-in-progress against Silokhera project appearing in DCCDL's books as at 31 March 2025 amounts to ₹ 145,086.08 lakhs (31 March 2024: ₹ 145,141.08 lakhs) and ₹ 89,111.66 lakhs (31 March 2024: ₹ 89,111.66 lakhs), respectively.

Subsequently, the Hon'ble High Court of Punjab and Haryana, pursuant to a public interest litigation and vide its order dated 3 February 2011 directed the GoH to carry out the acquisition proceedings again from the notification stage under the Land Acquisition Act, 1894 and directed the Company and its subsidiary to remove all constructions made on the said land. The Company filed a Special Leave Petition before the Hon'ble Supreme Court of India and the Hon'ble Supreme Court of India vide order dated 20 September 2011 stayed the order of the Hon'ble High Court and the matter is currently pending before the Hon'ble Supreme Court of India and the next date of hearing is yet to be notified by the registry.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements. Also refer note 47(A)(9)(i)(b) below.

- 2) Dividend received during the year from joint ventures and associates

(₹ in lakhs)

Name of Entity	Associate/ joint ventures	31 March 2025	31 March 2024
DCCDL Group	Joint venture	99,915.28	58,258.76

All the joint ventures and associates are either private companies or closely held public companies and hence, no quoted market price available for their shares.

- v) As at 31 March 2025, the DCCDL Group has net current liabilities of ₹ 360,397.71 lakhs (including security deposit from tenants of ₹ 205,875.53 lakhs). Considering the projections of future cash flow from operations, expectation of renewal of security deposits from leasing and unutilized borrowing limits, the DCCDL's management is confident that the DCCDL Group shall be able to meet its financial obligations, as and when due over the next 12 months for continuance of its business operations. Accordingly, the consolidated financial statements of DCCDL Group have been prepared on going concern basis.

47. CONTINGENT LIABILITIES, COMMITMENTS AND LITIGATIONS**(A) Details of contingent liabilities**

(₹ in lakhs)

Particulars	31 March 2025	31 March 2024
A Under litigation		
I Demand in excess of provisions (pending in appeals):		
Income-tax demands/ effects (refer note 1 and 2)	610,549.94	929,345.69
Indirect and other taxes (refer note 3)	99,485.84	82,090.04
Property tax demands [refer note 9(ii)(e)]	16,147.28	11,535.89
II Claims against the Group (including unasserted claims) not acknowledged as debts (refer note 4, 5, 6, 7, 9(i)(a) and 9(i)(c)(ii))	148,049.33	146,164.89
III Liabilities under export obligations in EPCG scheme	44.07	44.07

- 1) i) The Income Tax Authorities had made disallowance of deduction claimed by the Group u/s 80IAB of the Income-tax Act, 1961 during income tax assessment of the Group for certain years which were contested by the group in appeal and were decided in favour of the Group by CIT(Appeals) and ITAT. The department had filed an appeal with the Hon'ble High Court of Delhi and Hon'ble High Court of Punjab & Haryana ('Hon'ble High Courts'), involving a demand of ₹ 156,983.31 lakhs (including interest). During, the year, the Group opted to settle the dispute under Vivad-se-Vishwas Scheme (VsV) issued by the Government of India in respect of aforesaid appeals pending before Hon'ble High Courts. The Hon'ble High Courts have passed orders disposing off the appeal of the department. Further, considering above, settlement under VSV Scheme, the liability has been extinguished.
- ii) In respect of income tax cases (including those mentioned in (i) above), the tax effect with respect to various assessment years totaling to ₹ 405,678.40 lakhs, where more than one year has elapsed from the statutory period of filing of appeal before the appellate authorities against the order of CIT(A)/ITAT/High Court and no appeal has been filed by the department, the management is of the view that there is no contingent liability for the year ended 31 March 2025.
- iii) The Central Board of Direct taxes ('CBDT') vide circular no 9/2024 dated 17 September 2024 has revised the monetary limit for filing of departmental appeals before income tax appellate tribunal ('ITAT') and High Courts. In the case of group, there is no departmental appeal pending adjudication, wherein tax amount involved was below the revised monetary limits. Accordingly, there is no contingent liability which has been reduced from the current year.
- iv) The Income tax Authorities have disallowed one-time losses claimed by the company in assessment year 2017-18 and 2019-20 on account of mandatory adoption of erstwhile Ind AS 18 "Revenue" read with Guidance Note for Real Estate Transactions for Ind-AS compliant entities and Ind AS 115 "Revenue from contract with customers" respectively. The one-time losses were adjusted in the retained earnings of the respective financial years in accordance with the relevant accounting standards. Consequent to above, disallowance of losses which were set-off against income for AY 2021-22, a demand of ₹42,774.31 lakhs was raised. The Company has received favorable order from ITAT for AY 2017-18 and matter is pending before ITAT for AY 2019-20. Pursuant to the favorable orders, the brought forward losses were allowed in AY 2021-22.

Similarly, for one of the subsidiary company, the assessment for AY 2019-20 was completed in the earlier years, wherein the assessing officer disallowed one-time losses adjusted in the retained earnings claimed by the subsidiary company on account of mandatory adoption of Ind AS 115 'Revenue from contract with customers'. However, the assessing officer allowed alternate claim as per erstwhile Ind AS 18 'Revenue' read with Guidance Note on Accounting for Real Estate Transactions issued by ICAI. The subsidiary company filed an appeal against the order. On the direction of Principal Commissioner of Income Tax ('PCIT'), the Jurisdictional Assessing Officer has not allowed the alternate claim, which has been challenged by the subsidiary company before CIT(A)/ NFAC and also challenged the assumption of jurisdiction under section 263, which is pending before ITAT. The management has evaluated the impact of the matter and believes that there will be no tax impact arising out of this.

Based on the fact that the Group has already received favorable order in a similar matter and legal opinion obtained from tax experts, management is confident that it has a strong likelihood of succeeding in the matter and therefore, no adjustments are required in the consolidated financial statements of the Group.

- 2) Other than matter mentioned in point no. 1 above, the Income Tax Authorities have raised demands on account of various disallowances pertaining to different assessment years. The Group is contesting these demands, which are pending at various appellate levels.
- Based on the advice from independent tax experts and the development on the appeals, the management is confident that additional tax so demanded as mentioned in point 1 and 2 above will not be sustained on completion of the appellate proceedings and accordingly, pending the decision by the appellate authorities, no provision has been made in these consolidated financial statements.
- 3) There are various disputes pending with the authorities of customs, service tax, sales tax, VAT etc. The Group is contesting these demands raised by authorities and are pending at various appellate authorities and courts.

Based on the grounds of the appeals and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding before the various authorities including courts. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- 4) There are various litigations going on against the Group primarily by Competition Commission of India [also refer note 47(A)(9)(i)(a) below] and in Consumer Redressal Forum, which has been contested by the Group.

Based on the grounds of the appeals and advice of the independent legal counsels, the management believes that there is a reasonably strong likelihood of succeeding before the various authorities. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- 5) Interest and claims by customers/ suppliers may be payable as and when the outcome of the related matters are finally determined and hence not been included above.
- Management based on legal advice and historical trends, believes that no material liability will devolve on the Group in respect of these matters.
- 6) During the earlier years, a power division of DLF Utilities Limited ('DUL') which was transferred to DLF Power & Services Limited ('DPSL') (a subsidiary of DLF Cyber City Developers Limited) had received a notice from the Dakshin Haryana Bijli Vitran Nigam ('DHBVN') wherein it had claimed cross subsidy surcharge of ₹ 3,328.00 lakhs on electricity being supplied by DUL to other companies for the period from 1 April 2011 to 30 September 2012 and had questioned the legality of such electricity supply. DUL filed an appeal to Haryana Electricity Regulatory Commission ('HERC'), wherein HERC vide order dated 11 August 2011 held that the supply of electricity by DUL was legal, however, DUL was liable to pay cross subsidy surcharge. Aggrieved by the said order, DUL filed an appeal before Appellate Tribunal of Electricity ('APTEL') against the levy of cross subsidy surcharge. APTEL held that the supply of electricity for commercial establishments from the main receiving panel was not in accordance with law and must be discontinued.

Further, APTEL also held that the DUL was liable to pay the cross subsidy surcharge and accordingly, a demand of ₹ 3,328.00 lakhs was received by DUL from DHBVN against the same. Aggrieved by the order of APTEL, DUL filed an appeal before the Hon'ble Supreme Court of India which has stayed the execution of the said order and asked DUL to deposit an amount of ₹ 284.36 lakhs to DHBVN which was duly deposited.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- 7) During the earlier years, New Okhla Industrial Development Authority ('NOIDA') demanded ₹ 23,421.31 lakhs from the Company on account of payment of enhanced compensation to farmers regarding land acquired by it. As per NOIDA, land which was acquired by it, falls under the plot taken by the Group through auction. While passing judgment dated 5 May 2022, the Hon'ble Supreme Court directed that, 'Since the acquisition of land in question was made by NOIDA which was purchased by DLF through a public auction, therefore the liability to pay compensation would be of NOIDA'. NOIDA filed a review petition with the Hon'ble Supreme Court, which was dismissed vide Order dated 10 August 2022. Even after this, NOIDA issued a Demand Notice on 23 December 2022 demanding a sum of ₹ 23,421.31 lakhs. The Group challenged the said demand through filing writ petition before Hon'ble High Court at Allahabad. The Hon'ble High Court vide order dated 24 January 2023 directed that no coercive measures shall be taken by NOIDA pursuant to the demand notice dated 23 December 2022. The underlying property was sold to DCCDL in earlier years.

Based on the advice of the independent legal counsel, management has assessed that there is a strong likelihood of succeeding before Hon'ble High Court of Allahabad. Pending the final outcome on the above matter, no adjustment has been made in these consolidated financial statements.

- 8) **Indemnification of DCCDL [other than those disclosed in note 45(iv)(a)]**

The Group, during the earlier years sold its stake in DLF Info Park Developers (Chennai) Limited to DCCDL. As per the terms of the agreement, based on some contingent events, DCCDL had been granted a Put Option to transfer the security to the Group, exercisable at fair value. Further, the Group had also indemnified DCCDL for delay in achieving certain milestones beyond the agreed timelines. During the year, stipulated milestone related to construction of building is achieved. As a result, management has evaluated that no liability will devolve on the Group.

- 9) **Matters pending in litigation with Courts/ Appellate Authorities**

- i) a) (i) The Competition Commission of India ('CCI') on a complaint filed by the Belaire/ Magnolias/ Park Place owners association had passed orders dated 12 August 2011 and 29 August 2011 wherein the CCI had imposed a penalty of ₹ 63,000.00 lakhs on DLF Limited ('DLF' or 'the

Company') or restraining DLF from formulating and imposing allegedly unfair conditions with buyers in Gurugram and further ordered to suitably modify the alleged unfair conditions on its buyers.

The said orders of CCI were challenged by DLF on several grounds by filing appeals before the Competition Appellate Tribunal ('COMPAT').

COMPAT vide its order dated 19 May 2014 upheld the penalty imposed by CCI.

The Company had filed an appeal in the Hon'ble Supreme Court of India against the order dated 19 May 2014 passed by the COMPAT. The Hon'ble Supreme Court of India vide order dated 27 August 2014 admitted the Appeal and directed the Company to deposit penalty of ₹ 63,000.00 lakhs in the Court. In compliance of the order, the Company had deposited ₹ 63,000.00 lakhs with the Hon'ble Supreme Court of India and is continued to be shown as recoverable in the books. The Company has filed an application seeking refund including interest, which is to be listed along with main appeal in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- (ii) An order has been passed by CCI on 14 May 2015, against one of the subsidiary company relating to New Town Heights Project where CCI had directed the subsidiary company to cease and desist in implementation of the terms and conditions of Apartment Buyer Agreement which is found to be unfair and abusive.

No penalty has been imposed by CCI. The subsidiary company had filed an appeal before COMPAT against the said Order dated 14 May 2015 and appeals were dismissed by COMPAT. The subsidiary company against the order passed by COMPAT filed an appeal before the Hon'ble Supreme Court of India.

The appeals have been tagged with the main appeal [mentioned in Para-a(i) above] and to be listed in due course before the Hon'ble Supreme Court of India.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- b) During the year ended 31 March 2011, the Company and one of its subsidiary and a joint venture company received judgments from the Hon'ble High Court of Punjab and Haryana cancelling the sale deeds of land/ removal of construction relating to two IT SEZ/ IT Park Projects in Gurugram admeasuring ~56 acres. The Group filed Special Leave petitions (SLPs) challenging the orders in the Hon'ble Supreme Court of India.

The Hon'ble Supreme Court of India had admitted the matters and stayed the operation of the impugned judgments till further orders in both the cases.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements. Pursuant to SPSHA entered with Reco Diamond, the Company has also given indemnification for any adverse outcome to Reco Diamond. Also refer note 45(iv) (a)(iii) and 45(iv)(a)(iv) for details.

- c) (i) The Securities and Exchange Board of India ('SEBI') issued a Show Cause Notice (SCN) dated 25 June 2013 to the Company for non-disclosure of material information at the time of filing Red Herring Prospectus in 2007. SEBI vide order dated 10 October 2014 restrained the Company and its Officers/ certain directors from accessing the securities market and prohibited them from buying, selling or otherwise dealing in securities, directly or indirectly, in any manner, whatsoever, for a period of three years.

The Company and the said Directors filed appeals before the SEBI Appellate Tribunal ('SAT') against the aforesaid order dated 10 October 2014. SAT by majority order dated 13 March 2015, allowed the appeals on the ground that there was nothing that suggested that the investors were prejudiced due to non-disclosure of information by DLF in its offer document or that such non-disclosure resulted in any benefit to DLF or its Directors in violation of the Erstwhile DIP Guidelines.

SEBI filed an appeal with the Hon'ble Supreme Court of India, which stand admitted vide order dated 24 April 2015 without granting any interim stay in favour of SEBI.

In February 2015, SEBI, in similar matters, imposed penalties upon Company, some of its directors/ officers and its three subsidiaries and their directors. The Company approached the SAT which held that the SEBI order cannot be sustained. In October 2015, SEBI filed applications before the Hon'ble Supreme Court seeking, restraint on the Company, its promoters and/ or directors from proceeding with the sale of 159,699,999 Cumulative Compulsorily Convertible Preference Shares of DLF Cyber City Developers Limited held by the promoter group companies to third party institutional investors. The said applications came up for hearing before the Hon'ble Supreme Court of India on 4 November 2015 and the Hon'ble Supreme Court of India did not pass any orders restraining the transaction and simply directed that the said applications be listed along with the appeal. The matter is pending and to be listed in due course.

- (ii) SEBI issued a SCN dated 28 August 2013 under Sections 15HA and 15HB of the SEBI Act and under Rule 4 of the SEBI (Procedure for Holding Inquiry and Imposing Penalties by Adjudicating Officer) Rules, 1995 ('Adjudication Rules') making allegations similar to the SCN dated 25 June 2013. The Company filed its reply to the same opposing the allegations made against it. Similar SCNs were also issued to three subsidiaries, their directors and certain other entities.

By way of order dated 26 February 2015, the Adjudicating Officer, SEBI imposed monetary penalties upon Company, some of its Officers/ Directors, its three subsidiaries and their Directors under Section 15HA and under Section 15HB of the SEBI Act.

The Company and other parties aggrieved by the aforesaid order filed appeals before the Hon'ble SAT against the aforesaid order dated 26 February 2015. When these appeals were listed before Hon'ble SAT on 15 April 2015, SEBI's counsel under instructions stated that during the pendency of the said appeals, the Order dated 26 February 2015 would not be enforced. The Hon'ble SAT vide its order passed on 25 April 2018 held that in view of Hon'ble SAT's majority decision dated 13 March 2015, the SEBI Order dated 26 February 2015 cannot be sustained.

Accordingly, the Hon'ble SAT disposed of the appeals, with a direction that these appeals shall stand automatically revived once the Hon'ble Supreme Court of India disposes of the civil appeals filed by SEBI against the Hon'ble SAT's judgment dated 13 March 2015.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- d) A subsidiary company has total outstanding trade receivables from Coal India Limited and its subsidiaries (together referred to as 'CIL') amounting to ₹ 25,968.11 lakhs (Net of recoveries of ₹ 18,300.00 lakhs and provisions made till date). The subsidiary company and CIL had approached JSERC (Jharkhand State Electricity Regulatory Commission) for fixation of tariff who passed the order in favour of the subsidiary company and was upheld by Appellate Tribunal on 31 July 2009. CIL filed appeal to Hon'ble Supreme Court of India against the order of Appellate Tribunal which is pending final disposal. The Hon'ble Supreme Court of India issued order dated 14 September 2012 and directed CIL to pay tariff fixed by JSERC and as confirmed by Appellate Tribunal, however, the said amount is still pending recovery. The subsidiary company is pursuing legal steps for recovering the remaining outstanding amounts. The subsidiary company believes that pending final disposal of the matter and keeping in view the interim relief granted by the Hon'ble Supreme Court of India the amounts due from CIL are fully recoverable. In addition, there are other similar cases from other customers wherein amount involved is ₹ 13,718.00 lakhs and the subsidiary company, is confident of its recovery based on the Court decisions till date and legal advice.
- e) During the earlier years, one of the joint venture company, Twenty Five Downtown Reality Limited [formerly Joyous Housing Limited (JHL)] defaulted in meeting its debt obligation to a housing finance company (HFC or Lender). Disputes arose between the shareholders of JHL, and an arbitration for repayment of the Company's entire outstanding dues, inclusive of interest, from JHL is ongoing between the shareholders.

Meanwhile, the Lender assigned the loan to Omkara Asset Reconstruction Company Limited (ARC) and also invoked the pledge of shares, despite the Company's acceptance of Lender's

offer to purchase 100% shares of JHL (at a price higher than the reserve price) and repay the outstanding dues of the Lender. The ARC thereafter sold 75% shares of JHL (including 37.5% shares of the Company) to a third party.

The aforesaid assignment of loan as well as the sale of shares has been challenged by the Company before the Hon'ble High Court of Delhi (Hon'ble court) and the Hon'ble Court has referred the said disputes between all parties involved to arbitration before a sole arbitrator, Retired former Judge, Supreme Court of India.

Consequently, the aforesaid arbitration shall proceed as per law.

Further, the Company has also filed a petition under Section 7 of the Insolvency and Bankruptcy Code, 2016 against JHL before the National Company Law Tribunal, Mumbai for initiation of corporate insolvency proceedings against JHL on basis of admission of liability in its audited balance sheets. The Company has also filed a complaint before MahaRERA challenging the registration of the project by JHL, inter-alia on grounds of improper disclosures and misrepresentation.

Owing to the ongoing actions and circumstances, which are challenged by the Company, JHL at present is not a joint venture of the Company, only in accordance with Ind AS 111 'Joint Arrangement' read with Ind AS 110 'Consolidated Financial Statements'.

At present the total loan and investments of the Company in JHL are ₹ 63,660.77 lakhs. Further, based on the legal advice, management believes that it has a strong likelihood of successful outcome in its favour. Still, due to ongoing dispute and uncertainties involved w.r.t. outcome of litigation/ arbitration and consequential impact on recoverability of the Company's investment/ loan, the provision recognised against such investment/ loan is considered to be adequate.

- 9 (ii) (a) One of the subsidiary company had purchased development rights for the land parcel at M1 & M1A project at Manesar, Haryana in 2008 from a third party. The erstwhile land owners of such land parcels filed a writ petition against the aforesaid party in the Hon'ble High Court of Punjab and Haryana seeking quashing of the entire action of the aforesaid party or the land purchaser i.e. third party from whom the subsidiary company purchased the development right. The Hon'ble High Court dismissed the petition and held that there is no ground to interfere with the acquisition proceeding of the land. Petitioners filed a special leave petition against the said order of the Hon'ble Court before the Hon'ble Supreme Court of India. The project was nearly completed by May 2014.

The Hon'ble Supreme Court, in its Order dated 12 March 2018 disposed of the said petition and upheld the land acquisition proceedings notified in August 2007. As per the order, in case where construction have been erected and the entire project is complete or is nearing completion, upon acceptance of the claim, the plots or apartments shall be handed over to the respective claimants on the same terms and conditions. It further upheld that all land parcels and projects which is not nearing completion shall be vested with HUDA/ HSIIDC free from all encumbrances, consequently all licenses granted in respect of land parcels and projects which is not nearing completion covered by the deemed award dated 26 August 2007 will stand transferred to HUDA/ HSIIDC. Accordingly, the Group has filed its claim with HUDA/ HSIIDC based on companies rights and obligation stipulated in the judgements and considered appropriate provision in these consolidated financial statements.

During the earlier years, various Interlocutory Applications (IAs) were filed by various parties seeking release of some land parcel and State/ HSIIDC filed IA seeking extension of time for complying the directions of the Hon'ble Supreme Court of India regarding verifications of claims. Express Greens Homebuyers Association has also filed IA seeking various directions.

During the earlier years, the Hon'ble Supreme Court of India vide Order dated 21 July 2022 disposed of the IAs and based on the Court order and legal advice, the management believe that the Group will be able to recover carrying value of claim amount as per books.

- (b) DLF filed a Special Leave Petition (SLP) against the order dated 2 December 2016 passed by the Hon'ble Punjab & Haryana High Court in Writ Petition No.12210 of 2013 challenging the findings and directions passed by the Hon'ble High Court requiring DLF to allocate additional land measuring 10.6 acres for DLF Park Place complex. DLF has taken the ground that after

having rejected the contentions of the association on the claim of extra land based on FAR and PPA norms, the Hon'ble High Court could not have passed the order for allocation of additional land based on the representations made in the Brochure. DLF has further raised the ground that Hon'ble High Court has given a complete go by to the terms and conditions of the binding agreement where it was specifically provided the area of Park Place as 12.67 acres, granted leave in the Special Leave Petition.

Against the same order, DLF Park Place Residents Welfare Association has also filed an SLP before the Hon'ble Supreme Court of India on the grounds that the Hon'ble High Court has misinterpreted the statutory provisions of the applicable law to hold that GH Park Place is not a separate and independent Group Housing Complex but is part of DLF Phase-V constructed over 476.42 acres having 15 Group Housing Complexes. In accordance with the FAR ratio of 1:1.75, the association was entitled to additional land of 46.20 acres on the total constructed area which has not been considered by the Hon'ble High Court.

The Court after hearing, granted leave in the SLPs. The appeals will be listed for arguments before the Hon'ble Supreme Court of India in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- (c) The petitions were filed before the Hon'ble Punjab & Haryana High Court challenging the action of the Haryana Government to acquire the land belonging to Gram Panchayat of Village Wazirabad, District Gurugram for public purpose and thereafter selling the same to the Company, seeking directions from the court for quashing of the acquisition proceedings under Section 4 & 6 dated 8 August 2003 and 20 January 2004.

The Petitioners therein also sought quashing of the award dated 19 January 2006 and the regular letter of allotment (RLA) dated 9 February 2010 issued in favour of the Company for 350.715 acres of land. The Company has paid ₹ 99,969.26 lakhs to Government towards purchase of this land out of total consideration of ₹ 182,437.49 lakhs.

The Hon'ble Punjab & Haryana High Court vide its final order dated 3 September 2014, while upholding the acquisition of land has however disapproved the allotment in favour of the Company. The Hon'ble High Court passed an order to keep the RLA dated 9 February 2010 issued in favour of the Company in abeyance and further directed the Haryana State Industrial and Infrastructure Development Corporation ('HSIIDC') to initiate fresh allotment process for higher returns in respect of the land in question with an option to State to revive the RLA in case no better bid is quoted by the public at large.

The Company filed Special Leave Petition before the Hon'ble Supreme Court of India challenging the judgment dated 3 September 2014 passed by the Hon'ble Punjab & Haryana High Court. The Hon'ble Supreme Court of India vide order dated 28 November 2014, issued notice to the Respondents and directed status quo to be maintained by the parties. The Hon'ble Supreme Court vide Order dated 3 December 2024 granted leave and further directed that the interim order passed by this Court on 28 November 2014 will continue to operate till the final disposal of these appeals. The matter is pending and to be listed in due course.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that there is a strong likelihood of succeeding before the Hon'ble Supreme Court of India. Pending the final decisions on the above matter, no adjustment has been made in these consolidated financial statements.

- (d) In the earlier years, the Company had initiated the arbitration proceedings against Haryana Urban Development Authority (HUDA) in respect to outstanding amount of ₹ 6,002.90 lakhs recoverable under a joint development agreement entered with HUDA for construction of certain roads and underpass in Gurugram, Haryana on 50:50 cost sharing basis.

During the previous year, the arbitrator had adjudicated the matter in favor of the Company vide order dated 26 July 2023. HUDA challenged the order of arbitrator and filed an application under section 84 of the Arbitration and Conciliation Act, 1996 before the district judge, Panchkula.

Based on the advice of the independent legal counsels and grounds of appeal, the management has assessed that claims by the Company are as per terms of agreement entered with HUDA and based on merits of the case, there is a strong likelihood of a favorable outcome for the Company in aforesaid case.

- (e) During the previous year, the Company had received a demand of property tax amounting ₹ 10,806.52 lakhs vide assessment order issued by New Delhi Municipal Corporation ('NDMC') with respect to a property under the 'Build, operate and transfer' model operated by the Company. The Company has filed a writ petition against the order before Hon'ble High Court, Delhi which had granted stay in this matter. In the current year the Company has received similar demand order from NDMC of ₹ 2,243.99 lakhs with respect to another property under the 'Build, operate and transfer' model operated by the Company. The Company has filed a writ petition against the order before Hon'ble High Court, Delhi which has granted stay in this matter.

Based on the advice of the independent legal counsels, the management believes that there is a strong likelihood of succeeding. Pending the final decision on the above matter, no adjustment has been made in these consolidated financial statements.

- (f) In the earlier years, arbitration proceedings were initiated between a subsidiary company and a collaborator, in respect of collaboration advance given for development of a commercial project in Gurugram, Haryana. During the year, the arbitrator has adjudicated the matter, directing the collaborator to refund the advance along with interest. The subsidiary company and collaborator have challenged the order of arbitrator and filed an application under section 34 of the Arbitration and Conciliation Act, 1996. Based on favourable order received during the year and advice from independent legal counsels, the Group has considered carrying value of advance of ₹ 10,590.92 lakhs as recoverable in these financial statements.

59. Rule 11(g) of Companies (Audit and Auditors) Rule, 2014 ('Rule') stipulates that where the Group has used accounting software for maintaining its books of account whether it has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all transactions recorded in the software among other requirements, as prescribed in the aforesaid Rule. The Holding Company, 104 subsidiaries and 15 joint ventures are companies incorporated in India and whose financial statements have been audited under the Act have used an accounting software which is operated by a third-party software service provider, for maintaining its books of account.

The third-party software has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Management of the holding Company, 102 subsidiaries and 14 joint ventures has obtained service organisation controls report i.e. SOC 1 type 2 report (SOC Report) from the provider of accounting software and has concluded that the audit trail in respect of such software has been recorded and preserved compliance with the requirements of Section 128(5) of the Companies Act, 2013, in respect of the financial year ended 31 March 2025. There has been no instance of audit trail feature being tampered with. Further, in case of two subsidiaries, management is not in possession of service organisation controls report to determine whether audit trail feature of said software was enabled as per the requirement of the above rule and in case of one joint venture, audit trail feature is not enabled at database level as per requirement of above rule.

Also in respect of the financial year ended 31 March 2024, management of the respective entities is not in possession of SOC Report to determine whether the requirement of preservation of audit trail has been complied as per the statutory requirements for record retention.

60. Political contribution represents contribution made to Prudent Electoral Trust of ₹ 10,000.00 lakhs (31 March 2024: ₹ 10,000.00 lakhs).

61. During the year, pursuant to Expert Advisory Committee of the Institute of Chartered Accountants of India on ‘Presentation of accrued wages and salaries of employees’, the Group has concluded that presenting such amounts under ‘Other Liabilities’, results in improved presentation and better reflects the nature of these obligations.

Accordingly, the amount aggregating to ₹ 17,388.92 lakhs (31 March 2024: ₹ 13,261.03 lakhs) previously classified under head Trade Payables have been reclassified to Other Liabilities.

The above changes do not impact recognition and measurement in the financial statements and consequently, there is no impact on total equity or profit of current and previous years.

8. Institutional shareholders (i.e. other than individuals, Hindu Undivided Family, Non-resident Indians etc.) are required to send a scanned copy (PDF/ JPG Format) of their board resolution/ authority letter/ power of attorney etc. authorizing their representatives to attend/ participate in the AGM through VC/ OAVM on their behalf and to vote through remote e-voting or e-voting during the AGM. The said board resolution/ authority letter/ power of attorney etc. shall be sent to the Scrutinizer(s) by e-mail through their registered e-mail ID at dlfscrutinizer@gmail.com with a copy marked to evoting@nsdl.co.in.
9. The Company has fixed **Monday, 28 July 2025** as the ‘Record Date’ for determining the eligibility for payment of dividend, if declared at the AGM.
10. The dividend, if declared at the AGM will be paid, subject to deduction of tax at source on or before **Tuesday, 2 September 2025** to those members or their mandates: (i) whose names appear as beneficial owners at the end of the business hours on **Monday, 28 July 2025** in the list of beneficial owners to be furnished by the depositories (i.e. NSDL and CDSL) in respect of the equity shares held in demat mode; and (ii) whose names appear as members in the Company’s Register of Members as of **Monday, 28 July 2025**.
11. Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of shareholders w.e.f. 1 April 2020 and the Company is required to deduct tax at source from the dividend payable to shareholders at the prescribed rates, for various categories. The shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested to update their Permanent Account Number (‘PAN’) with the Company/ KFin (in case of equity shares held in physical mode) and to their respective Depository Participants (in case of equity shares held in demat mode).

Resident individual shareholders who are not liable to pay income tax can submit yearly declaration in Form No. 15G/ 15H along with a self-attested copy of their PAN card, to avail the benefit of

non-deduction of tax at source by uploading the same on <https://ris.kfintech.com/form15/> by **Monday, 28 July 2025** up to **5.00 P.M. (IST)**. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20%. Further, no tax is required to be deducted, if aggregate dividend distributed or likely to be distributed during the Financial Year (‘FY’) to a resident individual shareholder does not exceed ₹ 10,000/- (Rupees Ten thousand only). Non-resident Indian shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment Declaration and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F and any other document that may be required to avail the tax treaty benefits. The aforesaid declarations and documents need to be uploaded by the shareholders on <https://ris.kfintech.com/form15/> by **Monday, 28 July 2025** up to **5.00 P.M. (IST)**. Further, tax will be deducted at the rate prescribed in the lower tax withholding certificate issued under Section 197 of the Income-tax Act, 1961, if such valid certificate is provided. For further details on various categories and prescribed rates, please refer to the Company’s website at www.dlf.in.

12. The SEBI Listing Regulations have mandated that for making dividend payments, companies shall use Electronic Clearing Services (local, regional or national), direct credit, Real Time Gross Settlement (‘RTGS’), National Electronic Funds Transfer (‘NEFT’) etc. Members are requested to register/ update their complete bank details with their Depository Participant(s), if the equity shares are held in demat mode, by submitting forms and documents, as may be required by the Depository Participant(s).

Further, with effect from 1 April 2024, dividend to shareholders (holding equity shares in physical mode), shall be paid only through electronic mode. Such payment shall be made only after furnishing the PAN, Contact details including Mobile number, Bank account details and Specimen signature by the shareholders. Members may refer to the FAQs provided by SEBI on its website at https://www.sebi.gov.in/sebi_data/faqfiles/sep-2024/1727418250017.pdf.

13. Members holding equity shares in demat mode are requested to provide their PAN, Bank details and intimate changes, if any, pertaining to their name, postal address, e-mail ID, telephone and mobile number, nomination, power of attorney, bank details (Bank account number, Bank and Branch Name and address, IFSC, MICR code) to their respective Depository Participants (‘DPs’). Changes intimated to the DPs will automatically be reflected in the Company’s record, which will help the Company and RTA to provide efficient and better services.

As per Circulars issued by the SEBI from time to time, it is mandatory for the shareholders holding equity shares in physical mode to furnish their PAN, Contact details including Mobile number, Bank account details and Specimen signature before getting any investor service request processed.

14. Members holding equity shares in physical mode, in identical order of names, in more than one folio are requested to send to the Company or KFin, the details of such folios together with the share certificates and requisite KYC documents for consolidating their holdings in one folio. Request for consolidation of holdings shall be processed in dematerialised form only.
15. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote through remote e-voting/ e-voting during the AGM.
16. In accordance with the provisions of Section 72 of the Act and SEBI Circulars, the facility for nomination is available for the members of the Company in respect of the equity shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form No. ISR-3 or Form No. SH-14, as applicable. The said forms are available on the Company’s website at www.dlf.in. STATEMENT

THE FOLLOWING STATEMENT AS REQUIRED UNDER SECTION 102 OF THE COMPANIES ACT, 2013 AND THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 SETTING-OUT ALL MATERIAL FACTS RELATING TO THE BUSINESS PROPOSED TO BE TRANSACTED UNDER ITEM NOS. 5 TO 7 OF THE ACCOMPANYING NOTICE DATED 19 MAY 2025.

ITEM NO. 5

The Board of Directors (the 'Board') of the Company, on the recommendation of the Audit Committee, had approved the appointment of Sanjay Gupta & Associates, Cost Accountants (FRN: 000212), as the Cost Auditors of the Company to conduct the audit of the cost records pertaining to real estate development activities of the Company for the financial year ended 31 March 2025 at a remuneration of ₹ 4.40 lakh (Rupees four lakh forty thousand only) plus applicable taxes and reimbursement of out-of-pocket expenses, if any.

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to the Cost Auditors, as recommended by the Audit Committee and approved by the Board has to be ratified by the members of the Company. Accordingly, the consent of the members is being sought by way of an ordinary resolution for ratification of the remuneration payable to the Cost Auditors for FY 2024-25.

Considering the scope of audit and on the recommendation of the Audit Committee, the Board of Directors has revised the remuneration payable to the Cost Auditors to ₹ 4.40 lakh (previous year ₹ 4.00 lakh). In view of the above, the revised remuneration is considered

reasonable, fair and commensurate with the scope of work undertaken by them.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise, in the resolution set-out at Item No. 5.

The Board commends the resolution for approval of the members as an *Ordinary Resolution*.

ITEM NO. 6

Pursuant to the provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations') and the provisions of Section 204 of the Companies Act, 2013 (the 'Act') read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, the Board of Directors (the 'Board') of the Company in its meeting held on 19 May 2025, on the recommendation of the Audit Committee and subject to approval of the shareholders, had approved the appointment of Makarand M. Joshi & Co., Company Secretaries ('MMJC') (FRN: P2009MH007000) as Secretarial Auditors to conduct the Secretarial Audit of the Company for a term of 5 (five) consecutive years, commencing from FY 2025-26 to FY 2029-30, on the following terms and conditions:

- a. Proposed Remuneration:** ₹ 10.50 lakh plus applicable taxes and out-of-pocket expenses, if any, for FY 2025-26 and for subsequent financial year(s) of their term, such remuneration as determined by the Board, on the recommendation of the Audit Committee.

The proposed remuneration includes fees for Secretarial Audit services, the Annual Secretarial Compliance Report, certifications relating to Corporate Governance, Non-disqualification of Directors and Annual Return certification. The Company would not avail any services from MMJC which falls under the purview of prohibited services as specified by the SEBI in its Circular having reference no. SEBI/ HO/CFD/CFD-PoD-2/ CIR/P/2024/185 dated 31 December 2024.

In the opinion of the Board, the proposed remuneration is based on the knowledge, expertise, industry experience, time and efforts required to be put in by them, which is in line with the industry benchmark.

The remuneration for Secretarial Audit and Annual Secretarial Compliance Report, payable to Dr. K.R. Chandratre (outgoing Secretarial Auditor) for FY 2024-25 was ₹ 7.50 lakh plus applicable taxes and out-of-pocket expenses, if any. Considering the extended scope of work of MMJC, in the opinion of the Board, there is no material change in the proposed remuneration to MMJC.

The Board of Directors, on recommendation of the Audit Committee, may alter or vary the terms and conditions of appointment, including remuneration, in such manner and to such extent, as may be mutually agreed with the Secretarial Auditors.

- b. Brief Profile and Credentials:** MMJC is a leading firm of practicing Company Secretaries with over 25 years of rich and diverse experience, MMJC have built a strong reputation in delivering comprehensive professional services across Corporate Laws, SEBI and FEMA Regulations. Their expertise include conducting Secretarial Audits, Due Diligence Audits, Compliance Audits etc. MMJC have been awarded with the Best Secretarial Auditor from the Institute of Company Secretaries of India ('ICSI') for FY 2019-20.

MMJC have a robust team of over 170 professionals, bringing deep domain expertise and a multi-disciplinary approach to every assignment.

The firm is associated with several leading corporates in India, spanning a wide range of sectors such as Financial Services, Media, Automobile, Power, Chemicals, Pharmaceuticals, FMCG, IT/ Telecom/ BPO, Infrastructure, InvITs, Shipping & Airports, Manufacturing etc.

MMJC have confirmed that they have undergone the peer review process conducted by the ICSI and possess a valid peer review certificate. MMJC have given their consent to act as Secretarial Auditors of the Company and confirmed that the appointment, if approved by the shareholders, would be within the prescribed limits under the Act and Rules made thereunder and the SEBI Listing Regulations. MMJC have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of the provisions of the Act and Rules made thereunder and the SEBI Listing Regulations and that they have no conflict of interest.

- c. Basis of recommendation:** The recommendation is based on the fulfilment of the eligibility criteria and qualification prescribed under the Act and Rules made thereunder read with the SEBI Listing Regulations and based on the experience of the firm and its partners, their past track record and capabilities in delivering quality Secretarial audit services to other companies of similar size and complexity.

None of the Directors and Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise, in the resolution set-out at Item No. 6.

The Board commends the resolution for approval of the members as an *Ordinary Resolution*.

ITEM NO. 7

Pursuant to the provisions of Section 161 of the Companies Act, 2013 (the 'Act'), Regulation 17 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('SEBI Listing Regulations') and Article 101(2) and 109A of the Articles of Association of the Company, Ms. Vinati Kastia Kilambi (DIN: 08175434) was appointed as an Additional Director (in independent capacity) of the Company with effect from 19 May 2025 by the Board of Directors of the Company. Pursuant to Regulation 17(1C) of the SEBI Listing Regulations, Ms. Vinati shall hold office until the date of the next General Meeting or for a period of 3 (three) months from the date of the appointment, whichever is earlier.

Ms. Vinati, aged about 52 years, is a Senior Partner at AZB & Partners, with nearly three decades of experience in corporate governance, risk management, regulatory compliance, legal advisory and white-collar investigations. A 1996 graduate of the National Law School of India University, Bangalore, she has led numerous cross-border mergers and acquisitions and specializes in corporate and commercial matters.

Her expertise spans governance, audit quality, financial reporting, corporate fraud and enforcement proceedings under the anti-money laundering (PMLA), foreign exchange control and FEMA laws.

She was named among the 'Top 30 Exceptional Female Lawyers in India' by Asian Legal Business in 2023 and was previously recognized as one of 'India Inc's Rising Women Leaders' by Spencer Stuart in 2015.

Ms. Vinati is neither disqualified from being appointed as a Director in terms of Section 164 of the Act, nor debarred from holding the office of a Director by virtue of any order passed by SEBI or any other authority. She has registered herself with the Independent Director's Databank, maintained by the Indian Institute of Corporate Affairs.

The Company has received the following from Ms. Vinati:

- consent to act as a Director of the Company in accordance with Section 152 of the Act.
- declaration of Independence stating that she fulfils the conditions as set-out in Section 149(6) and Schedule IV of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations and is eligible for appointment as an Independent Director.
- confirmation in terms of Regulation 25(8) of the SEBI Listing Regulations that she is not aware of any circumstance or situation that exists or may be reasonably anticipated that could impair or impact her ability to discharge her duties as an Independent Director of the Company without any external influence.
- notice in writing under the provisions of Section 160 of the Act from a member, proposing her candidature for the office of Director of the Company.

In the opinion of the Nomination and Remuneration Committee and the Board of Directors of the Company, Ms. Vinati possesses the skills, knowledge, expertise and competencies in the context of the Company’s business, particularly in the areas of legal and strategic advisory, corporate governance, risk management, audit quality, financial reporting, corporate fraud, investigations, risk mitigation and strategic foresight.

The Nomination and Remuneration Committee in its meeting held on 19 May 2025, considering the capabilities, skills, experience of Ms. Vinati and based on the desired attributes for selection of the Independent Director, recommended the candidature of Ms. Vinati, as an Independent Director, not liable to retire by rotation for a term of 5 (five) consecutive years on the Board of the Company.

The Board of Directors, based on the recommendation of the Nomination and Remuneration Committee, in its meeting held on 19 May 2025, subject to the approval of shareholders, approved the appointment of Ms. Vinati as an Independent Director, not liable to retire by rotation, to hold office for a term of 5 (five) consecutive years i.e. up to 18 May 2030.

In the opinion of the Board of Directors, Ms. Vinati fulfils the conditions specified in the Act, Rules made thereunder and the requirements under the SEBI Listing Regulations for appointment of an Independent Director and hence, it would be in the interest of the Company to avail her services as an Independent Director.

The terms and conditions of the appointment of Independent Director would be available for inspection by the members electronically and are also disclosed on the website of the Company at <https://www.dlf.in/pdf/DLF-Terms-and-Conditions-Independent-Director.pdf>.
