New sales bookings for the fiscal year stood at Rs 20,143 crore in FY26, in line with our guidance, reinforcing sustained homebuyer demand and the strength of our product-led strategy. The following three key products anchored the performance:

- DLF Privana North, Gurugram - Encouraging response for latest phase of our luxury offering garnering sales bookings more than Rs 11,000 crore and yet another sellout
- DLF Westpark, Mumbai - Successful maiden launch of our first project in Mumbai with almost entire inventory being monetized in record time with sales more than Rs 2,300 crore
- The Dahlias - Sustained momentum across our latest super-luxury offering clocking sales bookings of ~Rs 4,800 + crore

The sustained response to our launches highlights the strength of DLF's brand, the quality of its offerings and the continued preference for integrated ecosystems with supporting infrastructure in place. With an identified launch pipeline ahead, we remain well positioned to leverage this sustained demand momentum through a calibrated and value-accretive strategy and remain confident of delivering our stated medium-term goals.

Our rental portfolio stands at ~ 50 msf and continues to operate at industry leading occupancy of 95%. Measured capital deployment to drive long-term annuity growth remains a focused area for the business.

Reflecting our continued focus on enhancing shareholder returns, the Board has recommended a dividend of Rs 8 per share for shareholders' approval. This represents a 33% year-on-year increase in dividend payout over the previous year.

With a significant land bank, a robust launch pipeline across development and rental businesses, a strengthened balance sheet and consistent cash flow generation, DLF is well positioned to capitalize on the structural upcycle in the sector.
