## **Net Zero Policy**

---

At DLF Cyber City Developers Limited (DCCDL), we are committed to leading the way in sustainable development. DCCDL acknowledges the urgency of addressing climate change and its consequences. Towards this we are committed to undertake actions which promote decarbonizing our operations. We continuously understand the risks and impacts to the portfolio and set goals to reduce the companies carbon footprint moving towards achieving net zero emissions.

This Net Zero Policy will supplement and build upon DCCDL's existing environmental policy, enhancing our commitment to sustainability across all operations. The policy outlines our commitment to set short-term, medium-term, and long-term emission reduction goals to progressively reduce and ultimately neutralize the company's carbon footprint towards achieving net zero emissions.

We strive to achieve this by:

- Diligently monitor and report Scope 1 and Scope 2 emissions and initiate comprehensive tracking of Scope 3 emissions.
- Invest in and adopt innovative energy-efficient technologies and practices across all operations, while increasing the use of renewable energy sources.
- Prioritize sustainable materials and practices in procurement and supply chain management.
- Provide transparent and regular updates on progress made towards net zero and interim emission reduction targets, ensuring accountability and continuous improvement.
- Engage with suppliers and vendors, to raise awareness on measuring, monitoring, and reducing GHG emissions.
- Collaborate with tenants, suppliers, vendors and employees, to raise awareness and drive action for reducing GHG emissions.

### **Governance**

The governance of DCCDL's Net Zero Policy will be overseen by Sr. Executive Director (Technical) under the guidance of Vice Chairman & Managing Director. The Sr. Executive Director (Technical) shall supervise implementation of this policy including target-setting, development of Net Zero strategies, actions plan and continued compliance with sustainability standards.

### **Review and Amendments**

This policy will be reviewed annually by the Sr. Executive Director (Technical) along with Vice Chairman & Managing Director or as needed to respond to operational changes, new regulations, or any alterations in the external environment that may influence the operational context.

Sriram Khattar

VC and Managing Director
